In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online Social Work, a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities; for more information visit [www.oxfordjournals.org](http://www.oxfordjournals.org). **Social Work Practice with Individuals and Families** Michael J. Holosko, Catherine N. Dulmus, Karen M. Sowers, 2012-12-27. A lifespan approach presenting evidence informed interventions for working with individuals and families. *Social Work Practice with Individuals and Families* covers assessment of and intervention with children, adolescents, adults, the elderly, and families. It offers an array of pedagogical features within each chapter as well as online resources and review questions at the conclusion of each chapter to help guide critical thinking about topics. Reflecting the current state of evidence informed social work practice, each chapter's contributors emphasize the incorporation of wider forms of systematically collected data such as case studies, best or promising practices, and consumer focused data. Reading this book will not only give readers the tools to work effectively with individuals and families but also develop their skills in evidence informed practice. Comprehensive and insightful, *Social Work Practice with Individuals and Families* is a student and practitioner friendly text identifying the best assessment tools and strategies available for social workers to successfully serve individuals and families facing a broad range of challenges.

**The Oxford Textbook of Palliative Social Work** Terry Altiglio, Shirley Otis-Green, John G. Cagle, 2022. It is so important to advocate for things that may not always seem possible. Getting to work with patients' families at the end of their life is the ultimate honor. Lauren G. Markham, MSW, LCSW, APHSW-C. In this work, one witnesses both depths of human suffering and heights of human transcendence that can inspire both awe and fear. At those times I have found that surrendering my need to be an expert and instead allow myself to simply be a human is the wisest action. Kerry Irish, LCSW, OSW-C, FAOSW. **The Oxford Handbook of Social Work in Health and Aging** Daniel B. Kaplan, Barbara Berkman, 2016. This Second Edition of the Handbook addresses the evolving interdisciplinary health care context and the broader social work practice environment as well as advances in the knowledge base which guides social work service delivery in health and aging. This includes recent enhancements in the theories of gerontology, innovations in clinical interventions, and major developments in the social policies that structure and finance health care and senior services. In addition, the policy reforms of the 2010 Patient Protection and Affordable Care Act set in motion a host of changes in the United States healthcare system with potentially

profound implications for the programs and services which provide care to older adults and their families In this volume the most experienced and prominent gerontological health care scholars address a variety of populations that social workers serve and the arenas in which they practice followed by detailed recommendations of best practices for an array of physical and mental health conditions The volume s unprecedented attention to diversity health care trends and implications for practice research policy make the publication a major event in the field of gerontological social work This is a Must Read for all social work social work educators practitioners and students interested in older adults and their families
