Socialization To Old Age:

Socialization to Old Age Irving Rosow, 2018-09-04 The prevailing wisdom in gerontology is that people routinely adjust to old age just as they adjust to earlier life stages But aging presents unusual circumstances and the transition processes that typify earlier passages fail to operate in the customary way The reasons for this are the subject of this book Its basic thesis is clear unlike other status changes in American life people are not effectively socialized to old age Irving Rosow shows that there is virtually no role for the elderly the norms for them are weak and they are subject to negligible socializing forces He argues that America has only a minor stake in older people and their place in society almost certainly because of the reduced responsibilities of the elderly and the limited consequences of their actions Rosow considers solutions in the form of alternatives for socialization within our present institutional structure This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1974

Mood and Cognition in Old Age Lia Fernandes, Huali Wang, 2018-11-30 Improving psychological well being and cognitive health is now listed as the priority on the healthy aging agenda Depression and cognitive impairment are great challenges for the elderly population There have been numerous studies on depression and cognitive impairment and dementia However the neural correlates of depression and cognitive impairment have not yet been elucidated With the development of neuroscience and relevant technologies studies on anatomical and functional neural networks neurobiological mechanisms of mood and cognition in old age will provide more insight into the potential diagnosis prevention and intervention in depression and cognitive impairment For example longitudinal neuroimaging studies depicting the trajectories of patterns of structural and functional brain networks of mild cognitive impairment may provide potential imaging markers for the onset of dementia Population based studies have addressed the potential interaction between mood and cognitive impairment in old age However there are few studies to explore the potential neural mechanism of the relationship between depression and cognitive impairment in old age In all of this process the contribution of multiple biological events cannot be neglected particularly the underlying influence of chronic diseases and concomitant polymedication as well as the geriatric conditions like frailty frequently present in this elderly population which also compromise the cognitive function and mood determining depression and conducting to worse outcomes with more morbidity and mortality

Old Age in Modern Society Christina R. Victor,2013-11-11 Old age is a part of the lifecycle about which there are numerous myths and stereotypes To present an overstatement of commonly held beliefs the old are portrayed as dependent individuals characterized by a lack of social autonomy unloved and neglected by both their immediate family and friends and posing a threat to the living standards of younger age groups by being a burden that consumes without producing Older people are perceived as a single homogeneous group and the experiment of ageing characterized as being the same for all individuals irrespective of the diversity of their circumstances before the onset of old age In this book detailed statistical material is used to portray the circumstances of older people in modern society in an attempt to evaluate the appropriateness or otherwise of the major stereotypes of later life This volume does not address ageing from a psychological or micro social perspective In particular we do not explore major issues relating to old age Rather we feel that from the extensive collection of surveys concerned with the elderly we can provide a context within which individual elderly people can be studied from more anthropological or biographical perspectives **Old and Alone** Jeremy Tunstall,2024-05-10

Originally published in 1966 this was the first full length study by a sociologist of isolation in old age Although the majority of old people were in no sense a problem group at the time a substantial minority of the elderly were alone in one or more ways

About 13 million people aged 65 and over in Britain lived alone **Aging and Society** Matilda White Riley, Marilyn Johnson, Anne Foner, 1972-03-15 Represents the first integrated effort to deal with age as a crucial variable in the social system Of special interest to sociologists for whom the sociology of age seems destined to become a special field

Consumer Behavior over the Life Course George P. Moschis, 2019-01-31 This book examines consumer behavior using the life course paradigm a multidisciplinary framework for studying people's lives structural contexts and social change It contributes to marketing research by providing new insights into the study of consumer behavior and illustrating how to apply the life course paradigm's concepts and theoretical perspectives to study consumer topics in an innovative way Although a growing number of marketing researchers either implicitly or explicitly subscribe to life course perspectives for studying a variety of consumer behaviors their efforts have been limited due to a lack of theories and methods that would help them study consumers over the lifecycle When studying consumers over their lifespan researchers examine differences in the consumer behaviors of various age groups e.g. children baby boomers elderly etc or family life stages e.g. bachelors full nesters empty nesters etc inferring that consumer behavior changes over time or linking consumption behaviors to previous experiences and future expectations Such efforts however have yet to benefit from an interdisciplinary research approach This book fills this gap in consumer research by informing readers about the differences between some of the most commonly used models for studying consumers over their lifespan and the life course paradigm and providing implications for research public policy and marketing practice Presenting applications of the life course approach in such research topics as decision making maladaptive behaviors e.g. compulsive buying binge eating consumer well being and cognitive decline this book is beneficial for students scholars professors practitioners and policy makers in consumer behavior consumer research consumer psychology and marketing research *Resources in Women's Educational Equity*, 1979 Literature cited in AGRICOLA Dissertations abstracts international ERIC ABI INFORM MEDLARS NTIS Psychological abstracts and Sociological abstracts Selection focuses on education legal aspects career aspects sex differences lifestyle and health Common format bibliographical information descriptors and abstracts and ERIC subject terms used throughout Contains order information Subject author indexes **NCERT Sociology Class 11** Dr. Ravindranath Mukherjee, Bharat Agarwal, 2025-01-09 Section A Introducing Sociology 1 Introducing Society Individual Collectivities and plural Perspective 2 Emergence and Development of Sociology 3 Nature and Scope of Sociology 4 Relationship of Sociology with other Social Science 5 Social Groups 6 Status and Role 7 Social Stratification 8 Social Control 9 Family and Kinship 10 Economic Institutions 11 Political Institutions 12 Religion As a Social Institution 13 Education As an Institution 14 Culture Values and Norms Shared Plural and Contested 15 Socialization Conformity Conflict and the Shaping of Personality 16 Tools and Techniques of Field Work Survey Observation and interview 17 Significance of Field Work in Sociology Section B Understanding Society 1 Social Structure 2 Social Process Co Operation Competition and Conflict 3 Social Stratification Class Caste Race and Gender 4 Social Change Types Dimension
