

An anatomical illustration of the human skeletal and muscular systems. On the left, a white, semi-transparent skeleton is shown in a standing pose. On the right, a muscular system is depicted with detailed, reddish-brown muscle fibers and tendons, also in a standing pose. The two figures are positioned side-by-side, with the muscular system appearing to be a more detailed or 'filled-in' version of the skeleton. A large, faint, grey spiral watermark is visible in the background, centered behind the text. The entire image is set against a solid black background.
