

THE SOCIAL STRUCTURE OF THE USSR

Recent Soviet Studies

Edited with an Introduction by
Murray Yanowitch

Social Structure Of The U S S R Recent Soviet Studies

Diane P. Koenker

Social Structure Of The U S S R Recent Soviet Studies:

The Social Structure of the USSR Murray Yanowitch, 2016-07-22 This is a study of karayuki san impoverished Japanese women sent abroad to work as prostitutes from the 1860s to the 1920s It follows the life of one prostitute Osaki who is persuaded as a child of ten to accept cleaning work in Borneo and then forced to work as a prostitute in a brothel

The Social Structure of the USSR Murray Yanowitch, 2016 The Social Structure of the USSR Murray Yanowitch, 1986 This is a study of karayuki san impoverished Japanese women sent abroad to work as prostitutes from the 1860s to the 1920s It follows the life of one prostitute Osaki who is persuaded as a child of ten to accept cleaning work in Borneo and then forced to work as a prostitute in a brothel Social Stratification and Mobility in the USSR Murray Yanowitch, Wesley A Fisher, 2019-01-15 This title was first published in 1973 The selections from Soviet sociological literature presented in this volume are significant from at least three standpoints First they reveal the extent to which the issue of social and economic inequality has become a subject for legitimate public discussion in the Soviet Union Second these selections offer the reader a means of appraising the quality of work in what under Soviet conditions is the formative period of a new intellectual discipline Third the selections provide abundant empirical evidence bearing on the forms and degrees of inequality currently found in Soviet society *Politics, Work, and Daily Life in the USSR* James R. Millar, 1987 Politics work and daily life in the USSR is designed to illustrate how the Soviet social system really works and how the Soviet people cope with it This study is based on the first comprehensive survey of life in the USSR since the Harvard Project over thirty three years ago The essays contained analyze the variations in attitude and behaviour reflected in the findings of the Soviet Interview Project a five year investigation of contemporary daily life in the USSR The survey involved interviewing thousands of recent emigrants from the USSR to the United States as a means of learning about their former day to day lives Some aspects of this survey dealt with areas the Soviets themselves had never investigated so the data were not and indeed still are not available even in unpublished Soviet sources This study of a large volume of firsthand observations is extremely valuable to anyone interested in the inner workings and behavioural dynamics of the contemporary Soviet social system Soviet Marxism-Leninism Alfred B. Evans, 1993-10-30 This study examines the development of Marxist Leninist ideology in the U S S R from its origins to the collapse of the Soviet regime Alfred Evans argues that Soviet Marxism Leninism was subject to significant adaptation under various leaders contrary to the widespread impression that official Soviet ideology remained static after Stalin While taking account of scholarly literature on each of the periods covered the work is significant for being based principally on an analysis of primary Soviet sources Evans integrated analysis of changes in ideology during the post Stalin decades is an important contribution to the literature in political science political economy and Soviet studies Soviet Workers and the Collapse of Perestroika Donald Filtzer, 1994-06-09 A comprehensive analysis of the role of labour policy in the development and ultimate collapse of Mikhail Gorbachev s reforms **Rural Inequality in Divided Russia** Stephen Wegren, 2013-07-24

This book examines economic and political polarisation in post Soviet Russia and in particular analyses the development of rural inequality. It discusses how rural inequality has developed in post Soviet Russia and how it differs from the Soviet period and goes on to look at the factors that affect rural stratification and inequality using human and social capital, profession, gender and village location as independent variables. The book uses survey data from rural households and fieldwork in Russia in order to highlight the multiplicity of divisions that act as fault lines in contemporary rural Russia.

Restoration of Class Society in Russia? Jouko Nikula, 2019-07-15. This title was first published in 2002. Advancing the understanding of a transition society, this book presents an in-depth analysis of social structures in modern Russia. Using unique survey data spanning nearly a decade, it describes and analyzes Russia's social development and class formation during the 1990s. Featuring a fascinating critical examination of such areas as social mobility, the structure and nature of labour markets, economic well-being and societal atmosphere, a team of leading international contributors cast a critical eye over the standard ways of understanding post-communist Russia. The result is an impressive and influential work which will make stimulating reading for researchers, academics and practitioners in the fields of Sociology, Politics and Economics as well as Russian specialists.

Social and Economic Inequality in the Soviet Union Murray Yanowitch, 2017-07-28. This title was first published in 1977. The Soviet Union is a socially divided society. The collectivities of which it is composed, whether designated as classes, strata or socio-occupational groups, a term favored in recent Soviet writings on social structure, exhibit systematic differences in incomes and living standards, in control over the organization of the work place, in the educational and occupational opportunities open to their children. But what is new is that the social and economic inequalities which permeate Soviet life have become, within limits of course, accessible to study and discussion by Soviet scholars. The principal public justification for the study of inequality is the Party's need for reliable information to implement its function of scientific management of the relations between the main social groups in Soviet society. This volume is a collection of six studies.

Identities and Politics During the Putin Presidency Philipp Casula, Jeronim Perovic, 2009-11-01. How could an undemocratic regime manage to stabilise Russia? What is Putin's success formula? What are the symbolic and discursive underpinnings of Russia's new stability? Many outside observers of Russia regarded the authoritarian tendencies during the Putin presidency as a retreat from or even the end of democratization. Rather than attempting to explain why Russia did not follow the trajectory of democratic transformation, this book aims to attain an understanding of the stabilization process during Putin's tenure as president. Proceeding from the assumption that the stability created under Putin is multi-layered, the authors attempt to uncover the underpinnings of the new equilibrium, inquiring especially about the changes and fixations that occurred in the discourses on political and national identity. In doing so, the authors analyse the trajectories of the past years from the traditional perspective of transitology as well as through the lens of post-structuralist discourse theory. The two approaches are seen as complementary, with the latter focusing less on the end point of transition.

than on the nature of the mechanisms that stabilize the current regime The book focuses on how nationalism became an increasingly important tool in political discourse and how it affected political identity Sovereign democracy is seen by many contributors as the most explicit manifestation of a newfound post Soviet identity drawing on nationalist ideas while simultaneously appeasing most sectors of the Russian political spectrum

Towards a Normal Stratification Order Ellu Saar, 2011 From a historical perspective the period between the fall of the Berlin Wall 1989 until the Wall Street crash of 2008 was brief but the social changes were far reaching and resulted in the profound alteration of institutional frameworks of post socialist societies in Central and East European countries e g Estonia This book examines the transformation of Estonian society concentrating on changes in the stratification order The re distribution of the risks and opportunities between different groups in Estonian society the most neoliberal in the European Union and the perceptions about fairness of the most radical changes in post socialist world are the main issues of this volume

Bibliography of European Economic and Social History Derek Howard Aldcroft, Richard Rodger, 1993 This bibliographical guide contains 10 000 references to the economic and social history of 30 European countries during the period 1700 1939 More than 3000 periodicals have been consulted to obtain references as well as books edited collections and conference proceedings The information is listed in categories such as industry agriculture finance migration labour conditions urban communities and organizations Full publication details are included so that references may be located easily

The Kalamari Union: Middle Class in East and West Markku Kivinen, 2019-05-23 First published in 1998 this volume asks are new social classes in the making in eastern Europe Are class issues withering away How do different classes organize their lives what kind of strategies do they adopt in East and West Markku Kivinen brings Eastern Europe into the class debate Recent sociological discussions have touched upon questions of class in Eastern Europe only very provisionally On the other hand old analyses of social stratification under conditions of actually existed socialism are no longer relevant in the current situation This book analyses processes of class relations in Eastern Europe from new theoretical vantage points using up to date empirical data Under socialism power was said to be vested in the working class However there was a constant tension between the holy proletariat and the real life of the working class Today all political forces in Eastern Europe leftist and liberal alike are hankering for the middle class This book explores the real processes in both East and West This leads to more concrete political and even moral issues The new sacred middle class is challenged The contributors adopt several conceptual approaches and perspectives which enter into a fruitful exchange in this book

The Shadow of War Stephen Lovell, 2011-06-24 Taking the achievements ambiguities and legacies of World War II as a point of departure The Shadow of War The Soviet Union and Russia 1941 to the Present offers a fresh new approach to modern Soviet and Russian history Presents one of the only histories of the Soviet Union and Russia that begins with World War II and goes beyond the Soviet collapse through to the early twenty first century Innovative thematic arrangement and approach allows for insights that are

missed in chronological histories Draws on a wide range of sources and the very latest research on post Soviet history a rapidly developing field Supported by further reading bibliography maps and illustrations

Russian Studies and Comparative Politics Frederic J. Flerns Jr., 2016-12-27 This book brings together several of the author's empirical studies that demonstrate the strength and utility of sociologist Robert Merton's classic middle range theory for understanding aspects of both Soviet and post Soviet Russian politics Some of those studies demonstrate that testing middle range social science theory could take place even in the Soviet era when there were significant limitations of access to empirical data and meaningful field research in the USSR was all but impossible In the introductory chapter the author explains the need for and advantages of studying Russian and Soviet politics from the perspective of middle range social science theory Then follow three chapters analyzing methodological issues in Soviet post Soviet studies The author presents his six empirical studies employing middle range social science theories to explore in Russia USSR dimensions of organizations ideology and decisionmaking technology transfer and cultural diffusion political culture public opinion and democratization and congruence of authority patterns in state society relations The book concludes with a chapter arguing the advantages of thinking theoretically about Russian and Soviet politics with the establishment of a new epistemic community organized around studies employing middle range theory This book presents examples of solutions to long standing debates between area studies and the academic disciplines and between idiographic and nomothetic approaches to knowledge in the social sciences In contrast to the tradition of Carnivals and Cockfights in Russian Soviet area studies since the mid 20th Century the book offers a new way of approaching the study of Russian politics for the 21st Century

Hearings, Reports and Prints of the Joint Economic Committee United States. Congress. Joint Economic Committee, 1974

Post-communist Studies And Political Science Jr. Flerns, Erik P Hoffmann, 2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it was understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism

Work and Welfare in the New Russia Nick Manning, Ovesy Shkaratan, 2018-05-08 This title was first published in 2000 The UNDP announced on 29th July 1999 that A human crisis of monumental proportions is emerging in the former Soviet Union This book reports on the crisis through original and detailed data made possible by the changes that have taken place in Russia in the 1990s Based on an EU and ODA funded project it examines in depth the patterns of

contemporary unemployment and poverty the origins of Russian social policies and their aims implementation and effects up to 2000 The conclusion situates the findings within a discussion of the future of the Russian welfare state and the policy choices alternatives and consequences emerging in the context of current social conflicts The Rebirth of Politics in Russia
Michael E. Urban, Vyacheslav Igrunov, 1997-03-28 Blending first hand accounts of grassroots politics with an original theory of social relations under communism this 1997 book seeks to explain one of the seminal events of this century the rebirth of politics in Russia amid the collapse of the USSR The authors trace the process from the pre political period of dissident activity through perestroika and the appearance of political groups and publications elections the formation of political parties and mass movements counter revolution and coup d tat the victory of democratic forces and the organization of a Russian state to the struggle of power in the post communist epoch the violent end of the first republic and the contentious relations engulfing its successor By focusing on the popular forces which accomplished Russia s political rebirth rather than the reforms of the Soviet establishment this book offers an original perspective on this critical period

Social Structure Of The U S S R Recent Soviet Studies Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such is the essence of the book **Social Structure Of The U S S R Recent Soviet Studies**, a literary masterpiece that delves deep in to the significance of words and their affect our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book is key themes, examine its writing style, and analyze its overall impact on readers.

Social Structure Of The U S S R Recent Soviet Studies Introduction

In today's digital age, the availability of Social Structure Of The U S S R Recent Soviet Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Structure Of The U S S R Recent Soviet Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Structure Of The U S S R Recent Soviet Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Structure Of The U S S R Recent Soviet Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Structure Of The U S S R Recent Soviet Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Structure Of The U S S R Recent Soviet Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Structure Of The U S S R Recent Soviet Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Structure Of The U S S R Recent Soviet Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Structure Of The U S S R Recent Soviet Studies books and manuals for download and embark on your journey of knowledge?

FAQs About Social Structure Of The U S S R Recent Soviet Studies Books

1. Where can I buy Social Structure Of The U S S R Recent Soviet Studies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
