The Cambridge Handbook of Social Sciences in Australia Ian McAllister, Steve Dowrick, Riaz Hassan, 2003-08-07 First published in 2003 The Cambridge Handbook of Social Sciences in Australia is a high quality reference on significant research in Australian social sciences The book is divided into three main sections covering the central areas of the social sciences economics political science and sociology Each section examines the significant research in the field placing it within the context of broader debates about the nature of the social sciences and the ways in which institutional changes have shaped how they are defined taught and researched **Australian Sociology** K. Harley, G. Wickham, 2014-07-22 Battered and bruised by injuries often self inflicted sustained in the first half of the twentieth century since 1950 sociology in Australia has fought its way back into the academic mainstream This has not been easy its fortunes seem forever mixed good in some places and dismal in others But it has proved itself resilient it is a survivor **Sociology of Religion for**

Generations X and Y Adam Possamai, 2016-04-08 Generations X and Y are plugged into the contemporary world of consumption popular culture and the internet These generations treat knowledge and belief as a more flexible concept often focusing on the practical rather than the theoretical and often drawing on conflicting sources in both popular and cyber culture Their approach to religious belief and practice requires a new way of studying the sociology of religion Sociology of Religion for Generations X and Y examines key world religions Buddhism Christianity and Islam as well as newer religious groups such as Scientology New Age Witchcraft and online communities such as Jediism and Matrixism The book covers a

range of key concepts secularisation and modernisation re enchantment the McDonaldisation of society and the easternisation of the west Each chapter opens with a case study from popular culture or the internet which takes the reader to the heart of the topic being discussed Employing both classical sociological theory and contemporary critical theory Sociology of Religion for Generations X and Y explains where contemporary religion and spirituality are coming from where they are now and where they are going

Public Sociology John Germov, Marilyn Poole, 2020-07-22 From the future of work to the nature of our closest relationships how do we understand the links between our personal troubles and wider public issues in society today Now into its fourth edition Public Sociology continues to highlight the relevance of a grounded sociological perspective to Australian social life as well as encouraging students to apply a sociological gaze to their own lives and the communities in which they live Public Sociology presents a wide range of topics in a user friendly and accessible way introducing key theories and research methods and exploring core themes including youth families and intimate relationships class and inequality and race and ethnic relations All chapters have been extensively revised to bring them up to date in a fast changing social world reflecting the latest sociological debates in response to changing lifestyles and evolving political landscapes In addition to updated statistics and research findings an expanded glossary and the latest citations to the scholarly literature the text features a completely new chapter on gender and sexualities with expanded discussion of LGBTIQ This new edition also explores contemporary issues ranging from the MeToo movement to marriage equality fake news and alt facts This is the essential sociological reference to help students make sense of a complex and challenging world

NEW TO THE FOURTH EDITION A new chapter on gender and sexualities and expanded discussion of intersectionality Exploration of the latest social issues including MeToo rising inequality and the post truth age All chapters thoroughly revised and updated with the latest research Updated book website with extra readings YouTube clips and case studies A new feature Visual Sociology helps the reader analyse the power of visual messaging With a firm base in the richest traditions of the discipline and with a remarkably approachable format this book offers an excellent introduction to a wide array of sociology s concerns making it suitable for all Australian social science undergraduates Gary Wickham Emeritus Professor of Sociology Murdoch University A sophisticated yet accessible introduction to social identities differences and inequalities and social transformations Jo Lindsay Professor in Sociology Monash University Sweeping and lucid communicates with ease and simplicity Toni Makkai Emeritus Professor College of Arts and Social Sciences Australian National University

Understanding Violence and Abuse Heather Fraser, Kate Seymour, 2020-07-10T00:00:00Z In Understanding Violence and Abuse Heather Fraser and Kate Seymour examine violence and abuse from an anti oppressive practice perspective and make connections between interpersonal violence and structural institutional and cultural violence Using case studies from Canada the U K the U S Australia Bangladesh India and elsewhere the authors discuss topics ranging from class oppression street violence white privilege war shame Islamophobia and abuse in intimate relationships as

well as introduce the core tenets of anti oppressive social work practice They encourage readers to reflect upon hierarchies of identity and difference in relation to the ways in which violence and abuse are defined understood and addressed Further they discuss several responses to violence using an anti oppressive framework *Challenging Global Inequality* Alastair Greig, David Hulme, Mark Turner, 2007-01-16 This major introductory text written by 3 leading names in the field provides an accessible overview of the challenges faced in overcoming global poverty and inequality in the 21st century Through an in depth assessment of development theory and practice the authors set out to advance two key arguments the first being the importance of historically contextualizing contemporary developmental problems in order to assess policy proposals and the second that inequality matters and how this notion has continually remained a central feature of development debates from colonial times to present day Ideal for undergraduate students taking development modules as part of political science and international relations degrees this engaging text proves to be essential reading when exploring the impacts of development on today s international political economy With each chapter covering inequalities from all different angles the authors clearly outline the impact of models such as globalization and neoliberalism as well as offering alternative views on the challenges posed by the UN s Millennium Development Goals Also available is a companion website with extra features to accompany the text please take a look by clicking below <https://hepalgrave.com/companion/Greig/ChallengingGlobalInequality>

Volunteer Tourism Stephen Wearing, 2001-01-01 Volunteer tourism describes a field of tourism in which travelers visit a destination and take part in projects in the local community Projects are commonly nature based people based or involve restoration of buildings and artifacts e g restoration of a Buddhist temple in Mongolia *Islamic Revivalism* Jan A. Ali, 2012-06 Contemporary Islamic revivalism is a multi dimensional and multi faceted phenomenon This book explores this phenomenon through an ethnographic study of the world s largest Islamic revivalist movement the Tabligh Jama at Convey message of Islam Group The basic contention of the book is that contemporary Islamic revivalism is a defensive reaction to the crisis of modernity yet it is neither anti modernity nor does it seek modernity s destruction Rather it highlights that Muslims are in a crisis They face the threat of losing their faith and identity in modernity because according to the revivalist Muslims the true Islamic practice no longer constitutes the foundation of everyday Muslim living To preclude this from reaching a point of no return Islamic revivalist movements like the Tabligh Jama at are engaged in encouraging Muslims to return to the true teachings of Islam and restoring the Islamic glory that once was the envy of the world This volume highlights the veritable sectarian intensity with which Tablighis undertake this restorative work

Virtual Globalization David Holmes, 2002-11 This book examines the interrelationship between telecommunications and tourism in shaping the nature of space place and the urban at the end of the twentieth century They discuss how these agents are instrumental in the production of homogenous world spaces and how these in turn presuppose new kinds of political and cultural identity This work will be of essential interest to scholars and students in the fields of sociology geography cultural

studies and media studies Struggles for Subjectivity Kevin McDonald,1999-10-28 This book first published in 2000 examines the urgent social and cultural questions faced by young people Sociology Australia Judith Bessant,2020-07-16 Sociology gives us the tools we need to understand our life and the lives of the people around us It reveals that our commonsense view of the world isn't always right and enables us to find out what actually shapes our experiences In this widely used and very readable introductory text Judith Bessant and Rob Watts show us how to develop a sociological perspective on what is happening in Australia today Rapid and far reaching social changes are taking place which affect us all globalisation is impacting on our economy and culture technological developments increase the pace of life and many people worry about the decline of traditional values and about environmental and personal security Using a sociological perspective we can explain why different groups of people experience these changes as exciting unsettling or devastating Sociology Australia is structured around six key questions What is sociology Who are we and how do we come to be who we are How do we know the world in which we live Can we make our lives as we want them Who makes the decisions that shape our society What changes are taking place in Australia today Sociology Australia is an ideal introduction to the discipline of sociology and to the dynamics of Australian society today This third edition of Sociology Australia has been substantially revised and updated and includes new chapters on religion education and sustainability **Addressing Violence, Abuse and Oppression** Barbara Fawcett,Fran Waugh,2013-07-04 This book provides a broad overview of violence in relation to a range of groups and areas that social workers and human service professionals work with men women children mental health youth older people the workplace disability sexuality and rural communities **Practical and Political Approaches to Recontextualizing Social Work** Boulet, Jacques,Hawkins, Linette,2021-02-19 Currently there is an enduring and changing meaning of social work in a world where new crises are being confronted and new opportunities are arriving in the evolving context of social work and the related disciplines There is a question on how to manage the transformation of social work both productively and creatively during this global shift Practitioners and educators can experience a tragic disorientation when confronted by the diversity and depth of these crises endured and can face doubts about their role in social work throughout all these changes and difficult situations Alternatives to this disorientation a comfort with uncertainty and a capability to take risks need to urgently be developed on a professional and personal level for success in the evolving field Through historical lens and a review of policies and value based approaches the recontextualization of social work can be explored Practical and Political Approaches to Recontextualizing Social Work explores practical and political ways in which social work practice has been reconstructed Chapters identify this recontextualization of social work and how it is changing adapting and transforming the profession along with providing the potential implications for the profession This book grants insight on the reconstruction of social work on the personal and interpersonal level case work and also on those intending to impact social work on the local global environment level in all dimensions politically economically socially and ecologically In

addition the book includes a shift from the present short term and micro personal view to a future and much broader and encompassing perspective and practice vision This book is essential for social workers practitioners policymakers government officials researchers academicians and students who want to learn more about the recontextualizing of modern social work in a shifting global environment *Indigenous Biography and Autobiography* Peter Read,Frances Peters-Little,Anna Haebich,2008-12-01 In this absorbing collection of papers Aboriginal Maori Dalit and western scholars discuss and analyse the difficulties they have faced in writing Indigenous biographies and autobiographies The issues range from balancing the demands of western and non western scholarship through writing about a family that refuses to acknowledge its identity to considering a community demand not to write anything at all The collection also presents some state of the art issues in teaching Indigenous Studies based on auto biography in Austria Spain and Italy **Religion and Popular Culture** Adam Possamai,2005 This book views itself as the hyper real testament of new religious phenomena by addressing the theories among many others of Baudrillard Jameson and Lipovetsky and by exploring the use of fictions such as those from Harry Potter The Matrix Star Trek Buffy and Lord of the Rings **Critical Reflections on Cities in Southeast Asia** Tim Bunnell,Lisa Drummond,Ho,2021-11-15 Critical Reflections draws together the multi disciplinary research of scholars working in on cities across Southeast Asia The fourteen essays collected in the volume are organised into three thematic sections re conceptualisation competition and intervention Collectively these reflections contribute to and interrogate the expanding urban and regional studies literature The volume constitutes a critical corrective to the existing literature which all too often seeks to diagnose contemporary urban trends everywhere from a small number of mostly Western paradigmatic cases Yet while acknowledging the increasing interconnectedness and shared global orientation of most cities in Southeast Asia the volume is wary of positing an equally generalising regional model Individually these essays attend to the diversity of contemporary urban experiences in Southeast Asia **Journal of Interpretation Research** ,2001
