Social Work as Community Development Stephen Clarke, 2018-02-06 This title was first published in 2000 The second edition of Social Work as Community Development is thoroughly revised and updated taking into account lessons from community development and international experiences applicable in developed economies The application of system theory to the problems of managing change is the core theme The book will be essential reading for the UK DipSW MScEcon in Applied Social Studies and MScEcon in Community Care Studies as well as for students of community development and social work in the USA Asia and Australia It will also be useful for practitioners and policy makers across social work social welfare and social policy

Community Organization and Development Steve Clarke, 2017-03-23 This book traces the development of community development organization as it evolved separately in Britain and the United States and how the social and political situations in each country determined the various shapes and directions it took In presenting a comprehensive history of the subject Community Organization and Development draws on local and international factors that have helped to shape its application and fortunes across varied settings Recent economic and social pressures the changing demographics of developed economies and the rise of social and cultural diversity all contribute to the need for a comprehensive model that can be deployed to effect the necessary social changes required for sustained change with stability The history of this intervention technique throws up many examples from which insight can be gained for the present time and Wales is used as an example of how national policy and local development could be combined for maximum effect Community development should become reliable and quantifiable and the comprehensive model developed here demonstrates how and when it should be deployed

Community Organisation Management for Community Development Mr. Rohit Manglik, 2023-12-23 In this book we will study about community mobilization leadership and strategies for sustainable community development

Decolonizing Social Work Dr Tiani Hetherington, Professor John Coates, Professor Mel Gray, Professor Michael Yellow Bird, 2013-07-28 Riding on the success of Indigenous Social Work Around the World this book provides case studies to further scholarship on decolonization a major analytical and activist paradigm among many of the world's Indigenous Peoples including educators tribal leaders activists scholars politicians and citizens at the grassroots level Decolonization seeks to weaken the effects of colonialism and create opportunities to promote traditional practices in contemporary settings Establishing language and cultural programs honouring land claims teaching Indigenous history science and ways of knowing self esteem programs celebrating ceremonies restoring traditional parenting approaches tribal rites of passage traditional foods and helping and healing using tribal approaches are central to decolonization These insights are brought to the arena of international social work still dominated by western based approaches Decolonization draws attention to the effects of globalization and the universalization of education methods of practice and international development that fail to embrace and recognize local knowledges and methods In this volume

Indigenous and non Indigenous social work scholars examine local cultures beliefs values and practices as central to decolonization Supported by a growing interest in spirituality and ecological awareness in international social work they interrogate trends issues and debates in Indigenous social work theory practice methods and education models including a section on Indigenous research approaches The diversity of perspectives decolonizing methodologies and the shared struggle to provide effective professional social work interventions is reflected in the international nature of the subject matter and in the mix of contributors who write from their contexts in different countries and cultures including Australia Canada Cuba Japan Jordan Mexico New Zealand South Africa and the USA

Social Work in Northern Ireland Heenan, Deirdre, Birrell, Derek, 2011-03-23 Over the past 40 years social work in Northern Ireland has been responsive to a number of changing contexts and environments Throughout the Troubles social workers had to develop methods of ensuring services were delivered in spite of the surrounding violence and civil disturbance At the same time they developed imaginative and creative new services in response to needs and demands This book outlines the historical development of social work in Northern Ireland looking at what has been achieved and analyzing the challenges for the future It considers the role of social work in a society emerging from conflict facing demographic technological and economic changes Social work in Northern Ireland has been dismissed by policy makers and academics as unique special or different and therefore not worthy of attention This book demonstrates that international audiences have much to learn from the social work response to a changing political landscape

Understanding Care, Welfare and Community Vivien Bacigalupo, Joanna Bornat, Bill Bytheway, Julia Johnson, Susan Spurr, 2005-07-08 Care welfare and community are three key concepts in contemporary social policy This reader covers a wide range of topics associated with them and relevant to the delivery of care and support to adults It includes a wide ranging collection of articles by leading writers and researchers some previously published some newly commissioned It also has first hand accounts by users and providers of care and welfare in the community Groups covered include people with mental health problems homeless people older people people with learning difficulties and people with impairments The focus throughout is on how policies and practice can be developed appropriately and sensitively through an understanding of current issues The 40 chapters are grouped into four sections each with an introduction Five of the chapters are made up of extracts from a wide range of documents and testimonies Power and inequality Difference and identity Rights and risk Territories and boundaries Most of the material relates to a diverse turn of the century Britain but this is set in a wider context enabling the student to explore the alternative realities of other countries and other times *Understanding Care Welfare and Community* provides an integrated multidisciplinary overview of the many different aspects of community care It is appropriate for students and professionals following a wide range of courses in social work nursing care health social policy medicine voluntary work and welfare services It will also be a valuable resource for carers and practitioners teachers and policy makers

The Social Construction of Community Care Anthea Symonds, Anne

Kelly,1998-11-11 This book represents a new development in the discussion of community care policies with its integrated approach addressed to both community nurses and social workers It includes contributions from practitioners in both fields as well as lecturers and researchers in sociology and social policy The overall theme of the book is the concept of community as a social and cultural construction The authors begin with an account of the historical construction of community care followed by explorations of the actual practice of the delivery of care and of the needs of particular groups within the community Social Work as Community Development Stephen J. G. Clarke,1996 *Navigating Human Services Organizations* Rich Furman,Margaret Gibelman,Ren Winnett,2020 It has been 17 years since the first edition of Navigating Human Service Organizations Navigating was published and about twenty years since the Margaret Gibelman began working on a unique and engaging textbook that has been used in many dozens of classrooms I did not participate in the initial writing of the book I joined the project later Yet shortly after it was released I reviewed it for possible adoption for a practice class so can semi dispassionately reflect upon the initial notes I made about the latest book of the director of the doctoral program from which I graduated *Navigating Human Service Organizations* Rich Furman,Margaret Gibelman,Ren Winnett,2020-07-31 Since its very inception social work has been considered an organizationally based profession with the majority of its workforce employed within formal organizations Whether in nonprofit for profit or governmental agencies the practical realities of human service organizations are a central element of professional social work This book explores the climate and culture of these agencies and provides essential information for surviving and thriving in this setting It prepares students for their future careers so that they will feel empowered in their work and be able to fulfill their responsibilities toward organizational community and social change Using real life examples the authors examine the internal structures of management financing and supervision and discuss common conflicts between agencies and professionals The book s straightforward tone and practical advice make it an asset to anyone entering human service organizations **The Handbook of Social Work and Social Development in Africa** Mel Gray,2016-10-26 All recent books on international social work mention Africa only briefly and few engage with the broader field of development studies This book focuses solely on the unique African context engaging with issues relating to social work and development more broadly thus enabling a deeper examination and more complex and nuanced picture to emerge Unlike most academic works this book highlights multiple practitioner voices with authors or co authors that have recently been or are currently practising social workers As an edited book it draws from both academic research as well as lived practice experience supported by strong theoretical positioning and guidance in introductory chapters drawing on African literature wherever possible Looking at case studies from Lesotho Botswana Kenya Zimbabwe Ethiopia Namibia Uganda Nigeria Kenya South Africa Rwanda Zambia and Tanzania and covering established areas of practice such as child protection working with older people working with people with disabilities mental health and mainstream services targeting women as well as emerging areas of developmental social

work practice such as humanitarian assistance in post conflict situations work with immigrants and refugees and the training of community based workers this book takes a future oriented perspective that aims to move beyond well worn critiques to envision constructive and sustainable futures for social work and social development in Africa from a critical perspective

Community Practice David A. Hardcastle, Patricia R. Powers, Stanley Wenocur, 2004 *Community Practice* is a comprehensive resource for social workers and students eager to learn how to practice effectively in complex systems and diverse communities In this completely revised edition of the definitive text in the field the authors have thoroughly updated each chapter and added two entirely new chapters on community building and community organizing New material on topics such as negotiation and mediation community advocacy participatory rural appraisal the narrative approach to social change community involvement representative client boards and the latest in grassroots endeavors make this text as inspiring as it is practical Drawing upon the wealth of information available from local organizations the Internet newspapers and academic journals the authors introduce contemporary experiments and analyze classic modes of community practice and change The content exercises and references offer instructors the flexibility necessary to tailor their courses to undergraduate graduate and doctoral level students This new edition will continue to provide a comprehensive and integrated overview of the theory and skills fundamental to all areas of social work practice Broad in scope it offers students as well as practitioners the tools necessary to promote the welfare of individuals and communities
