Social Policy Reform in China Catherine Jones Finer, 2017-11-01 This title was first published in 2003 The People's Republic of China PRC is a timely example of social policy reform in a socialist market economy This important and topical edited collection brings together leading Chinese and Western experts to introduce and integrate policy issues of the PRC into the mainstream of cross national social policy debate Drawing upon comparativist expertise in relevant aspects of social policy the book explores the ways in which the PRC has or has not taken lessons from abroad in key social policy respects and illustrates policy relevant relations between Chinese and Western perspectives The contributors identify those aspects of China's recent social policy reforms that seem the most and least likely to appeal to Western societies The collection therefore represents a substantial advance in two way East West lesson learning in social and public policy *Urban Poverty, Housing and Social Change in China* Ya Ping Wang, 2004-10-21 Economic reform in China has resulted in a widening gap between the rich and the poor and urban poverty has emerged as a key factor which may affect future development This new book examines the poverty problem in relation to housing and social changes in large inland cities and assesses the effectiveness of recent government anti poverty policies The book also puts the Chinese experience in the wider context of transitional economies and discusses the similarities and differences between China and Central and Eastern European countries The book is based on a long period of research on Chinese urban development and benefited from several research projects conducted in Chinese cities It is an important reference for all of those interested in housing urban studies and social change and is a key text for students of the Chinese economy and society *Marginalisation in China* Bin Wu, Richard Sanders, 2016-05-13 Economic transition in China has witnessed re centralization of resources from the margin to the core in economic social and political senses This book employs a marginalization lens to reveal delineate and better understand the processes patterns trends multiple dimensions and dynamics of the phenomenon and the consequences and implications for development and well being in the country Bringing together a wide range of domestic and international experts and disciplinary perspectives the book combines empirical research and conceptual analysis to provide an insightful overview of China's recent development It contributes to the debate over marginalization and its interactions with globalization and transition in China and has significance for various domestic and international policy arenas in respect of tackling marginalization poverty and social exclusion effectively while striving for the achievement of the UN Millennium Development Goals in China and beyond Ageing Matters John Doling, 2018-01-18 The implications of population ageing have long concerned politicians policy makers and governmental and non governmental organizations in the welfare states of Europe However an ageing workforce is increasingly a matter of concern for the developed and fast developing countries of Asia Japan leads the field in this respect on account of the speed of its postwar economic development But the little tigers of Hong Kong Singapore South Korea and Taiwan are poised to catch up and Malaysia though in the second tier of developing

Asian economics faces the prospect of population ageing sufficient to daunt an as yet under prepared infrastructure for old age support This book is the first to examine in detail the experiences and prospects of population ageing in those Asian countries with the highest GDP per capita The authors pose the question to what extent Asia and old Europe can learn from each other in terms of policy planning The first section of the book sets out the field in terms of the demographic characteristics and policy predicaments of European and Asian countries The second section presents case studies of six countries Japan Hong Kong Singapore South Korea Taiwan and Malaysia *China's New Underclass* Xinying Hu,2013-07-03 This book examines the implications of China s economic reforms for domestic work and domestic workers It analyses the factors giving rise to paid domestic work in a socialist economy and the need for social protection of domestic women workers within cities in contemporary China *Managing Globalization* David A. Kelly,Ramkishen S. Rajan,Gillian H. L. Goh,2006 The dynamics of a global economy is being reshaped by the economic emergence of two Asian giants China and India How the world s two most populous countries manage globalization as they pursue economic reform and liberalization will impact significantly their societies the rest of Asia and the world This book brings together articles by first rate scholars of China and India to share and discuss their research findings in four areas Challenges Opportunities and Responses to Globalization Social Security and Governance National Security in the age of Globalization and Ethnicity and Identity in the New World The book includes an opening address by Singapore s Minister Mentor Lee Kuan Yew from his speech on Managing Globalization Lessons from China and India delivered at the official opening of the Lee Kuan Yew School of Public Policy on 4 April 2005 *Managing Globalization: Lessons From China And India* Gillian Hui Lynn Goh,David Anthony Kelly,Ramkishen S Rajan,2006-10-30 The dynamics of a global economy is being reshaped by the economic emergence of two Asian giants China and India How the world s two most populous countries manage globalization as they pursue economic reform and liberalization will impact significantly their societies the rest of Asia and the world This book brings together articles by first rate scholars of China and India to share and discuss their research findings in four areas Challenges Opportunities and Responses to Globalization Social Security and Governance National Security in the age of Globalization and Ethnicity and Identity in the New World The book includes an opening address by Singapore s Minister Mentor Lee Kuan Yew from his speech on Managing Globalization Lessons from China and India delivered at the official opening of the Lee Kuan Yew School of Public Policy on 4 April 2005 **Religion and China's Welfare Regimes** André Laliberté,2022-04-23 This book presents the welfare regime of China as a liminal space where religious and state authorities struggle for legitimacy as new social forces emerge It offers a unique analysis of relations between religion and state in the People s Republic of China by presenting how the Chinese Communist Party CCP tries to harness Buddhist resources to assist in the delivery of social services and sheds light on the intermingling of Buddhism and the state since 1949 This book will appeal to academics in social sciences and humanities and broader audiences interested in the social role of religions charity NGOs

and in social policy implementation The author explores why the CCP turns to Buddhist followers and their leaders and presents a detailed view of Buddhist philanthropy contextualized with an historical overview a regional comparative perspective and a review of policy debates This book contributes to our understanding of secularity in a major non Western society influenced by religions other than Christianity **Housing and the New Welfare State** Richard Groves,2016-04-29

The changing nature and significance of housing provision within welfare states is considered in this timely book With housing playing an increasingly important role in welfare provision the new welfare state emerging in different parts of the world is being developed in the context of individual asset accumulation and the private ownership of housing Housing and the New Welfare State shows that housing is becoming critical to asset based welfare not only in Western Europe but also in the six East Asian housing systems that are a major focus of the book Chapters by leading East Asian scholars provide analysis of housing policies in Singapore Hong Kong Korea Japan China and Taiwan Also examined are the four worlds of welfare and housing the causes and consequences of the shift from tenants to home owners in the old welfare states of Britain and other parts of Western Europe and the growth of the property owning welfare state as a theme running through contemporary policy in both East Asia and Europe Financing Welfare State Systems in Asia Christian

Aspalter,2021-09-28 This book identifies the main causes of welfare state system extension as well as the differences in welfare state system design and their consequences for human behavior and the future financial stability of the systems in place in different parts of Asia Providing ten in depth country case studies from across the region including India Thailand China Hong Kong Macao Taiwan and South Korea as well as Russia Turkey and Saudi Arabia the book focuses on the situation of welfare state system development and its financing in some of the largest countries on earth It addresses previously neglected areas for investigation such as the causal reasons for welfare state system extension not only in Asia but in general the types of social security systems and their incentive systems in place and the way they chiefly determine behavior and thus determine the resulting social security needs This book will be of interest to all scholars and students of social policy public policy political science sociology finance and economics development studies and Asian studies more broadly

Pathways to State Welfare in Korea Gyu-Jin Hwang,2017-03-02 Why has Korean social policy developed differently from that of other East Asian countries While in many respects Korea can be compared with Taiwan Hong Kong and Singapore where economic development has been the chief priority of state action Korea has also implemented extensive welfare reform expanding its welfare provision even under recent conditions of economic downturn Gyu Jin Hwang traces the development of the Korean welfare state providing a fascinating case study for observers of East Asian industrial growth and the public management of social risks Arguing that the extension of state welfare presents a unique challenge to existing theoretical propositions underlying social policy development he draws on detailed empirical analysis of key policy areas namely public assistance national pensions health care and employment insurance The book offers a definitive analysis of the

development of Korean social policy programmes and the politics of implementing them The book will be important reading for all those interested in comparative Social Policy and more specifically the development of Social Welfare in Asian countries

Social policy in China Chan, Chak Kwan,Ngok, Kinglun,2008-02-13 This much needed new textbook introduces readers to the development of China's welfare policies since its conception of an open door policy in 1978 Setting out basic concepts and issues including key terms and the process of policy making it overcomes a major barrier to understanding Chinese social policy The book explores in detail the five key policy areas of employment social security health education and housing Each is examined using a human well being framework comprising both qualitative and quantitative data and eight dimensions physical and psychological well being social integration fulfilment of caring duties human learning and development self determination equal value and justice This enables the authors to provide not only factual information on policies but also an in depth understanding of the impact of welfare changes on the quality of life of Chinese people over the past three decades A major strength of the book lies in its use of primary Chinese language sources including relevant White Papers central and local government policy documents academic research studies and newspapers for each policy area There are very few books in English on social policy in China and this book will be welcomed both by academics and students of China and East Asian studies and comparative social policy and by those who want to know more about China's social development

Economic Growth and Sustainable Housing Jin Xue,2013-08-15 Economic Growth and Sustainable Housing An Uneasy Relationship critically discusses the possibilities of decoupling environmental degradation from economic growth The author refutes the belief in combining perpetual economic growth with long term environmental sustainability based on the premise that economic growth can be fully decoupled from negative environmental impacts This proposition is underpinned by intensive study in the housing sector from both theoretical and empirical perspectives Xue employs critical realism to inform the investigation and organize the argumentation throughout the book The book is organised into four parts the first discusses the relevance of critical realism to the research field of housing and urban sustainable development in terms of ontology and methodology The second makes a transcendental refutation of the possibilities of decoupling economic growth from housing related environmental impacts by describing transfactual conditions of full decoupling The third part presents two case studies to show whether and to what extents decoupling between economic growth and housing related environmental impacts have historically taken place Inspired by critical realist ontology generalization of abstract concept from the case studies are made to cast light on the implausibility of maintaining perpetual economic growth through decoupling The final part explains why and how the belief in full decoupling and economic growth is generated and sustained despite its implausibility and non necessity which constitutes an explanatory critique of the growth and decoupling ideology and paves the way for the paradigm shift to socially sustainable development This book will be of interest to students of housing and urban studies to students of environmental sustainability and also for

those students and academics with a general interest in critical realism **Ageing in Singapore** Peggy Teo, Kalyani Mehta, Leng Leng Thang, Angelique Chan, 2006-09-27 Providing original critical discourse from Asian writers recording Asian voices this fascinating text is an invaluable resource giving an in depth analysis of the experience of ageing in Singapore

Learning From Comparative Public Policy Richard Rose, 2004-08-02 This textbook offers a fresh approach to the study of comparative politics and public policy Instead of concentrating on why countries differ Learning From Comparative Public Policy explores how countries can learn from each other about the success and failure of policy initiatives With its theory and practice focus the lively narrative analyzes the cultural and resources problems involved in importing policies and the roles of institutions regulators think tanks and experts In addition to explaining the key tenets of policy analysis the internationally renowned author offers a wide variety of international case studies and useful boxes to highlight examples Invaluable reading for students of public policy for policy makers and practitioners working in the public sector it includes learning from comparison defining a problem and creating awareness where to look for lessons applying the policy model the problems of importing models using terms to evaluate future consequences **How to Manage International**

Multidisciplinary Research Projects Hantrais, Linda, 2022-08-05 This insightful How to guide is expertly crafted to assist mid career academic and non academic researchers in preparing for new and innovative ways of working in international multidisciplinary environments Segregation Eric Fong, Kumiko Shibuya, Brent Berry, 2021-11-30 Segregation is one of the starkest social realities of contemporary societies Though often associated with explicitly racist laws of the past it is a phenomenon that persists to this day and is a crucial element for understanding group relations and the wellbeing of different populations in society In this book Eric Fong Kumiko Shibuya and Brent Berry provide a thorough discussion of the evolving complexity of segregation in its variety and variations The authors focus not only on past trends and the development of segregation measures but also the current state of affairs and demonstrate the connections between the segregation of racial ethnic groups and immigrant communities along with poverty concentration By taking a wide cross cutting view the authors identify commonalities and differences in the causes mechanisms and consequences of segregation Spatial and social segregation together perpetuate and reinforce the unequal distribution of resources among racial and ethnic groups which in turn can have positive and negative consequences for individuals and groups This critical overview of segregation will be a valuable and insightful resource for students of sociology geography and ethnic studies as well as those keen to get a handle on this persistent challenge to equal and inclusive societies International Social Policy Pete Alcock, Gary Craig, 2009-03-24 The second edition of this textbook provides an accessible and structured look at social policy in a global comparative context With detailed explanations of the historical political and social context of policy developments across thirteen nations the book offers an authoritative picture of social policy across the developed world The book considers core areas of policy provision alongside contemporary international concerns such as globalisation demographic

change and economic reform Specifically it examines policy in the following nations USA Canada Australia New Zealand UK Sweden Germany Italy Russia Japan South Korea China South Africa Written and edited by leading social policy experts in each country this is an invaluable contribution to the study of global social policy and an indispensable resource for students researchers and policy makers New to this Edition Offers an expanded first chapter on welfare analysis Completely new chapters on China and South Korea Updates throughout that flag the latest changes and policy trends Explores and compares a variety of approaches to social policy
