Social Mobility In Europe

Mau, Steffen, Verwiebe, Roland

Social Mobility In Europe:

Social Mobility in Europe Richard Breen, 2004-11-25 Social Mobility in Europe is the most comprehensive study to date of trends in intergenerational social mobility. It uses data from 11 European countries covering the last 30 years of the twentieth century to analyze differences between countries and changes through time. The findings call into question several long standing views about social mobility. We find a growing similarity between countries in their class structures and rates of absolute mobility. In other words the countries of Europe are now more alike in their flows between class origins and destinations than they were thirty years ago. However differences between countries in social fluidity, that is the relative chances between people of different class origins of being found in given class destinations, show no reduction and so there is no evidence supporting theories of modernization which predict such convergence. Our results also contradict the long standing Featherman Jones Hauser hypothesis of a basic similarity in social fluidity in all industrial societies with a market economy and a nuclear family system. There are considerable differences between countries like Israel and Sweden where societal openness is very marked and Italy, France and Germany where social fluidity rates are low. Similarly there is a substantial difference between for example the Netherlands in the 1970s which was quite closed and in the 1990s when it ranks among the most open societies. Mobility tables reflect many underlying processes and this makes it difficult to explain mobility and fluidity or to provide policy prescriptions. Nevertheless those countries in which fluidity increased over the last decades of the twentieth century had not only succeeded in reducing class inequalities in educational attainment but had also restricted the degree to which among people with the same level of education class background affected their chances of gaining access to better class destinations. *Social Mobility in the 19th and 20th Centuries* Hartmut Kaelble, 1985

Building European Society Andrew Miles, David Vincent, 1993 *Fostering Social Mobility As a Contribution to Social Cohesion* Council of Europe, 2013-01-01 The European Committee for Social Cohesion CDCS is the intergovernmental body of the Council of Europe addressing social issues at the level of its 47 member states. This publication includes the Recommendation on fostering social mobility as a contribution to social cohesion. Page 8. *New Social Mobility* Jens Schneider, Maurice Crul, Andreas Pott, 2022-06-28 This open access book comparatively analyses intergenerational social mobility in immigrant families in Europe. It is based on qualitative in depth research into several hundred biographies and professional trajectories of young people with an immigrant working class background who made it into high prestige professions. The biographies were collected and analysed by a consortium of researchers in nine European countries from Norway to Spain. Through these analyses the book explores the possibilities of cross country comparisons of how trajectories are related to different institutional arrangements at the national and local level. The analysis uncovers the interaction effects between structural institutional settings and specific individual achievements and family backgrounds and how these individuals responded to and navigated successfully through sector specific pathways into high skilled professions such as

becoming a lawyer or a teacher By this it also explains why these trajectories of professional success and upward mobility have been so exceptional in the second generation of working class origins and it tells us a lot also about exclusion mechanisms that marked the school and professional careers of children of immigrants who went to school in the 1970s to 2000s in Europe and still do [Social Mobility in Europe \[electronic Resource.\]](#), Richard Breen,2004 [Education and Intergenerational Social Mobility in Europe and the United States](#) Richard Breen,Walter Müller,2020 [Historical Research on Social Mobility](#) Hartmut Kaelble,2025-08 First published in English in 1981 Historical Research on Social Mobility treats a central area of social history the history of social mobility It provides a unique guide to the wide range of research in this area that is carried out by many specialists of varying disciplines within social science Concentrating on Western Europe and the USA during the nineteenth and twentieth centuries the book considers four topics changes in the occupational and social opportunities of the working class the inequality of educational opportunity shifts in the recruitment of business elites and changes in the social origins of the political elites Illustrating concrete results of research into the history of social mobility the volume also points to both the advances and shortcomings in this relatively new area Incorporating an extensive bibliography the book provides an invaluable stimulus for further reading and investigation **Social Mobility in the EU** Anna Ludwinek,Fondation européenne pour l'amélioration des conditions de vie et de travail,Robert Anderson,Daphne Ahrendt,Jean-Marie Jungblut,Tadas Leončikas,2017 [Liberal Reflections on Life Chances and Social Mobility in Europe](#) Ingemund Hägg,Alasdair Murray,2010 **Social Mobility in the 20th Century** Florian R. Hertel,2016-08-09 Based on a novel class scheme and a unique compilation of German and American data this book reveals that intergenerational class mobility increased over most of the past century While country differences in intergenerational mobility are surprisingly small gender regional racial and ethnic differences were initially large but declined over time At the end of the 20th century however mobility prospects turned to the worse in both countries In light of these findings the book develops a narrative account of historical socio political developments that are likely to have driven the basic resemblances across countries but also account for the initial decline and the more recent increase in intergenerational inequality **Historical Research on Social Mobility** Hartmut Kaelble,1981 **Handbook of European Societies** Stefan Immerfall,2009 European integration is one of the most ambitious and socially far reaching developments in world politics and in world economics Against growing opposition and despite increasing social heterogeneity the European Union continues to expand and to acquire new competences But to what extent is the self proclaimed ever closer union among the peoples of Europe a social reality In which ways is the political European project anchored in social developments How does social change impinge upon political integration Societal trends in multi cultural multi ethnic multi lingual and socially diverse Europe have never been studied systematically Handbook of European Societies Social Transformations in the 21st Century sets to rectify this neglect of societal developments in Europe providing a groundwork for the sociology of European integration The book portrays social

life and social relations in the enlarged Europe and gives a perspective on the European Union as an evolving social entity

Handbook of European Societies is a pioneering source book analyzing the current social patterns on the continent It covers a representative selection of major topics of social concern and sociological relevance such as Collective Action Consumption Identity Power Structure Sexuality Stratification and Well being Each contribution probes key developments in a strictly comparative manner The Handbook thus offers a detailed look into the intricacies of the national societies of Europe and into the prospect of an emerging European society The Editors have enlisted leading researchers to synthesize existing knowledge and to make use of many different data sources in a straight forward style The contributions stay away from jargon simple labeling and sweeping assertions Instead they provide solid and accessible information on a wide variety of social trends and processes within and across European societies

The Globalisation Challenge for European Higher Education Zgaga Pavel,Teichler Ulrich,Brennan John,2013-07-26 The last decade has marked the European higher education with a particular dynamics Today after a decade of a concerted policy national systems look much more convergent but new questions and dilemmas are emerging about its nature and quality about real impact of recent reforms in different countries as well as about its future The book examines the impact of Europe wide and global developments on national higher education systems The authors try in particular to upfront issues of convergence and diversity of equity and of the relationship of centres and peripheries in higher education The book is an outcome of research collaboration between six institutes which developed a EuroHESC research proposal on the consequences of expanded and differentiated higher education systems

European Societies Mau, Steffen,Verwiebe, Roland,2010-10-08 This title looks at the European model in historical perspective commonalities and intra European exchange and characteristics of the European social structure

Sociology of the European Union Adrian Favell,Virginie Guiraudon,2017-09-16 Sociology of the European Union examines how core sociological theories concepts and methods can be applied to the study of the EU Carefully integrating theory and empirical research the book Explores key concepts in European studies such as Europeanization integration and transnationalism Assesses the social foundations of Europe from class and citizenship to mobility and culture Includes contributions by internationally renowned names in political economic and cultural sociology Contains a postface from George Ross one of the leading figures in contemporary European Studies This thought provoking book opens up new questions and debates whilst introducing readers to essential ideas and cutting edge research It is invaluable reading for students of Sociology European Studies Politics and International Relations

The Petite Bourgeoisie in Europe 1780-1914 Geoffrey Crossick,Heinz-Gerhard Haupt,2021-02-25 First published in 1995 Geoffrey Crossick and Heinz Gerhard Haupt provide a major overview of the social economic cultural and political development of the petite bourgeoisie in eighteenth nineteenth and early twentieth century Europe Through comparative analysis the authors examine issues such as the centrality of small enterprise to industrial change the importance of family and locality to the petit bourgeois world the

search for stability and status and the associated political move to the right This title will be of interest to students of history

The Global Lives of German Migrants Marcel Erlinghagen, Andreas Ette, Norbert F. Schneider, Nils Witte, 2021-04-29

Based on the German case this open access book highlights the increasing flows of migration and the internationalisation of individual life courses It analyses the experiences of migration across four central domains employment and income partners and families health and wellbeing as well as friends and social participation which potentially have far reaching consequences for social inequalities and life chances The book showcases results from an innovative probability sample that is representative of German emigrants who recently moved abroad and remigrants who recently returned from abroad and compares their international experiences with the sedentary population in Germany Stays abroad whether temporary or permanently have become the new normal for increasing numbers of people from highly developed welfare states Unnoticed from mainstream migration studies these countries are today not only major immigration countries but also important sources of international mobility By providing an empirically founded prism of the global lives of German migrants this book is a valuable resource for students and researchers of migration social inequality and the life course and provides practitioners with insights into these regularly overlooked aspects of international migration [Research Handbook on](#)

[Intergenerational Inequality](#) Elina Kilpi-Jakonen, Jo Blanden, Jani Erola, Lindsey Macmillan, 2024-05-02 The Research Handbook on Intergenerational Inequality is motivated by a core question in social science to what extent does one's family background and childhood experience predict success in life Bringing together experts in their respective fields from across the globe this innovative Research Handbook provides a comprehensive multidisciplinary account of the rich research on intergenerational inequality focusing on its origins in sociology and economics This title contains one or more Open Access chapters

European Modernity and Beyond Göran Therborn, 1995-03-06 In this book one of Europe's foremost sociologists offers a profound and accessible overview of the trajectory of European societies East and West since the end of World War II Combining theoretical depth with factual analysis Göran Therborn addresses the questions that underpin an understanding of the nature of European modernity including To what extent is the period 1945-2000 producing fundamental change and what are the areas of continuity Have the societies of Europe become more similar to others on the globe or more distinctively European What are the prospects of Europe after decades of postwar change and the end of the Cold War Issues covered include the division of paid and unpaid labour patterns of rights in different social spheres the development of mass consumption the evolution of risks the spatial range of economic and cultural change collective memory and identities the geography of happiness and modes of collective action The author relates these issues to the two great social steering projects of the period socialism in the East and the European Union in the West

This book delves into Social Mobility In Europe. Social Mobility In Europe is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Social Mobility In Europe, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Social Mobility In Europe
- Chapter 2: Essential Elements of Social Mobility In Europe
- Chapter 3: Social Mobility In Europe in Everyday Life
- Chapter 4: Social Mobility In Europe in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Social Mobility In Europe. This chapter will explore what Social Mobility In Europe is, why Social Mobility In Europe is vital, and how to effectively learn about Social Mobility In Europe.
3. In chapter 2, the author will delve into the foundational concepts of Social Mobility In Europe. This chapter will elucidate the essential principles that need to be understood to grasp Social Mobility In Europe in its entirety.
4. In chapter 3, this book will examine the practical applications of Social Mobility In Europe in daily life. This chapter will showcase real-world examples of how Social Mobility In Europe can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Social Mobility In Europe in specific contexts. This chapter will explore how Social Mobility In Europe is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Social Mobility In Europe. The final chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Social Mobility In Europe.

Social Mobility In Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Mobility In Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Mobility In Europe has opened up a world of possibilities. Downloading Social Mobility In Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Mobility In Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access

information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Mobility In Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Mobility In Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Mobility In Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Mobility In Europe has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Mobility In Europe Books

1. Where can I buy Social Mobility In Europe books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
