Telling Distance Conversations With The American Desert:

The Telling Distance Bruce Berger, 1997-01-01 Winner of the 1990 Western States Book Award for Creative Nonfiction The Telling Distance evokes the yearning expanses of our southwestern deserts and finds them full of sensuous marvels erratic life forms eccentric fellow travelers dry humor and surprise In prose that revels in paradox it reveals desert distances to be doubly telling they both magnify our spirit and have incomparable tales to tell **Glen Canyon Dammed** Jared Farmer, 1999 Focusing on the saddening maddening example of Glen Canyon Jared Farmer traces the history of exploration and development in the Four Corners region discusses the role of tourism in changing the face of the West and shows how the invention of Lake Powell has served multiple needs He also seeks to identify the point at which change becomes loss How do people deal with losing places they love How are we to remember or restore lost places **BOOK JACKET** The Ecocriticism Reader Cheryll Glotfelty, Harold Fromm, 1996 This book is the first collection of its kind an anthology of classic and cutting edge writings in the rapidly emerging field of literary ecology Exploring the relationship between literature and the physical environment literary ecology is the study of the ways that writing from novels and folktales to U S government reports and corporate advertisements both reflects and influences our interactions with the natural world A Desert Harvest Bruce Berger, 2019-03-12 A career spanning collection of Bruce Berger s beautiful subtle and spiky essays on the American desert Occupying a space between traditional nature writing memoir journalism and prose poetry Bruce Berger s essays are beautiful subtle and haunting meditations on the landscape and culture of the American Southwest Combining new unpublished essays with selections from his acclaimed trilogy of desert books The Telling Distance There Was a River and Almost an Island A Desert Harvest is a career spanning selection of the best work by this unique and undervalued voice Wasteland architecture mountaintop astronomy Bach in the wilderness the mind of the wood rat the canals of Phoenix and the numerous eccentric personalities who call the desert their home all come to life in these fascinating portraits of America s seemingly desolate terrains **The Solace of Fierce Landscapes** Belden C. Lane, 2007-02-26 In the tradition of Kathleen Norris Terry Tempest Williams and Thomas Merton The Solace of Fierce Landscapes explores the impulse that has drawn seekers into the wilderness for centuries and offers eloquent testimony to the healing power of mountain silence and desert indifference Interweaving a memoir of his mother s long struggle with Alzheimer s and cancer meditations on his own wilderness experience and illuminating commentary on the Christian via negativa a mystical tradition that seeks God in the silence beyond language Lane rejects the easy affirmations of pop spirituality for the harsher but more profound truths that wilderness can teach us There is an unaccountable solace that fierce landscapes offer to the soul They heal as well as mirror the brokenness we find within It is this apparent paradox that lies at the heart of this remarkable book that inhuman landscapes should be the source of spiritual comfort Lane shows that the very indifference of the wilderness can release us from the demands of the endlessly anxious ego teach us to ignore the inessential in our own lives and enable us to transcend

the false self that is ever obsessed with managing impressions Drawing upon the wisdom of St John of the Cross Meister Eckhardt Simone Weil Edward Abbey and many other Christian and non Christian writers Lane also demonstrates how those of us cut off from the wilderness might make some desert in our lives Written with vivid intelligence narrative ease and a gracefulness that is itself a comfort *The Solace of Fierce Landscapes* gives us not only a description but a performance of an ancient and increasingly relevant spiritual tradition
