Irish Children's Literature and Culture Keith O'Sullivan,Valerie Coghlan,2011-03-17 What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children s literature whatever the parameters in comparison with Ireland s contribution to adult literature in the twentieth century This volume looks critically

Daily Experience in Residential Life Juliet Berry,2025-09-01 First published in 1975 Daily Experience in Residential Life based on questionnaires completed by students during their residential placements breaks new ground with fresh implications for social work training and practice The author first examines daily life experiences of children in a wide range of residential provision with particular reference to methods of handling uncooperative children second to consider effective ways of enabling caregivers to provide helpful rather than neutral or even punitive daily treatment Her findings suggest that children with similar needs differ greatly in the quality of care they receive and that variations particularly in methods of discipline and control depend less upon theoretical principles than upon their caregivers immediate pressures in practice Therefore her major recommendation also applicable to children in foster care day school or at risk in their own homes and to dependent adults either at home or in institutional care is that the caregivers themselves require appropriate ongoing experience of professional support in their very difficult task

The Keepers Al Campbell,2022-02-01 This daring and dazzling debut shines a light on the unsung heroes of our communities the carers Jay is devoted to the care of her teenage twins who view
