

An abstract painting featuring a central face rendered in earthy tones of brown, tan, and white. The face is surrounded by various shapes and colors, including a large red shape resembling a tomato, a yellow shape resembling a lemon, and a blue shape resembling a cucumber. The overall style is expressive and textured, with visible brushstrokes and a rich palette of colors.

## **Society In Transition A Humanist Introduction To Sociology:**

**Society in Transition** Rodney Duanne Elliott, Don H. Shamblin, 1992      **A Contemporary Introduction to Sociology** Jeffrey Alexander, Jeffrey C. Alexander, Kenneth Thompson, Laura Desfor Edles, Moshoula Capous-Desyllas, 2023-07-28 The influential authors significantly update their popular introductory text that invites students to reflect on their lives in the context of the combustible leap from modern to postmodern life The authors show how culture is central to understanding many world problems as they challenge readers to confront the problems and possibilities of an era in which the futures of the physical and social environments seem uncertain As culture rapidly changes in the 21st century the authors have successfully incorporated these nuances with many important updates on race and racism Black Lives Matter the rise of populist politics ISIS new social media feminist perspectives on sex work trans and non gender conforming identities and more New to this edition New data text box examples photos exercises study questions and glossary terms appear throughout New discussions added of arts based and participatory approaches to research historical changes in the perception of deviance legalization of marijuana Islam vs secularism in France new forms of socialization heteronormative and essentialist language related to sex and gender intersections of social class and other identities the prison industrial complex informal sharing economies atheism and more New text boxes include Young Saudis Find Freedom in their Phones How One Stupid Tweet Blew Up Justine Sacco's Life School to Prison Pipeline India's Reproductive Assembly Line Workers Feel Pain of Layoffs Like Prohibition the fight over guns is about something else and Micro aggression and Changing Moral Cultures      **Contemporary Introduction to Sociology** Jeffrey C. Alexander, Kenneth Thompson, Laura Desfor Edles, 2016-01-08 The first edition of *A Contemporary Introduction to Sociology* was the first truly new introductory sociology textbook in decades Written by two leading sociologists at the cutting edge of theory and research the text reflected the idioms and interests of contemporary American life and global social issues The second edition continues to invite students to reflect upon their lives within the context of the combustible leap from modern to postmodern life The authors show how culture is central to understanding many world problems as they challenge readers to confront the risks and potentialities of a postmodern era in which the futures of both the physical and social environment seem uncertain As culture rapidly changes in the 21st century the authors have broadened their analysis to cover developments in social media and new data on gender and transgender issues      **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference Reed, 1995-12      **Subject Guide to Books in Print**, 1993      *American Literature in Transition, 1876-1910: Volume 4* Lindsay V. Reckson, 2022-08-18 Addressing US literature from 1876 to 1910 this volume aims to account for the period's immense transformations while troubling the ideology of progress that underwrote much of its self understanding This volume queries the various forms and formations of post Reconstruction American literature It contends that the literature of this period most often referred to as turn of the century might be more productively oriented

by the end of Reconstruction and the haunting aftermath of its emancipatory potential than by the logic of temporal and social advance that underwrote the end of the century and the beginning of the Progressive Era Acknowledging that nearly all US literature after 1876 might be described as post Reconstruction the volume invites readers to reframe this period by asking under what terms did post Reconstruction American literature challenge or re consolidate the nation as an affective political and discursive phenomenon And what kind of alternative pasts and futures did it write into existence

**Discourse on Applied Sociology: Theoretical perspectives** Samir Dasgupta, Robyn Bateman Driskell, 2007 This engaging two volume study pursues a balance between theoretical and practical sociology Volume I subtitled Theoretical Perspectives focuses on the problems and prospects of applied sociology in an era of globalization The essays emphasize the close association of applied sociology with altruism identity formation race and ethnicity They evaluate the empirical truths of sociological theories and examine their relevance for contemporary research poverty demographic issues and social policies The authors agree that the ultimate test of theory is the extent to which it can produce knowledge that works
