Sins Of Their Fathers:

Sins of the Fathers Bishop Kevin Foreman, 2020-09-08 This book is a must have for every believer The Bible teaches that there are three kinds of sin Sin to miss the mark Transgression to willingly disobey God and Iniquity which is generational sin that s been passed down The Bible says that the iniquity of the fathers would be passed down to the third and fourth generations When you become a Christian your spirit is baptized into a new family but your flesh can still operate under the generational curses of your bloodline In this book Bishop Foreman lays the groundwork to understanding what a generational curse is and how they can affect believers that are unaware of them 90% of the issues that most people deal with are related to their father or absence thereof The enemy has strategically removed the fathers out of many homes because children receive their identity from their father Why has the enemy devoted so much time trying to hinder your family It s not because you all are so messed up it s because there s so much destiny and purpose in them that he wants to stop If you don t interrupt the generational curses that have been operating in your life you could end up rejecting your destiny We ll identify the familiar spirits or certain patterns of behavior that are common to certain families Bishop deals with discerning and destroying those destructive spirits that have been operating in your family and when you finish this book you will be fully equipped to identify battle and overcome every generational curse in your bloodline It s time to stop blocking the blessing God made up His mind about you He s blessed you and He won t take it back Find out what the blessing is and how to see it manifest in your life now There s a generational blessing stored up in your bloodline and learn how to access it with this riveting groundbreaking and intentionally shocking book **Sins of the Fathers**

Sins of the Father J. D. Henington, 2022-10-05 For the past twenty two years Marcello di Paulo has been the faithful Consigliere to Pietro Giordano Capo of one of the most powerful Camorra Families in Naples However recent events have seen their close relationship deteriorate out of control Di Paulo seizes control of the Family Clan and embarks on a journey of personal revenge and fortune hunting only to plummet into the same self serving lifestyle as that of his former Capo Along the way he connects with a previously unknown Australian family sharing the same bloodline Family loyalty becomes irrelevant and inconsequential when the dark secrets of the family leads to outright hostility as the two antagonists declare Clan war in their struggle to win honour and the disputed family treasure

The Ten Commandments Martin Sicker,2007-12 The Ten Commandments is an exploration into the background meaning and implications of the Decalogue from a Judaic perspective Although they have become a universal symbol of Judeo Christian civilization it is only within Judaism that the Ten Commandments have a juridical function that goes beyond the mere announcement of a set of key precepts for man and society In Judaism the Ten Commandments are considered an epitome of the vast body of biblical legislation a concise statement of a mere 172 Hebrew words that was presented as a credo that could easily be memorized and serve as a basic list of essentially easily understandable general rules It was not expected that the ordinary citizen would remember or fully understand the plethora of commandments found in the Torah that demand compliance and observance by the children of Israel their descendents and those who chose to cast their lot in life with them To understand the meaning and significance of the Ten Commandments in Judaic thought it is therefore necessary to correlate them with the body of legislative enactments set forth in the Torah dealing with the same subject matter a rather complex endeavor that this study hopes to facilitate
