Description :

The only book of its kind to examine all aspects of a young adult's legal rights at school, at work, and at home, including recent developments in teen-oriented legislation. Widespread Internet use and evolving privacy concerns compromise the legal rights of teenagers. While smart phones, social networking, and online music downloading pose new legal complications for teens and their parents to navigate, the Supreme Court has grappled with rights concerning every aspect of a young adult's life long before now. This newly updated text, written in accessible language and presented through an
