## Six Guns And Society:

*Six Guns and Society* Will Wright, 1975      *Sixguns and Society* Will Wright, 2023-04-28 From the Preface The purpose of this book is to explain the Western's popularity While the Western itself may seem simple it isn't quite an explanation of its popularity cannot be for the Western like any myth stands between individual human consciousness and society If a myth is popular it must somehow appeal to or reinforce the individuals who view it by communicating a symbolic meaning to them This meaning must in turn reflect the particular social institutions and attitudes that have created and continue to nourish the myth Thus a myth must tell its viewers about themselves and their society This study which takes up the question of the Western as an American myth will lead us into abstract structural theory as well as economic and political history Mostly however it will take us into the movies the spectacular and not so spectacular sagebrush of the cinema Unlike most works of social science the data on which my analysis is based is available to all of my readers either at the local theater or more likely on the late late show I hope you will take the opportunity whenever it is offered to check my findings and test my interpretations the effort is small and the rewards are many And if your wife husband mother or child asks you why you are wasting your time staring at Westerns on TV in the middle of the night tell them firmly as I often did that you are doing research in social science This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 From the Preface The purpose of this book is to explain the Western's popularity While the Western itself may seem simple it isn't quite an explanation of its popularity cannot be for the Western like any myth stands between individual human consc

*Six Guns and Society: a Structural Study of a Modern Myth* Will Henry Wright, 1972      *Film Study* Frank Manchel, 1990-10 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities      *The New Avengers* Jacinda Read, 2000-12-15 Jacinda Read studies the rape revenge film and suggests that the rape revenge cycle can be read as one of the ways in which Hollywood has attempted to make sense of feminism and the shape of heterosexual femininity in the post 1970 period      **Journal of the American Society of Naval Engineers** , 1900      **Proceedings of the Rhode Island Historical Society** Rhode Island Historical Society, 1875      *Proceedings of the Reunion Society of Vermont Officers, ... with Addresses Delivered at Its Meetings* Reunion Society of Vermont Officers, 1885      **The Madhouse: A critical study of Swedish society** ,      *Journal of the Society for Army Historical Research* Society for Army Historical Research (London, England), 1929      *Southern Historical Society Papers* Southern Historical Society, 1899
