MARY K. RODWELL

Social Work Constructivist Research

Mel Gray,Debbie Plath,Stephen Webb

Social Work Constructivist Research:

Social Work, Constructivist Research Mary K. Rodwell, 1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company Social Work, Constructivist Research Mary K. Rodwell, 1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company *Social Work Constructivist Research* Mary Katherine O'Connor, 2015-12-22 This is the first textbook to offer a clear concise articulation of the dimensions of constructivism relevant to social work practice and research Professor Rodwell recognizes the need to systematize a process of knowledge building and presents specific techniques to accomplish that while maintaining an interpretative stance with the focus on meaning Social work students will see that their basic way of engaging clients in an assessment and problem solving process is very much in keeping with constructivist research practice In addition to delineating the philosophical assumptions of constructivism this very practical text is geared to classroom use with chapters on research design rigor data collection data analysis research oversight and presentation of results Social Work Constructivist Research is divided into four sections that together should give the reader the intellectual and practical background necessary to understand and undertake rigorous constructivist inquiry The structure of this textbook is intended to provide the reader with sufficient information to competently confront all the design implementation and reporting elements of a constructivist inquiry process At the completion of all sections readers will know how the assumptions of constructivism differ from mainstream research primarily characterized by positivism or post positivism Readers will know how rigor expectations for research methods derived from different assumptions also differ They will know how to determine the feasibility of undertaking a constructivist inquiry when and where it is possible manage an emergent design and establish the trustworthiness and authenticity dimensions of a rigorous research effort For those interested in constructivist research and its relevancy to social work this book will prove to be a necessary resource **Qualitative Research in Social Work** Anne E. Fortune, William J. Reid, Robert L. Miller, Jr., 2013-05-21 In this volume progressive experts survey recent trends in qualitative study which relies on small sample groups and interview data to better represent the context and complexity of social work practice Chapters address different approaches to qualitative inquiry applications to essential areas of research and practice integration of qualitative and quantitative methods and epistemological issues This second edition brings even greater depth and relevance to social work qualitative research including new material that tackles traditional research concerns such as data quality ethics and epistemological stances and updated techniques in data collection and analysis To increase the usefulness for students and researchers the editors have reorganized the text to present basic principles first and then their applications and they have increased their focus on ethics values and theory New and revised illustrative studies highlight more than ever the connection between effective research and improved social functioning among individuals and groups The collection continues to feature scholars and practitioners who have shaped the social work research practice canon for more than

twenty years while also adding the innovative work of up and coming talent Constructing Social Work Practices Arja Jokinen,2018-12-17 First published in 1999 Jokinen Juhila and Poso comprises both theoretical reflexive articles and articles based on empirical social constructionist studies It provokes new ways of looking at social work practices as interpretative and interactive processes In addition to this theoretical and methodological contribution the volume provides empirically based material on the practical implications of an alliance between social work and social constructionism *Social Work Research Methods* Teresa Morris,2006-01-13 This is the first book to expand social work research methods to include alternative models and integrate these methodologies into general social work practice Morris also describes research methods for post positivism critical theory and constructivism in a straightforward and accessible style Qualitative Research Skills for Social Work Malcolm Carey,2017-03-02 Malcolm Carey provides social work students academics and practitioners with a practical guide to completion of a small scale qualitative research project or dissertation This clear text takes the reader through the process of beginning and developing a research problem or question defining their objectives and undertaking empirical or literature based research that involves data collection analysis writing up and dissemination The book also highlights and details potential obstacles essential techniques and methods types of theory and methodology used and presents case studies and ongoing debates involved in qualitative social work research It suggests ways by which sometimes difficult processes such as the literature review interviews with practitioners etc can be made easier to complete and explores traditional methods such as the focus group or interview alongside less conventional methodologies such as participative narrative discourse or ICT related approaches Recent investigation has highlighted the lack of research skills held by many social workers in practice This book overcomes these problems by providing an essential and easily accessible guidebook to qualitative research methods for social work students and practitioners as well as being of interest to tutors who teach research methods to social work students or supervise dissertations **Evidence-Based Practice in Clinical Social Work** James W. Drisko,Melissa D. Grady,2019-06-14 The second edition of Evidence Based Practice in Clinical Social Work continues to bridge the gap between social work research and clinical practice presenting EBP as both an effective approach to social work and a broader social movement Building on the models and insights outlined in the first edition this new edition provides updated research and additional case studies addressing relevant issues such as trauma treatment and opioid dependence Drawing on their multidisciplinary experience as practitioners researchers and educators the authors guide readers through the steps of the EBP decision making process in assessment treatment planning and evaluation The book places special emphasis on balancing clinical expertise research results and client needs and analyzes both the strengths and limitations of the EBP model in order to give readers a more complete idea of how the method will shape their own practice In addition this practice building reference Introduces core principles of EBP and details its processes in social work Features guidelines for engaging clients in EBP and transmitting research findings Offers a range of case examples

demonstrating EBP with diverse clients Addresses education and supervision issues and related controversies Includes an expanded glossary and valuable resources for use in evidence based practice Evidence Based Practice in Clinical Social Work is a practical resource for clinical social work professionals and educators that broadens the field and expands the healing possibilities for the profession **Relational Social Work Practice with Diverse Populations** Judith B.

Rosenberger,2013-06-25 Social work and relational theory have long been clinical comrades given their shared goals and ideals This close fit continues to be productive as client populations and their needs grow more diverse Clinical Social Work Practice with Diverse Populations sorts through vital matters of race ethnicity sexuality religion and social status and addresses groups and issues often seen in practice but rarely encountered in print with a profound understanding of the healing power of relational based treatment Case examples illustrate all stages of social work process offering practice guidelines for working with members of diverse groups while emphasizing the uniqueness of every therapeutic dyad The coverage recognizes the multiple relationships that comprise individuals lives as well as the individuality that co exists within group identity And the contributors carefully show readers how to check themselves for biases and us versus them thinking and how to develop confidence along with clinical skills Included in this first of its kind text Practice technique and research support for relational therapy Whiteness Deconstruction of a practice paradox Racial and ethnic diversity including African American Latino Asian American and Asian Indian clients Religious diversity evangelical Christians Muslim and Orthodox Jewish clients Diversity of sexual identity LGBT clients Diversity of life altering experiences combat veterans reentry from incarceration homelessness Plus background chapters providing a framework for applying relational theory to social work Bridging the knowledge gaps between the diversity literature and the practical literature Relational Social Work Practice with Diverse Populations supplies clinical social work professionals educators and counselors with tools and concepts for effective efficient practice **The Practice of Research in Social Work** Rafael J. Engel,Russell K. Schutt,2016-01-27 The

Fourth Edition of Rafael J Engel and Russell K Schutt s The Practice of Research in Social Work introduces an integrated set of techniques for evaluating research and practice problems as well as conducting studies Evidence based practice comes alive through illustrations of actual social work research Updated with new examples the latest research and expanded material on technology and qualitative methods this popular text helps readers achieve the 2015 EPAS core competencies essential for social work practice *Evidence-based Social Work* Mel Gray,Debbie Plath,Stephen Webb,2009-05-08 This book provides a critical analysis of evidence based practice in social work It introduces readers to the fast changing research policy legislative and practice context and illuminates how adopting the methodology and language of evidence based practice fundamentally alters the conditions under which social work takes place *Doing Qualitative Research in Social Work* Ian Shaw,Sally Holland,2014-04-15 Bringing key developments and debates together in a single volume this book provides an authoritative guide for students and practitioners embarking on qualitative research in social work and related

fields Frequently illustrated with contemporary and classic case examples from the authors own empirical research and from international published work and with self directed learning tasks the book provides insight into the difficulties and complexities of carrying out research as well as sharing success stories from the field Shaw and Holland have long experience of writing for practitioners and students and in making complex concepts accessible and readable making this an ideal text for those engaging in qualitative social work research at any level Ian Shaw is a Professor of Social Work at the University of York and at the University of Aalborg Sally Holland is a Reader in Social Work at the School of Social Sciences in Cardiff University

Science and Social Work Stuart A. Kirk, William James Reid, 2002 Historically there have been two main approaches to the proper role and function of science in social work This work presents a balanced appraisal demonstrating how the fruits of scientific research can aid clinical practice

Encyclopedia of Canadian Social Work Francis J. Turner, 2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide

Fundamentals of Social Work Research Rafael J. Engel, Russell K. Schutt, 2014-01-14 Designed to help students develop skills in evaluating research and conducting studies this brief version of Rafael J Engel and Russell K Schutt s popular *The Practice of Research in Social Work* makes principles of evidence based practice come alive through illustrations of actual social work research With integration of the CSWE Competencies the text addresses issues and concerns common to the discipline and encourages students to address diversity and ethics when planning and evaluating research studies The Second Edition includes a focus on qualitative research a new chapter on research ethics new sections on mixed methods research and community based participatory research and more

Social Work Jan Fook, 2012-04-05 Social work is a human profession founded on social justice It is difficult however to negotiate this in the constantly changing context of the twenty first century Now in it s Second Edition this book considers the critical tradition of social work and updates it with postmodern thinking Jan Fook draws on critical reflection to help social workers deliver flexible responsible and responsive practice and to celebrate the ageless ideals of the profession Jan Fook draws on her own experiences to relate theoretical ideas to real life Summaries exercises and further reading are also included in each chapter

Methodologies and Ethics for Social Sciences Research Demircioğlu, Aytekin, 2024-01-16 Ethics the moral compass guiding our actions stands at the core of academic integrity In the field of social sciences research ethical violations persist as a silent threat overshadowing the pursuit of knowledge Uncovering the pervasive challenges Methodologies and Ethics for Social Sciences Research boldly addresses the often overlooked ethical breaches within scientific research From plagiarism to the distortion of data the book meticulously dissects common ethical pitfalls emphasizing their significance in maintaining the credibility and trustworthiness of research outcomes Recognizing the global nature of academic endeavors the book sheds light on the cultural factors influencing ethical considerations fostering a collective awareness among scholars Methodologies and Ethics for Social Sciences Research transcends geographical

Social Work Constructivist Research Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work Constructivist Research has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work Constructivist Research has opened up a world of possibilities. Downloading Social Work Constructivist Research provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work Constructivist Research has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work Constructivist Research. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work Constructivist Research. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work Constructivist Research, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work Constructivist Research has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Work Constructivist Research Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Work Constructivist Research is one of the best book in our library for free trial.
