

A promotional image for the video game Alan Wake. It features the character Alan Wake, a man with a beard wearing a light-colored suit, running through a dark, misty forest at night. He is holding a flashlight that illuminates the path ahead. Large, dark, winged creatures with red-tipped wings are flying in the background. Teetotallers Wake:

Bloodhound Ramona Koval, 2015-04-22 Ramona Koval's parents were Holocaust survivors who fled their homeland and settled in Melbourne. As a child Koval learned little about their lives only snippets from traumatic tales of destruction and escape. But she always suspected that the man who raised her was not her biological father. One day in the 1990s long after her mother's death she decides she must know the truth. A phone call leads to a photograph in the mail then tea with strangers. Before long Koval is interrogating a nursing home patient meeting a horse whisperer in tropical Queensland journeying to rural Poland learning other languages and dealing with Kafkaesque bureaucracy all in the hope of finding an answer. A quest for identity recounted with Koval's customary humour *Bloodhound* takes hold of the reader and never lets go. It is a moving story of the terrible cost of war and of family secrets. Ramona Koval is a Melbourne writer, journalist, broadcaster and editor. From 2006 to 2011 she presented Radio National's Book Show and she has written for *Age* and the *Australian*. She is the author of *By the Book* A Reader's Guide to Life and *Bloodhound* Searching For My Father. The line of questioning to which she subjects herself reminds me less of her gracious interviews and more of Helen Garner's steady self-analysis. In *Bloodhound* Koval is hunter and prey to truths that taunt and console. Australian She is a shining presence in the world of literature here in Australia and right across the globe. Her voice is always recognisable invigorating familiar to us and greatly loved. Helen Garner Irresistible generous warm and fearless. Kerry Goldsworthy Her Koval accessibly written forays into the science of DNA and familial lineages and what makes us who we are is beautifully intertwined with her meditations on identity and belonging. Readers too will be deeply shocked by the atrocities outlined in *Bloodhound*. Such shock however is an important reminder that history should never be forgotten and that books like *Bloodhound* should continue being written for generations to come. Books Publishing. Written in the same jaunty crisp but personal voice that made her so beloved as a broadcaster. Booktopia Buzz Koval has penned a moving story of her quest for identity amid family secrets. Australian Jewish News *Bloodhound* is at its most gripping when it explicitly pits the child's prerogative to know her origins against everybody else's right to forget or remain forever ignorant. By book's end Koval has in effect synthesised and absorbed these stories into one story her story such that she claims an ownership of and a place in them that was for this reader at least fascinating but also somewhat disquieting. Sydney Morning Herald Koval follows a fascinating scent. She makes us complicit in her pursuit of the past as she tries to answer what am I. This is a story which will resonate. Southland Times *Wine and Spirit News and Australian Vignerons*, 1913 **The Test** Nathan Leamon, 2018-08-02 Engaging and enjoyable as probing and as penetrative as a Jimmy Anderson opening spell. This is no ordinary novel by no ordinary novelist. Sunday Times A fine addition to the painfully thin oeuvre of modern fictional works about cricket. Mike Atherton The Times Outstanding Mail on Sunday If all you know is cricket then cricket will break you. It is the final Test match of The Ashes. A nation expects and the rest of the cricketing world is watching. Fast paced humorous and candid. The Test follows the battles

on and off the field as stand in England captain James McCall tries to get his exhausted team across the finish line Along the way his story becomes one of fatherhood friendship and trusting yourself when no one else will Nathan Leamon s love letter to Test cricket is that rare thing a novel that captures the feel and flavour of professional sport from the inside the good the bad and the simply surreal Not since J L Carr s classic A Season in Sinji has there been a novel that quite captures the spirit of the game Included in Wisden Cricket Monthly s Finest Cricket Books Ever Written **Eric Bristow: The Autobiography** Eric Bristow,2009-09-15 Eric Bristow MBE 1957 2018 might just have been the greatest darts player of all time An unmistakable figure on the oche during his 1980s heyday the Cheeky Cockney became renowned not just for the number of world titles he won but for his arrogance on stage and off it In this candid account Bristow reveals how darts saved him from his early life as a cat burglar shoplifter and thug and introduced him to a new world of beer babes and success beyond his wildest dreams In his rapid rise to the top he gives fascinating insights into the characters that pioneered darts in those early days and how when his own career began to slide at the end of the decade he trained his prot g Phil The Power Taylor turning him into the most successful player darts has ever known Bristow holds nothing back as he reveals his battle with dartitis a psychological condition which left him unable to let go of the dart and almost destroyed his career his relationship with girlfriend and former women s world darts champion Maureen Flowers and his occasional all too public falls from grace Bristow s life story is a thrill a minute ride through the raucous world of darts and how it helped to shape and drive his life
