Image, History and Memory Michał Haake, Piotr Juszkiewicz, 2022-02-22 This book discusses the active relationship among the mechanics of memory visual practices and historical narratives Reflection on memory and its ties with historical narratives cannot be separated from reflection on the visual and the image as its points of reference which function in time This volume addresses precisely that temporal aspect of the image without reducing it to a neutral trace of the past a mnemotechnical support of memory As a commemorative device the image fixes structures and crystalizes memory turning the view of the past into myth It may however also stimulate transform and update memory functioning as a matrix of interpretation and understanding the past The book questions whether the functioning of the visual matrices of memory can be related to a particular historical and geographical scope that is to Central and Eastern Europe and whether it is possible to find their origin and decide if they are

just local and regional or perhaps also Western European and universal It focuses on the artistic reflection on time and history in the reconstructions of memory due to change of frontiers and political regimes as well as endeavours to impose some specific political structure on territories which were complex and mixed in terms of national identity religion and social composition The volume is ideal for students and scholars of memory studies history and visual studies

Postdevelopmental Approaches to Childhood Research Observation Jayne Osgood, 2023-08-24 This book challenges the developmentalist paradigm that dominates research into children and childhood focusing on observation as a research method It offers new postdevelopmental ways of conducting childhood observations which are diverse in context and theoretical orientation and in the process deconstructs the dominant traditions of childhood research Written by leading scholars based in Canada Norway the UK and the USA the chapters consider observation as it is enacted in the home nursery or classroom Drawing on a range of theories including feminist new materialism social semiotics and posthumanism the chapters cover a range of topics including reciprocal methods photography childhood art and memoir **Two Weeks in England** Howard Langner, 2018-06-12 This is a collection of sketches documenting a two week trip through the Cotswolds and Cornwall *Turner's Watercolour Explorations, 1810-1842* Eric Shanes, Joseph Mallord William Turner, Tate Gallery, 1997 Explains the creative process that underlies these drawings and the interpretive techniques which have been used to analyse them Colour illus Francis Towne Timothy Wilcox, 1997-06 Francis Towne 1739 1816 achieved no recognition in his lifetime yet today his watercolors are acknowledged as among the most arresting and original of the generation of landscape painters between Wilson and Turner This volume brings together over 80 watercolors by Towne his friends and pupils The society of 18th century Exeter where Towne found most of his patrons is especially highlighted

Natural History Illustration in Pen and Ink Sarah Morrish, 2021-08-23 This beautiful book combines the author's extensive ecological knowledge with art and her passion for drawing with ink It is packed with clear instruction and inspirational illustrations and will be treasured by artists illustrators scientists and ecologists alike Practical advice is given on using a range of materials and equipment for illustrating in pen and ink as well as the collection and preservation of subject matter and reference material Detailed instruction is given on how to create essential mark making techniques that will enhance your illustrations through accurate depiction of shape form texture and pattern and in the principles and elements of design Subject themed chapters include plants strandline and marine specimens fossils invertebrates and mammals There are step by step exercises suitable for all skill levels and case studies describing working practice as a professional illustrator Samuel Prout, 1783-1852 Richard Lockett, Samuel Prout, 1985 Samuel Prout was one of the first artists to specialize in continental views In the early 1820s he popularized the scenery of the grand tour Normandy the Rhine the Low Countries Switzerland and Italy particularly Venice with a wider public through the print trade and his books of engravings and lithographs George IV appointed him Painter in Water Colours in Ordinary in 1829 and Prout continued to

enjoy royal patronage His especial skill in depicting architectural subjects won him the admiration of Ruskin who was to become a personal friend Yet since the end of the nineteenth century Prout s work has received relatively little attention from art historians Publisher description **Mapping Middle-earth** Anahit Behrooz, 2024-01-25 In this cutting edge study of Tolkien s most critically neglected maps Anahit Behrooz examines how cartography has traditionally been bound up in facilitating power Far more than just illustrations to aid understanding of the story Tolkien s corpus of maps are crucial to understanding the broader narratives between humans and their political and environmental landscapes within his legendarium Undertaking a diegetic literary analysis of the maps as examples of Middle earth s own cultural output Behrooz reveals a sub created tradition of cartography that articulates specific power dynamics between mapmaker map reader and what is being mapped as well as the human nonhuman binary that represents human s control over the natural world Mapping Middle earth surveys how Tolkien frames cartography as an inherently political act that embodies a desire for control of that which it maps In turn it analyses harmful contemporary engagements with land that intersect with but also move beyond cartography such as environmental damage human induced geological change and the natural and bodily costs of political violence and imperialism Using historical eco critical and postcolonial frameworks and such theorists as Michel Foucault Donna Haraway and Edward Said this book explores Tolkien s employment of particular generic tropes including medievalism fantasy and the interplay between image and text to highlight and at times correct his contemporary socio political epoch and its destructive relationship with the wider world
