Canadian Plains Research Center,2004 From the optimism associated with provincial status in 1905 through the trials of Depression and war the boom times of the post war period and the economic vagaries of the 1980s and the 1990s the twentieth century was a time of growth and hardship development and change for Alberta and its people And during the century twelve men from a variety of political parties and from very different backgrounds led the government of this

McDonald, 2021-10-15 The political landscape of British Columbia has been characterized by divisiveness since Confederation As outsized personalities from Amor De Cosmos to W.A.C. Bennett dominated the halls of power militant radicals and reformers took to the streets and hustings *A Long Way to Paradise* traces the evolution of political ideas from 1871 to 1972 to explore British Columbia's journey to socio-political maturity answering both why and how British Columbia became Canada's most fractious province Robert McDonald explains its classic left-right divide as a product of common sense liberalism that also shaped how British Columbians met the

challenges of a modernizing world McDonald tackles key questions Why were the Liberal and Conservative parties obliterated in the 1950s What can account for Bennett s decades long reign And why did parties as diametrically opposed as Social Credit and the NDP succeed This lively overview provides fresh insight into the fascinating story of provincial politics in Canada s lotus land Politics, Policy, and Government in British Columbia R. Wesley, 2011-04-01 Politics on the Canadian Prairies are puzzling The provinces share a common landscape and history but they have nurtured three distinct political cultures Alberta is Canada s bastion of conservatism Saskatchewan its cradle of social democracy and Manitoba its progressive centre The roots of these cultures run deep yet their persistence

over a century has yet to be explained Drawing on over eight hundred pieces of campaign literature Jared Wesley reveals that dominant political parties have used one key device rhetoric to foster and carry forward their province s cultural values or political code Social Credit and Progressive Conservative leaders in Alberta emphasized freedom whereas New Democrats in Saskatchewan stressed security Successful politicians in Manitoba by contrast underscored the importance of moderation Although the content of their campaigns differed leaders from William Aberhart to Tommy Douglas to Gary Doer have employed distinct codes to ensure their parties success and shape their provinces political landscapes
