Television Policy And Culture:

Television Richard Collins, 2005-08-12 In this important and wide ranging text Richard Collins combines original research with provocative analysis and argument He focuses on the impact of new television technologies national policies for television for television in North America and Europe the effects of internationalisation television news and documentaries and the history and likely development of media studies **Australian Television Culture** Tom O'Regan, 2020-07-24

Australian television has been transformed over the past decade Cross media ownership and audience reach regulations redrew the map and business culture of television leading business entrepreneurs acquired television stations and then sold them in the bust of the late 1980s and new television services were developed for non English speaking and Aboriginal viewers Australian Television Culture is the first book to offer a comprehensive analysis of the fundamental changes of this period It is also the first to offer a substantial treatment of the significance of multiculturalism and Aboriginal initiatives in television Tracing the links between local regional national and international television services Tom O Regan builds a picture of Australian television He argues that we are not just an outpost of the US networks and that we have a distinct television culture of our own a truly innovative book The author ambitiously strives for a large scale synthesis of policy program analysis history politics international influences and the Australian television system s place in the world Associate Professor Stuart Cunningham Queensland University of Technology
