Television And The Quality Of Life:

Television and the Quality of Life Robert William Kubey, Mihaly Csikszentmihalyi, 1990 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company

Handbook of Quality-of-Life Research M. Joseph Sirgy, 2013-04-18 This handbook provides students of quality of life QOL research with an understanding of how QOL research can be conducted from an ethical marketing perspective a perspective based on positive social change The handbook covers theoretical philosophical and measurement issues in QOL research The handbook also approaches selected QOL studies in relation to various populations in various life domains The marketing approach is highly pragmatic because it allows social and behavioral scientists from any discipline to apply marketing concepts to plan social change and assess the impact of intervention strategies on the QOL of targeted populations

Handbook of Social Indicators and Quality of Life Research Kenneth C. Land, Alex C. Michalos, M. Joseph Sirgy, 2011-11-25 The aim of the Handbook of Social Indicators and Quality of Life Research is to create an overview of the field of Quality of Life QOL studies in the early years of the 21st century that can be updated and improved upon as the field evolves and the century unfolds Social indicators are statistical time series used to monitor the social system helping to identify changes and to guide intervention to alter the course of social change Examples include unemployment rates crime rates estimates of life expectancy health status indices school enrollment rates average achievement scores election voting rates and measures of subjective well being such as satisfaction with life as a whole and with specific domains or aspects of life This book provides a review of the historical development of the field including the history of QOL in medicine and mental health as well as the research related to quality of work life QWL programs It discusses several of QOL main concepts happiness positive psychology and subjective wellbeing Relations between spirituality and religiousness and QOL are examined as are the effects of educational attainment on QOL and marketing and the associations with economic growth The book goes on to investigate methodological approaches and issues that should be considered in measuring and analysing quality of life from a quantitative perspective The final chapters are dedicated to research on elements of QOL in a broad range of countries and populations

The Psychology of Quality of Life M. Joseph Sirgy, 2012-06-20 The second edition will be an update and further elaboration of the literature related to subjective well being happiness and life satisfaction It will have a new substantial section that focuses on reviewing much of the literature of subjective well being within specific life domains social life material life leisure life work life community life spiritual life family life health life sex life travel life etc In the 1st edition the research in these various life domains was discussed only briefly The second edition will maintain the same organizational structure of the first edition that is Part 1 will focus on introduction definitions and distinctions examples of measures of subjective well being happiness and life satisfaction and motives underlying subjective well being Part 2 will focus on psychological strategies that allow people to optimize subjective well being by engaging in psychological processes related to the relationship between and among life

domains e g social life family life love life spiritual life community life financial life etc This part will contain four chapters related to these various inter domain processes bottom up spillover top down spillover horizontal spillover and compensation Part 3 of the book will focus on intra domain psychological strategies designed to optimize subjective well being These include re evaluation based on personal history re evaluation based on self concept re evaluation based on social comparison goal selection goal implementation and attainment and re appraisal Part 4 of the book will focus on balance processes how people attempt to create balance in their lives using psychological processes within specific life domains intra domain strategies and processes that relate one domain to another inter domain strategies

A Future for Public Service Television
Des Freedman,Vana Goblot,2018-05-04 A guide to the nature purpose and place of public service television within a multi platform multichannel ecology Television is on the verge of both decline and rebirth Vast technological change has brought about financial uncertainty as well as new creative possibilities for producers distributors and viewers This volume from Goldsmiths Press examines not only the unexpected resilience of TV as cultural pastime and aesthetic practice but also the prospects for public service television in a digital multichannel ecology The proliferation of platforms from Amazon and Netflix to YouTube and the vlogosphere means intense competition for audiences traditionally dominated by legacy broadcasters Public service broadcasters whether the BBC the German ARD or the Canadian Broadcasting Corporation are particularly vulnerable to this volatility Born in the more stable political and cultural conditions of the twentieth century they face a range of pressures on their revenue their remits and indeed their very futures This book reflects on the issues raised in Lord Puttnam s 2016 Public Service TV Inquiry Report with contributions from leading broadcasters academics and regulators With resonance for students professionals and consumers with a stake in British media it serves both as historical record and as a look at the future of television in an on demand age Contributors include Tess Alps Patrick Barwise James Bennett Georgie Born Natasha Cox Gunn Enli Des Freedman Vana Goblot David Hendy Jennifer Holt Amanda D Lotz Sarita Malik Matthew Powers Lord Puttnam Trine Syvertsen Jon Thoday Mark Thompson

Handbook of Addiction, Recovery and Quality of Life
Maria Florence,Wouter Vanderplasschen,Mansoo Yu,Jessica De Maeyer,Shazly Savahl,2025-01-25 This handbook brings together research and innovation across two important and related fields quality of life QoL and addiction recovery Though both fields of research are equally vibrant this volume brings together the advancing scholarly exploration of the intersection between QoL and addiction recovery It provides comprehensive coverage of the theoretical perspectives on QoL in the field of addiction and recovery instruments and methodologies to assess QoL different types of addiction in specific populations and QoL and practices and interventions for supporting recovery and promoting QoL It importantly includes international and intercultural perspectives on QoL and addiction recovery By including sound theoretical conceptual historical empirical and cross cultural contributions on QoL and addictions the volume offers many opportunities for advancing support treatment and recovery of persons with addiction problems based on their subjective perspectives and
