Robert Adams, Lena Dominelli

Social Work Futures Crossing Boundaries Transforming Practice:

Handbook for Practice Learning in Social Work and Social Care Joyce Lishman, 2007-05-15 This substantially revised expanded and updated edition of the popular Handbook of Theory for Practice Teachers is a comprehensive summary of the theory knowledge research and evidence relating to practice learning in social care focussing on knowledge based practice with a focus on improving outcomes

Social Work Futures Robert Adams, Lena Dominelli, 2005-07-08 This is the third and final volume in the trilogy begun by *Social Work Themes* *Issues and Critical Debates* and *Critical Practice in Social Work* Edited by the same highly regarded team and bringing together a mix of established scholars and newer voices the book follows a similar three part structure to its companions but is carefully designed to complement rather than overlap with these Its distinctive focus is on the development of practice through deepened understanding of social work processes organizational settings and the evidence base for practice and multiprofessional working

Anti-Oppressive Practice

Dalrymple, Jane, Burke, Beverley, 2006-12-01 The authors draw on their own experiences and those of practitioners service users and carers to understand issues of power and oppression demonstrating how the law can be used to inform the development of critical anti oppressive practice The book therefore points the way to practice that is both empowering to service users and ultimately liberating for practitioners

Critical Practice in Social Work Robert Adams, Lena Dominelli, Malcolm Payne, 2009-04-16 What do social workers need to know in order to practise skilfully and effectively Edited by three Social Work s leading scholars the second edition of this highly respected textbook helps bridge the gap between social work theory and the challenges of day to day practice Versatile and thoughtful the book s simultaneous accessibility and depth make it essential reading suited for both social work students at undergraduate and post qualifying level Practitioners too will learn and benefit from the insights collected together in this valuable addition to their bookshelf

Anti-Racist Practice in Social Work Kish Bhatti-Sinclair, 2011-02-15 A critical introduction to key debates about race and racism this new addition to the Reshaping Social Work series examines race as a social construct It addresses the origins of anti racist practice and analyses practical issues to provide a blueprint for anti racist practice within social work

Practice Education in Social Work Janet Walker, Karin Crawford, Jonathan Parker, 2008-07-02 Written specifically for practice educators this book examines contemporary theories and knowledge in practice learning teaching and education with a clear emphasis on developing the skills and practice of the individual Another key focus of the book is to help readers to reflect on the implications of this for their role as practice educators giving them the time and space to make proactive and informed choices The book is structured around the new Post Qualifying Standards for Practice Education making it an invaluable and thoroughly comprehensive guide

Just Practice Janet L. Finn, 2020-12-01 *Just Practice* A Social Justice Approach to Social Work provides a foundation for critical and creative social work that integrates theory history ethics skills and rights to respond to the complex terrain of 21st century social work *Just Practice* puts the field of social work s expressed

commitment to social justice at center stage with a framework that builds upon five key concepts meaning context power history and possibility How do we give meaning to the experiences and conditions that shape our lives What are the contexts in which those experiences and conditions occur How do structures and relations of power shape people s lives and the practice of social work How might a historical perspective help us to grasp the ways in which struggles over meaning and power have played out and to better appreciate the human consequences of those struggles Taken together these concepts provide a guide for integrative social work that bridges direct practice and community building The text prepares readers with the theoretical knowledge and practice skills to address the complex challenges of contemporary social work from direct practice with individuals and families to group work organizational and community change and policy analysis and advocacy Each chapter includes learning activities reflection moments practice examples and the stories and voices of practitioners and service users to engage students as critical thinkers and practitioners The author encourages teachers and students alike to take risks move from safe familiar pedagogical spaces and practices challenge assumptions and embrace uncertainty

Transnational Social Work and Social Welfare Beatrix Schwarzer,Ursula Kämmerer-Rütten,Alexandra

Schleyer-Lindenmann,Yafang Wang,2016-08-05 The underlying frame of social work is the nation state and it is from within the state that welfare strategies and social policies are devised and implemented However post colonialism globalisation migration and the associated implications for human rights social justice and social welfare policies contest the idea of a clearly defined space for social work and present new challenges for researchers and practitioners *Transnational Social Work and Social Welfare* argues for the increased importance of the transnational perspective in social work theory and practice The book challenges the idea of the nation state as a given entity and argues that globalization and an increasing number of people crossing borders must have an impact on the theories and strategies of social work The international contributors are critical of a restricted focus on a geographically defined space and the impact on work with clients With cases covering China France India UK Germany Malaysia Israel Turkey the book highlights the challenges as well as the opportunities this new perspective can open up for theories and strategies in social work It will be of interest to students researchers and social workers interested in migration social care poverty and cultural competency in health and social care **Research for**

Social Workers Margaret Alston,Wendy Bowles,2019-09-11 Social work is developing its own research orientation and knowledge base springing from the research traditions of sociology and psychology and grounded in human rights and social justice Effective social research relies on critical thinking and the ability to view situations from new perspectives It is relevant to every area of social work practice from the initial stages of an intervention to planning a course of action and finally evaluating practice *Research for Social Workers* is an accessible introduction to the research methods most commonly used in social work and social welfare The major stages of research projects are outlined step by step including analysing results and reporting It is written in non technical language for students and practitioners without a strong maths

background Illustrated with examples from across the world this book captures the realities of social work research in a wide range of settings End of chapter exercises and questions make this an ideal introduction to research methods This third edition is fully revised and updated It includes new chapters on systematic reviews and research in crisis situations as well as more substantial coverage of statistics

Anti-Racist Social Work Lena Dominelli, 2017-09-21 Fully revised and updated throughout this fourth edition of Lena Dominelli's influential book retains its reputation as the go to text on anti racist social work practice As racism continues to present a problem in contemporary society the growth of the Far Right the rise of Islamophobia and the victory of the Brexit camp in the EU referendum the need to address racist attitudes and behaviour that affect diverse groups of people in the UK remains an urgent one A truly classic text *Anti Racist Social Work* has been providing students and practitioners with a comprehensive guide to the debates and practices on racism in contemporary society since 1988 New to this Edition Includes a brand new chapter on Social Work Across Borders Incorporates discussion of recent events and developments to encourage critical thinking and analyses their effect on practice Offers examples from across the globe at both micro and macro level

Understanding Social Work Research Hugh McLaughlin, 2011-12-16 Social work students need to understand the relationship between research knowledge and practice to be effective practitioners In the second edition of this highly regarded book Hugh McLaughlin shows how a research minded perspective and an appreciation of evidence based practice can lead students to achieve the highest level of individual and collective social work practice Topics covered include How to assess appraise and apply research The philosophy of research Improving the use of research in practice Interdisciplinary contributions to social work and social work research Providing reflexive questions practice examples and suggested reading throughout this book is essential reading for all undergraduate students of social work It will also be valuable reading for postgraduates and qualified social workers wishing to consolidate their understanding of social work research

The Post-qualifying Handbook for Social Workers Wade Tovey, 2007 In October 2007 the post qualifying PQ framework for all social workers in England will be transformed and this handbook will supply fundamental guidance for all practising social work professionals and the staff who support them

Social work, politics and society Kenneth McLaughlin, 2008-07-01 This original and stimulating book examines contemporary issues in social work particularly exploring the politicisation of the profession from the 1970s onwards Detailing the wider social and political influences on the development of social work the book argues that underlying much social theory and practice is a pessimistic and degraded view of humanity The author discusses different areas of social work in relation to this diminished view of the human subject exploring the rise of the concept of abuse the focus on individual vulnerability and the fear of the other as well as the threat to civil liberties and privacy that has influenced changes in mental health legislation and the introduction of the Social Care Register The book highlights the need for a new approach to social work that has a more optimistic view of both individuals and society and of their capacity to overcome problems It is essential reading for students

of sociology politics and social work and for those involved in social policy and social care practice *Effective Advocacy in Social Work* Jane Dalrymple, Jane Boylan, 2013-10-22 Advocacy is an essential skill for social workers who need to be able to speak confidently on behalf of service users in a range of situations In this new book Jane Dalrymple and Jane Boylan explore the theory and research behind advocacy to demonstrate how to achieve best practice Key topics covered include Independent advocacy Supporting self advocacy and decision making Challenging oppression Negotiating with organisations Each chapter includes rich case examples which help readers bring the discussion into the real life practice context *Effective Advocacy in Social Work* will be valuable reading for those studying social work at undergraduate and postgraduate level as well as those working in practice and in interprofessional contexts Jane Dalrymple is Senior Lecturer at the University of the West of England Jane Boylan is Senior Lecturer at Keele University Promoting Health and Well-being in Social Work Education Beth R. Crisp, Liz Beddoe, 2013-10-18 Social work educators can play an important part in ensuring that the promotion of health and well being is firmly on the social work agenda for service users as well as for students and educators Nevertheless this has not been a priority within social work education and presents a challenge which requires some re thinking in terms of curriculum content pedagogy and how social workers respond to social problems Furthermore if the promotion of health and well being is not considered a priority for social workers this raises important questions about the role and relevance of social work in health and thus poses challenges to social work education both now and in the future This book contains contributions from social work educators from Australia America Canada New Zealand and the UK They reflect on how best to prepare students to put health and well being to the forefront of practice drawing on research on quality of life subjective well being student well being community participation and social connectedness religion and spirituality mindful practices trauma and health inequalities This book is an extended version of a special issue of *Social Work Education* **Sensitive Research in Social Work** Sharif Haider, 2021-11-30 This book addresses issues related with researching sensitive topics in social work focusing on marginalized vulnerable and hard to reach people It covers the definition characteristics challenges and opportunities of sensitive research its philosophical roots and methodological debates and the skills and values that are required along with the ethical political and legal issues involved in conducting social work research This book will cover innovative research methods appropriate for research on sensitive topics involving vulnerable people It shines light on how to use traditional research methods sensitively and how to generate data while minimizing the harm that can potentially be caused to research participants and researchers *Understanding Social Work Research* Dr Hugh McLaughlin, 2006-12-11 This book offers a comprehensive introduction to the nature of social work research It clearly demonstrates how research mindedness is key to improving individual and collective social work practice helping practitioners to effectively navigate the complex issues they face on a daily basis The book considers research in relation to a number of important social work themes including ethics anti oppressive practice service user research

evidence based practice and interdisciplinary work The book will help readers critically reflect on their own social work practice assess appraise and apply research effectively advocate on behalf of service users confidently engage in debates about the profession and reflect on legislative and policy developments Understanding Social Work Research is clear and accessible containing reflective questions and practice examples illustrating the links between research and social work practice This book will be essential reading for all social work trainees and will provide invaluable support for graduate students and practitioners wishing to consolidate their understanding of social work research

Continuing Professional Development in Social Work Halton, Carmel, Powell, Fred, Margaret Scanlon, 2015-06-03 Continuing professional development has become an important and widespread practice in twenty first century social work This volume traces its emergence and evolution identifying the characteristics of continuing professional development the barriers to undertaking it and the way social workers view it Drawing on an international survey of practitioners and interviews with social workers and their managers the authors provide unique insight into the possibilities and challenges of continuing professional development for newly qualified and experienced social workers alike

Handbook of International Social Work Lynne M. Healy, Rosemary J. Link, 2012 Global knowledge is increasingly essential for all aspects of social work Today's professionals respond to concerns including permeable borders the upheavals of war displaced workers natural disasters international adoption and human trafficking Everywhere social workers work with service users and colleagues from diverse cultures and countries Globally relevant concepts such as human rights development and inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice policy and research Chapters systematically map the key issues organizations competencies training and research needs and ethical guidelines central to international social work practice today emphasizing the linkages among social work development and human rights practice In depth country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues regardless of whether the work is done at home or abroad Representing all regions of the world a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state of play of international social work today

Rethinking Social Work in a Global World Gai Harrison, Rose Melville, 2009-11-30 This text offers a comprehensive overview of the key aspects of globalisation their impact on social work and the resulting challenges in practice The authors draw on post colonialism to consider the global issues facing social work such as mass migration and the ways in which social workers can respond to such difficulties
