Fifty-four Pick Up Shmuel Herzfeld, 2012 There is no issue too controversial for Rabbi Shmuel Herzfeld as he seamlessly connects ideas and themes of the Torah to the major issues of our times What does the Torah say about homosexuality What is the agunah crisis and what can we do about it How do we effectively combat intermarriage Is our justice system truly just In this collection of thoughts about the fifty four weekly Torah portions Rabbi Herzfeld shows us how the Torah can guide us and inspire us in our daily lives Why is giving away your pillow the best way to get a good night's sleep Should the Internet be used for bar mitzvah lessons How can you be a good parent What would you do if you had only five minutes to live Rabbi Herzfeld is confident and proud of his Jewishness His enthusiasm and unabashed love for the Torah is contagious and his Jewish pride shouts out from every page Warning If you read this book you will be infected by Rabbi Herzfeld's love of Torah *The Torah Times - Sefer Shemot* Israel Rubin, 2017-01-03 Torah Times is humorous and entertaining but it is no joke Rather than ancient once upon a time characters we relive Torah events as they happen HERE and NOW Rather than archaic characters in long flowing robes their issues and concerns are as relevant current and contemporary as today's news *The Torah* David J.
