Foundations of New Socialism Robert Corfe, 2001 How can sincere support be given wholly to a political party unless it has clear principles underpinning its base Such a question is of particular relevance when asked of the Labour party in view of the events which have shattered the foundations of socialism worldwide over the past decade The author who

has considerable practical experience as a Labour party activist sets out to re establish the concept of socialism as a vision for the future But the forward looking views of New Socialism need to be very different from the old The transformation of society over the past 60 years means that old doctrines have to be replaced by new if socialism is to be made attractive to the modern man or woman **The Spirit of New Socialism and the End of Class-based Politics** Robert Corfe,2005

Changes in society over the past 50 years call for a new type of Socialism and this book presents a striking new dynamic to attract the 90 per cent majority in the industrialised economies of today **New Worlds For Old: A Plain Account of Modern Socialism** H. Discourse of Socialism with Chinese Characteristics for a New Era (2012-2017), Deconstructed Daurius Figueira ,2023-07-01 This is a deconstruction of a selection drawn from the collected works of Xi Jinping from 2012 to 2017 specifically dealing with Xi Jinping s discourse of Socialism with Chinese Characteristics for the New Era For Xi Jinping New Era is the historical epoch in which China has to attain its Two Centenary Goals of becoming a moderately prosperous society by 2022 and attaining the rejuvenation of China the Chinese Dream by 2049 This process is impacted by specific grave difficult and some intractable problems which must be mitigated in order to attain the Two Centenary Goals From 2012 to 2017 Xi Jinping reveals in great detail his discourse worldview and plan of action to mitigate these problems and attain the Two Centenary Goals Xi Jinping insists that a new model of development and governance is demanded to attain especially the Chinese Dream which amounts to building a new China markedly different from the two development models that preceded the New Era The departure point of Xi Jinping s model is the new governance rooted in the hegemony of law over the social

order including the Party Xi Jinping has then an order of power that underpins this new development and governance model that is a departure from those of the two preceding models The vision of Xi Jinping s discourse of Socialism with Chinese Characteristics for the New Era is a signal to all nations seeking to end underdevelopment and neo colonial domination Compulsory reading for all of us seeking liberation from domination exploitation and underdevelopment in the 21st century
