Social Crisis Preaching:

Social Crisis Preaching Tyshawn Gardner, 2023-02-01 This book provides a theology for social crisis preaching by arguing that Christian proclamation is the best prescription for the social crises in our world Social Crisis Preaching positions the pastor as a sacred anthropologist one who is aware of both the crises in one's community but also as one who has a firm understanding of the people in the pews It also equips the preacher with both the hermeneutical and homiletical tools to confront social crisis with biblical integrity Lastly this book argues that social crisis preaching develops Christians disciples and congregations as those who care about and confront the social crisis in their neighbor's community following the biblical mandate to love your neighbor as yourself **Social Crisis Preaching** Kelly Miller Smith, 2000-09 **Social Crisis**

Preaching Kelly Miller Smith, 1984 Sacred Anthropology Tyshawn Gardner, 2022-10-25 Pastors are often ill equipped in preparing churches to be sacred advocates and activists in the communities most affected by social injustice and neglect Sacred Anthropology aims to inform and equip pastors in discipling the body of Christ to effect social transformation in times of social crisis Tyshawn Gardner envisions the pastor as a sacred anthropologist as one who understands the cultures of other image bearers for the sake of promoting the justice of God in the world As a pastoral mandate the sacred anthropologist challenges churches to be engaged in the political and social transformation of their community The social anthropologist employs both secular and theological tools for an effective contextualized ministry This book posits prophetic radicalism as a pastoral theology and the pastoral office as the center of prophetic radicalism yet it does not limit prophetic radicalism to the pastoral office Sacred Anthropology is written with pastors and parishioners from any ethnic group in mind but draws heavily on the prophetic pastoral and preaching tradition of African American pastors and churches Using this foundation and tradition sacred anthropologists can lead their congregations in a way that challenges them to be involved engaged and transformative A History of Preaching Volume 1 Rev. The Preacher King Richard Lischer, 2020 The Preacher King investigates Martin Luther King Jr's religious development from a precocious preacher's kid in segregated Atlanta to the most influential American preacher and orator of the twentieth century To give the most accurate and intimate portrait possible Richard Lischer draws almost exclusively on King's unpublished sermons and speeches as well as tape recordings personal interviews and even police surveillance reports By returning to the raw sources Lischer recaptures King's truest preaching voice and consequently something of the real King himself He shows how as the son grandson and great grandson of preachers King early on absorbed the poetic cadences traditions and power of the pulpit more profoundly influenced by his fellow African American preachers than by Gandhi and the classical philosophers Lischer also reveals a later phase of King's development that few of his biographers or critics have addressed the prophetic rage with which he condemned American religious and political hypocrisy During the last three years of his life Lischer shows King accused his country of genocide warned of long hot summers in the ghettos and called for a radical redistribution of wealth 25 years after its initial publication The Preacher King remains a critical study that captures the crucial aspect of Martin Luther King Jr's identity Human complex and passionate King was the consummate American preacher who never quit trying to reshape the moral and political character of the nation

Down Deep in My Soul Nutt, Maurice J., CSsR, 2023-03-02 A comprehensive treatment of preaching in the Black Catholic tradition

The Divided Mind of the Black Church Raphael G Warnock, 2023-11-21 An altar call to action from the U S senator and senior pastor at Atlanta's Ebenezer Baptist Church Publishers Weekly What is the true nature and mission of the church Is its proper Christian purpose to save souls or to transform the social order This question is especially fraught when the church is one built by an enslaved people and formed from its beginning at the center of an oppressed community's fight for personhood and freedom Such is the central tension in the identity and mission of the Black church in the United States For decades the Black church and Black theology have held each other at arm's length Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression arguing that Jesus urged his disciples to seek the freedom of all peoples Meanwhile the Black church even when focused on social concerns has often emphasized personal piety rather than social protest With the rising influence of white

evangelicalism biblical fundamentalism and the prosperity gospel the divide has become even more pronounced This book traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church Calling for honest dialogue between Black and womanist theologians and Black pastors this fresh theological treatment demands a new look at the church s essential mission An informative work for historians theologians and humanities scholars interested in debating what the Black Church needs to be doing in the 21st century Journal of African American History As a person who is not Black reading this book provided a learning experience for me I could also see this book serving as a way to spark discussion involving all ethnic groups as to how we can all as fellow Christians blend the goals of saving lost people and moving the culture toward equality for everyone Ministry Well written and meticulously researched The Christian Century
