Sabine Zange

Sociological Perspectives Volume 42 No2:

Perspectives on Sociological Theories, Methodological Debates and Organizational Sociology Medani P.

Bhandari, 2023-04-13 This book stands as the full body of scholarly work on western theories of social sciences. The book contains three chapters. The first part gives the overall scenario of theories, the second part provides the pathway to research destination, the research method, and the third and final part is the destination of the substantive field of study and the roles of international organizations on social, political, economic, environmental, regimes, creation, as well as to other social and development functions of international organizations. Sociology examines the social actors' activities in society and social problems. Western scholars have developed many social theories which address the underlying causes such as social conflicts and inequalities, and many formal and informal social organizations are involved to minimize the challenges of inequalities. The study of social organizations is a relatively new phenomenon in sociology. Broadly, its historical root can be traced from Greek civilization, Plato, Aristotle, and it has mostly flourished since the Enlightenment Era. However, empirical studies show that the scientific study of organizations began only from the 19th and 20th century. Among the scholars of these centuries, the contributions of Karl Marx, Ferdinand Tönnies, Emile Durkheim, Ludwig Gumplowicz, Vilfredo Pareto, Max Weber, and Talcott Parsons are considered as pillars of sociology. This book intends to answer the broad and major questions of theories, methods, and the international organization studies in social sciences, particularly in sociology, and to provide the basic concepts of social theories, application of methods in research, qualitative and elaborate the factual reality, why study of international organization is also subject of sociological study. The book presents the perspectives of organizational sociology in a way that scholarly readers can see the linkages, political sciences, sociology, and slightly economic in addressing the roles and issues of the international organizations.

CyberGenetics Anna Harris, Susan Kelly, Sally Wyatt, 2016-04-28 Online genetic testing services are increasingly being offered to consumers who are becoming exposed to and knowledgeable about new kinds of genetic technologies. As the launch of a 23andme genetic testing product in the UK testifies, genetic research breakthroughs, cheek swabbing, forensic pathologists, and celebrities discovering their ancestral roots are littered throughout the North American, European, and Australasian media landscapes. Genetic testing is now capturing the attention and imagination of hundreds of thousands of people who can not only buy genetic tests online but can also go online to find relatives, share their results with strangers, sign up for personal DNA-based musical scores, and take part in research. This book critically examines this market of direct-to-consumer (DTC) genetic testing from a social science perspective, asking what happens when genetics goes online. With a focus on genetic testing for disease, the book is about the new social arrangements which emerge when a traditionally clinical practice, genetic testing, is taken into new spaces, the internet. It examines the intersections of new genetics and new media by drawing from three different fields: internet studies, the sociology of health and science, and technology studies. While there has been a surge of research activity concerning DTC genetic testing, particularly in sociology,

ethics and law this is the first scholarly monograph on the topic and the first book which brings together the social study of genetics and the social study of digital technologies This book thus not only offers a new overview of this field but also offers a unique contribution by attending to the digital and by drawing upon empirical examples from our own research of DTC genetic testing websites using online methods and in depth interviews in the United Kingdom with people using healthcare services

Trust, Politics and Revolution Francesca Granelli,2019-12-04 Tracing the relationships and networks of trust in Western European revolutionary situations from the Ancient Greeks to the French Revolution and beyond Francesca Granelli here shows the essential role of trust in both revolution and government arguing that without trust both governments and revolutionary movements are liable to fail The first study to combine the important of trust and the significance of revolution this book offers a new lens through which to interpret revolution in an essential work book for all scholars of political science and historians of revolution

Strong Foundations Anna Kilderry,Bridie Raban,2021-01-01 Strong Foundations Evidence informing practice in early childhood education and care celebrates the progress made by the Australian early childhood education and care profession since the implementation of the Early Years Learning Framework Recognising this progress Associate Professor Anna Kilderry and Honorary Professor Bridie Raban lead a team of 34 notable contributors from 13 universities and institutions throughout Australia who focus on the challenges of access equity and quality that remain across the sector With a Foreword by Professor Alison Elliott Strong Foundations brings together knowledge and insights from research in education health social care child safety science mathematics and the arts The critical importance of health wellbeing and safety in the first five years of children s lives is reflected in a particular focus on supporting positive lifestyle choices on social and emotional development and on the role that adults play in keeping children safe The book addresses policy requirements from the Early Years Learning Framework the National Quality Standard and Quality Improvement Plans highlighting links between research and practice and making connections to the five EYLF Learning Outcomes With an emphasis on professional practice expectations Strong Foundations showcases evidence from Australian and international research and provides case studies of early childhood educators applying evidence informed actions in a wide variety of education and care settings Strong Foundations translates high quality peer reviewed research into everyday practice and supports early childhood educators in improving long term outcomes for children families and communities

Advances in Sociology Research Leopold M. Stoneham,2004 Presents original research results on the leading edge of sociology Each chapter has been carefully selected in an attempt to present substantial advances across a broad spectrum

Beyond Capitalism: A Comparative Study of Socialism, Communism, and Marxism Nicklas Nickel,2024-09-08 Beyond Capitalism A Comparative Study of Socialism Communism and Marxism by Nicklas Nickel offers a thorough exploration of the ideological frameworks that have shaped modern history and continue to influence our world today This compelling and insightful book delves deep into the origins development and practical impact of socialism

communism and Marxism providing a nuanced understanding of these complex ideologies

Unraveling Ideologies From Historical Origins to Contemporary Relevance

Nickel's work is a comprehensive investigation that traces the evolution of these ideologies from their roots in the Industrial Revolution to their manifestations in the 20th and 21st centuries. The book examines the philosophical underpinnings, historical contexts, and societal implications of socialism, communism, and Marxism, offering readers a clear and accessible analysis of their similarities and differences. Drawing on historical events and real-world examples, *Beyond Capitalism* provides readers with an understanding of how these ideologies emerged as responses to the social and economic changes brought about by industrialization. It highlights the key principles that define each ideology and unpacks the debates that surround their implementation. Nickel's approach is scholarly yet approachable, ensuring that readers of all backgrounds can engage with the material.

A Journey Through the Historical and Philosophical Landscape

The book begins with a detailed exploration of the 19th-century context in which these ideologies took shape. It examines the profound social, economic, and cultural shifts brought about by industrialization and capitalism, providing a backdrop for understanding the rise of socialism, communism, and Marxism. Nickel delves into the early critiques of capitalism and the calls for social reform, shedding light on the Enlightenment thinkers and liberal ideals that influenced the development of these ideologies. Readers are guided through the tumultuous period of social unrest and labor movements, from the emergence of trade unions to the global spread of these movements and the state's responses. The role of key figures such as Karl Marx and Friedrich Engels is explored in depth, including their foundational works like *The Communist Manifesto* and *Das Kapital*. Nickel also examines the influence of Marxist thought on the early socialist and communist movements, setting the stage for the book's in-depth analysis of Marxist theory.

In-Depth Analysis of Marxist Theory

Beyond Capitalism dedicates an entire chapter to dissecting the core tenets of Marxist theory, including the concepts of the proletariat and bourgeoisie, dialectical materialism, historical materialism, class struggle, and the role of the state. Nickel's meticulous approach allows readers to grasp the philosophical foundations of Marxism and its revolutionary implications. The book offers a detailed examination of how Marxist theory interprets class relations, social change, and the nature of state power. It explores the concepts of alienation and exploitation within capitalist societies and the Marxist vision of a classless, stateless society under communism. By providing a balanced critique of Marxist theory, Nickel encourages readers to engage critically with its ideas and consider their relevance in the contemporary world.

Exploring Socialism and Communism

In addition to its focus on Marxism, *Beyond Capitalism* provides a thorough analysis of socialism and communism as distinct yet interconnected ideologies. The book outlines the theoretical foundations of the transition from socialism to communism and discusses the challenges and debates that surround this process. Nickel examines the key features of socialist societies, such as social ownership of the means of production, centralized economic planning, redistribution, social welfare, and democratic participation. He explores the practical implications of these principles in various historical and contemporary contexts, highlighting both the successes and

challenges of socialist experiments The book also delves into the evolution of property rights within socialist systems comparing them to those in capitalist economies It offers a nuanced discussion of the bureaucratic state owned enterprise its role in socialist societies and the complexities of state ownership control and the allocation of resources A Balanced and Accessible Approach Nickel s writing is clear engaging and accessible making complex ideas and historical developments understandable for readers who may not have a background in political theory or economics He takes care to present multiple perspectives acknowledging the criticisms and debates that have surrounded these ideologies throughout history The book avoids oversimplification instead offering a balanced view that recognizes the diversity of thought within socialism communism and Marxism It examines both the positive contributions and the limitations of these ideologies encouraging readers to think critically about their relevance and applicability in the modern world Contemporary Relevance Ideologies in the 21st Century Beyond Capitalism is not just a historical account it also addresses the contemporary relevance of socialism communism and Marxism in today s global landscape Nickel discusses the legacy of 20th century class struggles the rise of neoliberalism and the ongoing debates over economic inequality social justice and environmental sustainability By examining the ideological underpinnings of current political and economic systems the book offers readers valuable insights into the forces that continue to shape our world It invites readers to reflect on the potential future of these ideologies and consider their role in addressing the challenges of the 21st century A Must Read for Anyone Seeking Understanding of the Socio Political Landscape Beyond Capitalism is an essential resource for anyone seeking a deeper understanding of the socio political landscape and the ideological debates that continue to influence global society Whether you are a student a scholar or a curious reader this book provides a comprehensive roadmap to navigate the complex and evolving terrain of socialism communism and Marxism With its thorough analysis balanced perspective and accessible style Beyond Capitalism is a valuable addition to any bookshelf It encourages readers to explore the past understand the present and contemplate the future of these ideologies in our ever changing world Grab your copy of Beyond Capitalism A Comparative Study of Socialism Communism and Marxism today and embark on a journey through the complex ideologies that have shaped history and continue to impact our lives

Extending Protection to Migrant Populations in Europe Roberta Medda-Windischer,Caitlin Boulter,Tove H. Malloy,2019-07-16 This comprehensive and innovative volume focuses on the usefulness and relevance of extending the scope of protections already in place for national minorities old minorities to migrant populations new minorities in Europe Delving into a highly relevant but under researched issue the book examines the feasibility of expanding the system of protection for national minorities to migrant groups as well as considering issues of diversity security socio economic concerns and identity Taking a multidisciplinary perspective and combining insights from political science law sociology and anthropology it asks the central question of how far the extension of policies and rights currently specific to national minorities is conceptually meaningful and beneficial to the integration of new minorities In doing so it questions the

feasibility and appropriateness of extending the scope of the protections already in place for national minorities to other categories of population This book will be of key interest to scholars students and practitioners of European Union politics migration studies minority studies and more broadly of sociology international law and human rights **Stress, Affluence and Sustainable Consumption** Cecilia Solér, 2017-09-18 Why do affluent consumers almost automatically acquire new versions or variations of products already at their disposal Even though most of us know that this novelty consumption poses a serious threat to an environmentally and socially sustainable future we continue to do it Why Research shows that consumption of new automobiles clothing furniture electronics home furnishing household apparel mobile phones etc is motivated by a desire to feel more secure less anxious and better mood wise Affluent consumers seem to engage in novelty consumption not to feel better but rather to avoid feeling bad Stress Affluence and Sustainable Consumption discusses sustainable consumption from a stress perspective adding an embodied understanding to the sustainability related consumption challenges that we face today A stress perspective on affluent consumption differs from current understandings on consumption as it fully acknowledges the consumer as having a body including a mind that reacts to the numerous product offerings and retail spaces both physical and online A stress perspective can explain how our bodies try to cope with an overload of perceptual input provided by advertising messages product launches and even store structures This book will be of great interest to students and researchers of consumer psychology sustainable consumption studies sustainable marketing and markets as well as sustainable development more generally *ICBAE 2020* Bima Cinintya Pratama, Naelati Tubastuvi, Suryo Budi Santoso, Azmi Fitriati, Robbi Rahim, 2020-10-15 The 2nd International Conference of Business Accounting and Economics ICBAE 2020 continued the agenda to bring together researcher academics experts and professionals in examining selected theme by applying multidisciplinary approaches This conference is the second intentional conference held by Faculty of Economics and Business Universitas Muhammadiyah Purwokerto and it is a bi annual agenda of this faculty In 2020 this event will be held in 5 6 August at Faculty of Economics and Business Universitas Muhammadiyah Purwokerto The theme of the 2nd ICBAE UMP 2020 is Economics Strength Entrepreneurship and Hospitality for Infinite Creativity Towards Sustainable Development Goals SDGs It is expected that this event may offer contribution for both academics and practitioners to conduct researches related with Business Accounting and Economics Related Studies Each contributed paper was refereed before being accepted for publication The double blind peer reviewed was used in the paper selection *The Sociology of Education* Jeanne Ballantine, Floyd M Hammack, 2015-07-22 A comprehensive and cross cultural look at the sociology of education The text integrates important and diverse topics in the field by showing how they are related The Sociology of Education A Systematic Analysis provides a sociological analysis of education using several theoretical approaches The authors include practical applications and current educational issues to discuss the structure and processes that make education systems work Learning Goals Upon completing this book readers should be able to Learn

diverse theoretical approaches in the sociology of education Assess important current or emerging topics including higher education informal education climate and the hidden curriculum the school environment education around the world and educational movements and alternatives Understand how change takes place and what role sociologists play Become involved with educational systems where they can put to use the knowledge available in textbooks **JOURNAL OF**

INTERDISCIPLINARY STUDIES IN EDUCATION, Vol. 7 No. 2, 2019 STAR Editors,2018-12-04 Journal of Interdisciplinary Studies in Education is aimed at those in the academic world who are dedicated to advancing the field of education through their research JISE provides a range of articles that speak to the major issues in education across all content areas and disciplines The Journal is peer edited through a blind review process that utilizes a national and international editorial board and peer reviewers JISE aspires to advance research in the field of education through a collection of quality relevant and advanced interdisciplinary articles in the field of education *Social and Environmental*

Disclosure by Chinese Firms Yingjun Lu,Indra Abeysekera,2014-03-26 Given the increased social and environmental problems in China this book looks into the social and environmental environmental disclosure practices of socially responsible Chinese listed firms by constructing a stakeholder driven three dimensional disclosure index The book contains a three part study the first part explores the current status of social and environment disclosure practices The second part empirically examines the relationship between corporate social and environmental disclosure and various influencing factors i e stakeholders power and corporate characteristics The third part empirically examines the link between corporate social responsibility CSR reporting i e publishing a CSR report and the quality of the CSR report and socially responsible reputation The book finds that the CSR report provided more stakeholder relevant social and environmental disclosure than the annual report It also finds that corporate characteristics such as firm size profitability and industry classification are all statistically significant factors influencing social and environmental disclosure of the Chinese firms studied Shareholders significantly influenced firms social and environmental disclosure and creditors significantly influenced firms disclosure related to their environmental performance The final part of the study reports that publishing a CSR report and CSR reporting quality had a positive influence on firms socially responsible reputation and that the CEO chairman duality negatively influenced firms socially responsible reputation The book also highlights that financial performance and firm size were the two corporate characteristics that had a positive influence on corporate socially responsible reputation This book will be of interest to those who are keen to learn more about corporate social responsibilities in the context of Chinese firms *Healthy Urban*

Environments Cecily Maller,2018-05-20 Set in the human environment interaction space this book applies new theoretical and practical insights to understanding what makes healthy urban environments It stems from recognition that the world is rapidly urbanising and the international concern with how to create healthy settings and liveable cities in the context of a rapidly changing planet A key argument is that usual attempts to make healthy cities are limited by human centrism and

bifurcated western thinking about cities health and nature Drawing on the innovative more than human scholarship from a range of disciplines it presents a synthesis of the main contributions and how they can be used to rethink what healthy urban environments are and who they are for In particular the book turns its attention to urban biodiversity and the many non human species that live in make and share cities with humans The book will be of interest to scholars and students in human geography health sociology environmental humanities public health health promotion planning and urban design as well as policymakers and professionals working in these fields

Gun Violence and Gun Control: Critical Engagements

Annette Bailey,Thomas Harrison,Rebecca Jaremko Bromwich,2022-06-09 This interdisciplinary anthology explores a wide range of intersecting issues contributing to and arising from gun violence Millions of people are hurt and killed by gun violence globally and the traumatic realities of these events are navigated by individuals and communities widely In this context gun violence fundamentally threatens social functioning in significant ways and profoundly test the resilience of families The resulting transformations carry social political legal and economic implications for mothering family dynamics and community engagement This collaborative volume brings together diverse perspectives intended to deconstruct perceptions realities risks and impacts of gun violence as seen by researchers educators community advocates public health health care experts criminologists social workers field based practitioners and victims survivors of gun violence The distinct and broad range of contributions in this volume critically unpacks representations stress and trauma resilience advocacy activism policymaking family functioning social justice and equity governmentality and the criminal justice system public health health care and community programs interventions Ultimately the work is a unique contribution to the literature in which there is a lack of wide academic consideration of gun violence and a demonstrably unsatisfactory political response stretching back decades

PISA 2009 Results: What Makes a School Successful? Resources, Policies and Practices (Volume IV) OECD,2010-12-07 This volume of PISA 2009 results examines how human financial and material resources and education policies and practices shape learning outcomes

The Regulation of Financial Planning in Australia Angelique Nadia Sweetman McInnes,2019-08-20 This book investigates the legitimacy of the current Australian Financial Services Licensee Authorised Representative AFSL AR licensing model as specified in the Commonwealth Corporations Act 2001 The book rectifies the deficiency in scholarly attention to this matter by developing a new conceptualised framework for the financial planning discipline It takes into account theories in agency legislation legitimacy and the independent individual regulatory regimes in other professions thereafter integrating this framework with the financial planning theory to examine the legitimacy or what was found to be the illegitimacy of licensing advisers via multiple third party conflicted commercially oriented licensees This book makes a very useful reference to understanding financial planning licencing model in Australia

Generation, Gender and Negotiating Custom in South Africa Elena Moore,2022-06-16 This book investigates how customary practices in South Africa have led to negotiation and contestation over human rights gender and generational

power Drawing on a range of original empirical studies this book provides important new insights into the realities of regulating personal relationships in complex social fields in which customary practices are negotiated This book not only adds to a fuller understanding of how customary practices are experienced in contemporary South Africa but it also contributes to a large discussion about the experiences impact and ongoing negotiations around changing structures of gender and generational power and rights in contemporary South Africa It will be of interest to researchers across the fields of sociology family customary law gender social policy and African Studies **ePub - European Conference on Social Media** Sue Greener,Asher Rospigliosi,2014-11-07 **ECSM2014-Proceedings of the European Conference on Social Media** Asher Rospigliosi,Sue Greener, *The Routledge Handbook of Disaster Response and Recovery* Bimal Kanti Paul,Luke Juran,2025-03-25 The Routledge Handbook of Disaster Response and Recovery covers the two post disaster stages of the disaster cycle and presents an extensive and cutting edge overview of their many considerations Organized into two parts Response and Recovery this handbook details the history theories methods debates and emerging issues in the stages of response and recovery Using a transdisciplinary approach the myriad topics examined in this handbook include search and rescue myths related to disaster response technological methods for response recovery among vulnerable populations and the intersection of disasters and mental health Contributors discuss these issues both globally as well as country and disaster specific This book is an essential guide and reference not only for scholars engaged in disaster research but also for undergraduate and graduate students policy makers disaster managers international and supranational agencies and humanitarian and volunteer organizations engaged in disaster management

Sociological Perspectives Volume 42 No2 Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. While this might not be the Sociological Perspectives Volume 42 No2 full book , it can give you a taste of the authors writing

style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sociological Perspectives Volume 42 No2 eBooks, including some popular titles.

FAQs About Sociological Perspectives Volume 42 No2 Books

What is a Sociological Perspectives Volume 42 No2 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sociological Perspectives Volume 42 No2 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sociological Perspectives Volume 42 No2 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sociological Perspectives Volume 42 No2 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sociological Perspectives Volume 42 No2 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
