Joseph Krause, 2013-12-11 The general opinion of Warren Harding is that he has been justly ranked as the Worst of our Presidents based largely on the corruption that was brought to light after his death The truth is however that he had no personal involvement in any of the scandals perpetrated by members of his Administration some of whom like Jess Smith an unofficial aid to the Attorney General engaged in notorious grafting that often netted six figure rewards Harding by contrast died a debtor Neither a lawyer or general Harding head of a rural Ohio newspaper was not considered an appropriate candidate for high office no less the Presidency But an awareness of shortcomings lead to his making a studious effort to overcome them successfully as recorded by leading reporters like William Allen White As spelled out in this book there is much to be said on the positive side of Hardings Presidency Due recognition is given to his accomplishments In his first year in office for example he convened a Disarmament Conference and got Congress to ratify the Four Nation Treaty to reduce naval armament He also created the Bureau of the Budget Early on a New York Times story was headlined Harding Assumes Real Leadership as Congress lags In contrast to his performance as President handsome Warren was beset by a sex addiction that lead to numerous infidelities the principal ones being with Carrie Phillips wife of a friend and Nan Britton a hometown admiring young lady 31 years his junior Nans memoir of an affair which blossomed into love covered the last six years of Hardings life Though generally mentioned and equally suppressed its intimate content is herewith for the first time set forth in detail that reveals a crucial aspect of Hardings oft mentioned love life      **Warren G. Sibley, 2014-07-22 With the analysis of the best scholars on this era 29 essays demonstrate how academics then and now have addressed the political economic diplomatic cultural ethnic and social history of the presidents of the Republican Era of 1921 1933 Harding Coolidge and Hoover This is

Harding? Timothy Wright, 2011-06-08 The Presidency of Warren G. Harding Eugene P. Trani, David L. Wilson, 1977 In this volume Eugene P Trani and David L Wilson evaluate the presidency of Warren G Harding by surveying scholarship on the Harding years Harding generally considered one of the weakest American presidents was elected chief executive in 1920 during a time of uncertainty and frustration for many of the American people The authors assess the critics and defenders of Harding in light of the administration s accomplishments and failures Both the strengths and weaknesses of the Harding administration came from the people President Harding selected for high office Charles G Dawes accomplished much by implementing sound budgetary practices in the federal government for the first time in history Herbert Hoover became the dominant figure in the Harding administration using his influence to advance both domestic and foreign policies And Charles Evans Hughes proved to be an able if conservative secretary of state Yet the accomplishments of these and other capable men tended to be short term in nature Trani and Wilson describe the widespread corruption and malfeasance in the Harding administration pointing out the Harding s erratic judgment of character caused many of his problems as president His personal habits philandering playing poker and drinking liquor during national prohibition tainted his reputation and appeared to connect him to the activities of his associates Tragically Harding sought to avoid controversy even if it meant ignoring real problems or evading justice and thus failed to provide moral leadership for the nation Harding and his advisers demonstrated little understanding of the social and economic forces at work in the country and abroad In the early 1920s the United States continued the transition from a rural society to an urbanized and industrialized society Rather than adjusting the government to meet the needs of all segments of an industrialized society Harding instituted normalcy an attempt to maintain the values of a rural society rapidly disintegrating under the impact of social and economic change The few real accomplishments of the Harding administration were buried under scandal and in the end Harding must be rated as an ineffective leader at a time when the nation would have been better served by a different more imaginative approach to government
