THE EXAMINED LIFE

How do we live our lives? What are the values that guide us? What are the responsibilities we have to ourselves and to others? These are the questions that this course will explore. We will look at the lives of great thinkers and leaders, and we will try to understand the choices they made. We will also look at our own lives and try to understand the choices we are making. This course is a journey of discovery, and we hope you will find it as enlightening as we do.
