W. Leadbeater, 2007-06-01 If you are satisfied with regular business meetings and great fish fries then this is NOT the Masonic book for you This classic Masonic esoteric work is designed for the student seeking far deeper meanings in Masonry In the words of the author Although the book is primarily intended for the instruction of members of the Co Masonic Order whose desire as is expressed in their ritual is to pour the waters of esoteric knowledge into the Masonic vessels I hope nevertheless that it may appeal to a wider circle and may perhaps be of use to some of those many Brn in the masculine Craft who are seeking for a deeper interpretation of Masonic symbolism than is given in the majority of their Lodges C W Leadbeater 1854 1934 was an English clergyman and respected theosophical author Leadbeater is the author of the popular Freemasonry and Its Ancient Mystic Rites This is an indispensable work for the esoteric Mason Foreword by Annie Besant **The Hidden Life in Freemasonry** Charles Webster Leadbeater, 1926 The Masonic fellowship differs from all other societies in that candidates for membership have to join it blindfold and cannot receive much information about it until they actually enter its ranks Even then the majority of Masons usually obtain only the most general idea of the meaning of its ceremonies and seldom penetrate further than an elementary moral interpretation of its principal symbols In this book it is the object while preserving due secrecy upon those matters which must be kept secret to explain something of the deeper meaning and purpose of Freemasonry in the hope of arousing among the Brn a more profound reverence for that of which they are the custodians and a fuller understanding of the mysteries of the Craft Although the book is primarily intended for the instruction of members of the Co Masonic Order whose desire as is expressed in their ritual is to pour the waters of esoteric knowledge into the Masonic vessels the author hopes nevertheless that it may appeal to a wider circle and may perhaps be of use to some of those many Brn in the masculine Craft who are seeking for a deeper interpretation of Masonic symbolism than is given in the majority of their Lodges showing them that in the ritual which they know and love so well are enshrined splendid ideals and deep spiritual teachings which are of the most absorbing interest to the student of the inner side of life **The Hidden Life in Freemasonry** C. W. Leadbeater, 2016-10-27 The classic book written by the great CW Leadbeater a 33rd degree master mason nearly over 90 years ago has been remastered through this version of the book to include several masonic drawings and rituals that was not included in the original Also includes several charts and other information every man of the craft should know B Bey *The Hidden Life in Freemasonry* Charles Leadbeater, 2018-08-25 FOREWORD IT is once more my privilege to usher into the world for the helping of the thoughtful another volume of the series on the hidden side of things written by Bishop Charles W Leadbeater True Mason that he is he is ever trying to spread the Light which he

has received so that it may chase away the darkness of Chaos To look for the Light to see the Light to follow the Light were duties familiar to all Egyptian Masons though the darkness in that Ancient Land never approached the density which shrouds the West today This book will be welcomed by all Freemasons who feel the beauty of their ancient Rite and desire to add knowledge to their zeal The inner History of Masonry is left aside for the present and the apprentice is led by a trustworthy guide through the labyrinth which protects the central Shrine from careless and idle inquirers Places that were obscure become illuminated dark allusions are changed to crystal clarity walls which seem solid melt away confidence replaces doubt glimpses of the goal are caught through rifts in the clouds and the earth born mists vanish before the rays of the rising sun Instead of fragments of half understood traditions confused and uninterpreted we find in our hands a splendid science and a reservoir of power which we can use for the uplifting of the world We no longer ask What is the Great Work We see that it is nothing less than a concerted effort to carry out the duty that is laid upon us as those who possess the Light to spread that Light abroad through the World and actually to become fellow labourers with T G A O T U in His great Plan for the evolution of our Brn The detailed explanations of the ceremonies are profoundly interesting and illuminative and I commend them very heartily to all true Freemasons Our V I Brother has added a heavy debt of gratitude by this book to the many we already owe him Let us be honest debtors AdyarANNIE BESANTDecember 25 1925 *The Hidden Life in Freemasonry* Charles Webster Leadbeater,1998 **The Hidden Life in Masonry** C.
