Social Policy And Economic Development In The Nordic Countries

I. Harsløf, R. Ulmestig

Social Policy And Economic Development In The Nordic Countries:

Social Policy and Economic Development in the Nordic Countries O. Kangas,J. Palme,2005-07-01 This volume examines the relationship between Nordic social policy and economic development from a comparative perspective It identifies the driving forces behind the development of the Nordic welfare model and the problems and dilemmas the model is facing at present The book also traces the link between democratization and social policy drawing attention to the role of the state and non governmental organizations Social Policy and Economic Development in the Nordic Countries examines Nordic social policies on unemployment social care family education and health care policies and reviews future challenges of the welfare state in the information society

Changing Social Risks and Social Policy Responses in the Nordic Welfare States

I. Harsløf,R. Ulmestig,2013-10-29 The Nordic welfare states have found themselves in the firing line of post industrial developments resulting in fundamental changes and new social needs to attend to This book explores responses to changing social risks across areas such as structural unemployment entrepreneurship immigration single parenthood education and health

The Nordic Countries and the European Union Caroline Howard Grøn,Peter Nedergaard,Anders Wivel,2015-02-20 In European policy making the Nordic countries are often viewed as a relatively coherent bloc in international and European affairs the Nordic position has traditionally been conditioned on being different from and better than Europe This book offers a coherent original and systematic comparative analysis of the relationship between the Nordic countries and the European Union over the past two decades It looks at the historical frame institutions and policy areas addressing both traditional EU areas such as agriculture and more nascent areas affecting the domestic and foreign policies of the Nordic countries In doing so it examines how the Nordic approach to European policy making has developed and explains why the Nordic countries are similar in some respects while differing in others when engaging with EU institutions In highlighting the similarities and differences between the Nordic countries it explores what lessons positive and negative may be drawn from this approach for the Nordic countries and other small states This book will be of interest to scholars students and practitioners engaged with the Nordic Countries EU politics and policy making European politics and comparative politics

Neoliberalism, Nordic Welfare States and Social Work Masoud Kamali,Jessica Jönsson,2018-04-17 How have three decades of neoliberalism affected the Nordic welfare states as well as the organisation education and practices of social work in those countries During recent decades the welfare states of Denmark Finland Norway and Sweden have gone through dramatic changes influenced by the political triumph of neoliberalism This has led to both the electoral success of extreme right and mainstream neoliberal parties and to the neoliberal ideological transformations of social democratic parties The neoliberal doctrine of making governance cheaper has thus been made the focus of governance and has led to increased marginalisation and social problems This is the first book to comparatively explore the role of neoliberal reforms on social work and social policy across the Nordic welfare states The richly theoretical and empirical chapters explore and illustrate the consequences of the

dominance of neoliberal policies and provide an analysis of the effects of globalisation glocalisation welfare nationalism symbolic violence and forced migration The book provides valuable insights into the shortcomings of retreating welfare states in a time of increasing glocal social problems Neoliberalism Nordic Welfare States and Social Work should be considered essential reading for critical social work education Students scholars educators and researchers of Nordic countries and beyond have much to learn from this book *Learning from the South Korean Developmental Success* Ilcheong Yi,Thandika Mkandawire,2014-04-13 This analysis of South Korea s development experience can present lessons for development in the 21st century Situating the development experience of South Korea within the framework of the capability enhancing state this volume examines the empowering institutions and policies of South Korea between 1945 and 2000

Social Policies and Private Sector Participation in Water Supply N. Prasad,2008-04-01 This book demonstrates that when reforming the water sector policymakers should arrange social policies that mitigate the negative impact of reforms It presents a detailed analysis of the current issues and uses country studies to show how social policies are vital in ensuring affordable access to water supply Pro-Poor Macroeconomics G. Cornia,2006-09-29 This book tackles the disagreements that affect those looking to establish the macroeconomic policies needed to halve poverty over the next ten years It presents a pro poor macroeconomic policy allowing countries to recapture policy space help promote growth reduce inequality and diminish poverty in a sustainable way **Latin America** Manuel Riesco,2007-03-14 The 21st century Latin American developmental welfare state model is based on a new public private alliance where state led developmental social policy relies for its implementation mainly on proactive emerging regional entrepreneurs and a growing middle class This volume illustrates where innovative development strategy may be in the making Overcoming the Persistence of Inequality and Poverty Valpy FitzGerald,Judith Heyer,2011-03-24 International experts evaluate new policy directions in economic development and poverty reduction building on the ideas of a pioneer in the new discipline of Development Studies Frances Stewart Combining ideas and evidence on technological change human development and conflict prevention to address the issue of the persistence of inequality *The Routledge Handbook of the Welfare State* Bent Greve,2013 The welfare state in all its many forms has had a profound role in many countries around the world since at least the Second World War The Routledge Handbook of the Welfare State explores the classical issues around the welfare state but also investigates its key concepts along with how these can be used and analysed This book provides expert analysis of the core issues related to the welfare state including regional depictions of welfare states around the globe The book combines essays on methodologies core concepts and central policy areas to produce a comprehensive picture of what the welfare state means around the world In the midst of the credit crunch this book addresses some of the many questions about the welfare state This book is suitable for students and scholars throughout the social sciences particularly in sociology social policy public policy international relations politics and gender studies **The Nation-State in Transformation** Michael Boss,2010-07-16 The

Nation State in Transformation discusses the significance of the state in a globalised economy Focusing on Denmark and Ireland the book analyses how small states adapt to the international market and argues that the institutional mediation of globalisation helps us explain why some states seem to possess more capacity to adjust than others Not only must we bring the state back in we must also consider how history culture and collective identities influence the performance of the nation state in the new globalised world order With contributions by Francis Fukuyama Bob Jessop David Marsh John A Hall and John Campbell Georg Sorensen Bjorn Hvinden Rory O'Donnell Peadar Kirby Joseph Ruane Brian Girvin Sean O'Riain Chris McInerny Gert and Gunnar Svendsen Lars Bo Kaspersen and Linda Thorsager Henrik Bang and Michael Boss

Scandinavian politics today David Arter, 2013-01-18 This fully revised and updated second edition of Scandinavian politics today describes analyses and compares the contemporary politics and international relations of the five nation states of Denmark Finland Iceland Norway and Sweden and the three Home Rule territories of Greenland Faeroes and land that together make up the Nordic region Thirteen chapters cover Scandinavia past and present parties in developmental perspective the Scandinavian party system model the Nordic model of government the Nordic welfare model legislative executive relations in the region the changing security environment and the transition from Cold War security threats to the security challenges of today and a concluding chapter looks at regional co operation Nordic involvement in the European project and the Nordic states as moral superpowers The book will be of interest not only to students of Scandinavia but to those wishing to view Scandinavian politics and policy making in a wider comparative perspective **Decent Incomes for**

All Bea Cantillon, Tim Goedemé, John Hills, 2019 For more than a decade organizations such as the IMF OECD and the ILO have issued concerns about the trend of increased inequality in rich welfare states while influential thinkers and think tanks have come to agree on at least one central point globalization and technological progress have exacerbated the existing inequities in social market economies Across Europe despite high social spending and work related welfare reforms poverty remains a largely intractable problem for policymakers and the persistent reality for citizens In Decent Incomes for All the authors shed new light on recent poverty trends in the European Union and the corresponding responses by European welfare states They analyze the effect of social and fiscal policies before during and after the recent economic crisis and study the impact of alternative policy packages on poverty and inequality The book also explores how social investment and local initiatives of social innovation can contribute to tackling poverty while recognizing that there are indeed structural constraints on the increase of the social floor and difficult trade offs involved in reconciling work and poverty reduction Differences across countries are however stark which suggests that there are lessons to be learned and policy changes to be applied if the political will exists **Welfare Trends in the Scandinavian Countries** Robert Erikson, Erik Jorgen

Hansen, Stein Ringen, Hannu Uusitalo, 2019-07-26 Discusses important aspects of the development of the welfare state in the Scandinavian countries and Iceland since the mid 1970s It focuses on societal changes during a period of modest economic

growth Topics include labour market benefits education and social mobility class and inequality income distribution and trajectories and health Routledge Handbook of the Welfare State Bent Greve, 2018-06-28 Forty five contributions from renowned international specialists in the field provide readers with expert analysis of the core issues related to the welfare state including regional depictions of welfare states around the globe The second edition of the Routledge Handbook of the Welfare State combines essays on methodologies core concepts and central policy areas to produce a comprehensive understanding of what the welfare state means around the world In the aftermath of the credit crunch the Handbook addresses some of the many questions about the welfare state This second edition has been thoroughly revised and updated to include an in depth analysis of societal changes in recent years New articles can be found on topics such as the impact of ideas well being migration globalisation India welfare typologies homelessness and long term care This volume will be an invaluable reference book for students and scholars throughout the social sciences particularly in sociology social policy public policy international relations politics and gender studies When Marriage Ends Hans-Jürgen Andreß, Dina Hummelsheim, 2009-01-01 When Marriage Ends offers a comprehensive and insightful contribution to the study of economic effects of divorce and it also contributes to the comparative study of family policies and family law regimes in Europe The book can be recommended not only to students and researchers interested in family studies but also to legal and public policy practitioners Jana Chaloupkov Central European Journal of Public Policy This is a double faced book which should be read by everybody who is concerned about the societal effects of divorce It shows that divorce has negative economic and social consequences not only in the Anglo Saxon countries but also in the most generous welfare states of Europe where divorce is widely accepted Moreover these effects are more negative for women than for men even in the most gender equalitarian welfare state But it also shows that social policies can mitigate these negative consequences Jaap Dronkers European University Institute Italy In recent decades the probability of divorce and separation among married and cohabiting couples has increased significantly in most European countries Focusing on both economic and social aspects this comprehensive volume explores the consequences of partnership dissolution at the individual level The contributors use personal characteristics properties of the partnerships and the institutional context to explain coping behaviours The book comprises reports on eight countries which have tentatively been classified as the male breadwinner Belgium and Germany the dual earner Denmark Finland and Sweden the market Great Britain and the family model Spain and Greece It also contains four cross national comparative studies addressing the wider impacts of divorce including labour force participation residential mobility and housing household income and poverty and lifestyle deprivation Complemented by the editors authoritative introduction this timely study will prove invaluable to graduate students and researchers interested in the economics and sociology of the family Legal and public policy practitioners will also find the book an insightful addition to the current literature **Promoting Innovation, Productivity and Industrial Growth and Reducing Poverty** Maureen

Mackintosh, Joanna Chataway, Marc Wuyts, 2021-04-26 Development and the ending of mass poverty require a massive increase in productive capabilities and production in developing countries Some countries notably in Asia are achieving this Yet pro poor aid policies especially for the least developed countries operate largely without reference to policy thinking on the promotion of innovation for productivity growth Conversely policy makers and researchers on innovation and industrial policies tend to know little about the potential for social protection to support innovation and productivity improvement This book aims to focus attention on this gulf between research on innovation and on poverty reduction and to identify some of its policy consequences to set out some ways in which this gulf can be bridged analytically and empirically and to contribute to the creation of an agenda for further research and an understanding of the urgency of the implied rethinking The first two chapters provide sustained arguments for embedding social policy thinking in much more productivist frameworks of thought that focus on raising productivity and employment and for identifying growth theories that can incorporate satisfactory understandings of innovation and employment upgrading A set of chapters then tackle these broad themes in the context of health addressing the interlinked issues of innovation health inequity and associated impoverishment The final set of chapters examines the challenge of creating industrial policies that generate both innovation and employment using and going beyond concepts of systems of innovation

Nordic Social Attitudes in a European Perspective H. Ervasti, Heikki Ervasti, 2008-01-01 For outsiders the popularity and social sustainability of the extensive scope of Nordic welfare states such as the strong role of the state and high levels of taxation remains something of a mystery Making use of recent international survey data this important book goes some way towards solving this mystery It underlines the remarkable success of Nordic welfare institutions which help to maintain not only low rates of poverty and inequality but high levels of well being trust social capital and political participation Jochen Clasen University of Edinburgh UK Nordic welfare states have long enjoyed a leadership position in the provision of social welfare They are now caught up in the current of thorough going reform that is sweeping across Europe This book uses data from the European Social Survey in fresh and innovative ways to demonstrate the resilience of Nordic models and to show how political discourses are changing across a whole range of policy areas Peter Taylor Gooby University of Kent UK This book addresses the effect that institutional settings typical to the Nordic countries have upon people's attitudes and behaviour Placed within a European comparative perspective the analyses presented by the contributing authors centre around issues relating to the welfare state politics family and work as well as cultural concerns including economic morality and religiosity Despite differences between the Nordic countries the overall impression given is of a shared outlook and way of life In the European context the Nordic countries particularly stand out as a distinct group therefore demonstrating their institutional similarities Providing highly rigorous and up to date data with a wide coverage of topics this book will be of great interest to academics and students in sociology social policy and political science It will also appeal to anyone interested in the Nordic countries in general

The Routledge Handbook of Scandinavian Politics

Peter Nedergaard, Anders Wivel, 2017-08-09 The Routledge Handbook of Scandinavian Politics is a comprehensive overview of Scandinavian politics provided by leading experts in the field and covering the polity the politics and the policy of Scandinavia Coherently structured with a multi level thematic approach it explains and details Scandinavian politics today through a series of cutting edge chapters It will be a key reference point both for advanced level students developing knowledge about the subject as well as researchers producing new material in the area and beyond It brings geographical scope and depth with comparative chapters contributed by experts across the region Methodologically and theoretically pluralistic the handbook is in itself a reflection of the field of political science in Scandinavia and the diversity of the issues covered in the volume The Routledge Handbook of Scandinavian Politics will be an essential reference for scholars students researchers and practitioners interested and working in the fields of Scandinavian politics European politics comparative politics and international relations **World Of Work Report 2008** Academic,
