Sir George Sansom And Japan A Memoir:

Sir George Sansom and Japan Katharine Sansom,1972 Sir George Sansom and Japan ,1972 **Collected Writings of Ian Nish** Ian Nish,2014-04-23 This volume of the Collected Writings of Modern Western Scholars on Japan brings together the work of Ian Nish on international relations affecting Japan Russia China and Korea in the nineteenth and twentieth centuries *The United States and Cultural Heritage Protection in Japan (1945-1952)* Nassrine Azimi,2025-10-01 One of the untold stories of the American military occupation of Japan from 1945 to 1952 is that of efforts by the Arts and Monuments Division of the Supreme Commander for the Allied Powers SCAP for the preservation of Japan s cultural heritage While the role of Allies after WWII in salvaging the cultural heritage of Europe has recently become better known not much is written of the extraordinary vision planning and endeavors by curators and art specialists embedded in the US military and later based in Tokyo and their peers and political masters back in Washington D C all of whom ensured that defeated Japan s cultural heritage was protected in the chaos and misery of post war years **British Envoys in Japan, 1859-1972** ,2021-10-01 Comprehensive coverage of the diplomatic history in Japan of H M Representatives and the events that marked their period of office *The Nature and Origins of Japanese Imperialism* Donald Calman,2013-02-01 This important book which many will regard as controversial argues convincingly that the Japanese imperialism of the first half of the Twentieth Century was not a temporary aberration The author looks at the detail of the great crisis of 1873 and shows that the prospect of economic gain through overseas expansion was the central issue of that year s political struggles He goes on to show that Japan had a long earlier history of aiming for economic expansion overseas and that Japan s Twentieth Century imperialism grew out of this In addition he argues convincingly that much of the writing about Japan has played down the true extent and nature of Japanese imperialism *Japan Among the Powers, 1890-1990* Sydney Giffard,1997-01-01 This absorbing book written by an author who lived in and studied Japan for many years provides a fresh perspective on Japan s history politics and culture over the past hundred years It traces Japan s phenomenal development into one of the world s great powers portraying events in Japan and its rapid industrialization as they were shaped by Japanese decision makers rather than as they were perceived by the outside world Beginning in 1890 the year in which the country s first modern constitution came into being and the Imperial Diet was first convened Sydney Giffard describes Japan s determination to gain an equal place with the dominant nations of the West He examines the complex interplay of forces underlying economic development through the century during peace and war analyzing the conflicts and contradictions as well as the achievements Recognizing the role of individuals in the development of modern Japan he includes insights into many important leaders from those who directed comprehensive national transformation at the start of the century to those who inspired economic recovery after World War II He concludes by analyzing the demand for political reform in Japan up to the spring of 1992 and commenting on its implications for Japan s future as a world power *Britain and Japan* Hugh Cortazzi,2013-05-13 The

continuing success of this series highly regarded by scholars and the general reader alike has prompted The Japan Society to commission this fourth volume devoted as before to the lives of key people both British and Japanese who have made significant contributions to the development of Anglo Japanese relations The appearance of this volume brings the number of portraits published to over one hundred The portraits cover diplomats from Mori Arinori to Sir Francis Lindley businessmen from William Keswick to Lasenby Liberty engineers and teachers from W E Ayrton to Henry Spencer Palmer scholars and writers from Sir Edwin Arnold to Ivan Morris as well as journalists judo masters and the aviator Lord Semphill In all there are a total of 34 contributions

Consul in Japan, 1903-1941 Hugo Read, 2025-10-01 A rare account by a foreigner working in Japan in the 20th century a unique insight into this important period of Japan's history complements existing material First a student interpreter then an assistant in Korea Vice Consul in Yokohama and Osaka Consul in Nagasaki and Dairen then Consul General in Seoul Osaka Mukden and Tientsin Not a contemporary diary as such but a write up of notes made towards the end of White's career spanning thirty eight years Importantly it includes reflective passages on the momentous developments of the later 1930s as Japan moved onto a war footing in China and as Consul General in the Chinese treaty port of Tianjin under Japanese occupation White was in the middle of the growing tensions between Britain and Japan His post war recollections are also valuable Like others who had lived and worked in Japan he sought to come to terms with what had happened to the country in which he had spent so much of his adult life Along the way he provides fascinating vignettes of his colleagues some well known others less so while his service in Seoul Mukden now Shenyang and Tianjin provides fresh material on the Japanese colonial empire

Murray, 2004-01-01 Historians have long claimed that a tradition of fear of Japan dominated Australian thinking about foreign affairs and defense after Japan s defeat of Russia in 1905 and that this fear remained widespread throughout the Australian population until the Pacific War This study of Australian reporting on Japan challenges that claim by exposing a culture of state censorship intimidation of the media and neglect of official public discussion of foreign affairs in the years 1931 1941 which resulted in newspapers radio and news reels projecting a collective national consciousness of Japan as a nation of little import despite very real fears in senior political ranks about Japanese designs on Australia Jacqui Murray s argument for the
