Tell Me What We Did Today:

Department of State Bulletin ,1985 The official monthly record of United States foreign policy *Jack's Chase* Shane Esmond,2011-03 Ten Thousand Miles From Home is the first book of the Jack s Chase series It tells the tale of young aspiring journalist Jack O Sullivan who is drawn to the action and drama of the Vietnam war like a magnet Determined to make his mark in the world as an award winning war correspondent he hounds his editor and anyone else who matters until they finally give in and send him ten thousand miles to the other side of the earth into a world of bombs and bullets a world of fear and confusion He enters into a frustrating struggle and finds that the Vietnam conflict like most wars is not just man against man but also man against the elements of nature and his own personal state of mind He learns that the things his WW2 veteran father tried to warn him about war are more mind damaging that he could possibly imagine Told first hand this is Jack s story of the end of his innocent youth and his difficult initiation into the life of a man in war Along the way he not only discovers friendships found and lost but has to learn to survive amongst the harsh and unforgiving environment and also finds himself embroiled in an ever deepening mystery surrounding one of the best soldiers in the platoon Sergeant Ben Cale What starts out as the prospect of a great story becomes a situation which captures Jack s full determination to get to the bottom of the involvement of elements of high level secrecy only strengthens his resolve to pursue the story to the end With the help of his camera man and good friend Wesley Banks he manages to uncover some of the aspects of the man s personality but while attempting to bring light to the shadows of his hidden past they manage to attract some unwanted attention Striving to balance the art of good journalism without over stepping the official boundaries and trying to stay sane and alive while out in the jungle with the platoon gives Jack a constantly changing mix of satisfaction frustration and of course at times total mental stress The final part of the story sees the men of 108 Platoon caught up in a battle which becomes a week long struggle of life and death Every ounce of Jack s courage stamina and strength of mind is called upon to not give up even when his comrades are falling around him and it seems like all hope is lost He marvels at the combat skills of the men and their ability to keep fighting for survival in a world he can only liken to hell a world he just wants to get away from now that he knows it at its worst Towards the end of this epic odyssey Jack learns some unusual information which gives him an important key to the possibility of unlocking the mystery that is Ben Cale however he is left wondering what it is that he might uncover and how it may affect his life afterwards The story of Jack O Sullivan includes his own observations on not only the reality of war but also the human elements of the people caught up within it The mystery surrounding Ben Cale adds a level of intrigue to the tale which will keep the reader hungry for more *Continent* ,1914 **Weekly Compilation of Presidential Documents** ,2000 **Grady's Odyssey** Chris Hargrove,2014-07-29 Grady Williams was on top of the world Raised by middle class parents in a small town in Tennessee he became a successful Wall Street investment banker His picture was common not only on the front page of the business section of the New York Times but also on its society page He

had it all A beautiful and talented girlfriend a friend that was like a brother to him and more money than he could spend in two lifetimes When a series of tragic events occur almost simultaneously his life is turned upside down Grief loneliness and loss cause him to lose interest in all the things that had once seemed so important to him In search of himself he abandons New York money and people he thought were his friends The discovery of an old boat with a suspicious past and its restoration become his new obsession The energy that he had once put into his business career he channels into his new love of the sea and his boat He becomes determined to sail his little boat to whatever destinations he can dream Little did he know that his slow and ugly boat Slugly would take him on an odyssey containing a drug trafficker a shady Caribbean real estate deal and ultimately a string of murders Gradys knowledge of high finance the love of the deal and his interest in a mysterious woman he meets in the Bahamas casts him into a game where winning and losing is not measured by profit and loss but in life and death
