A.L.A. Booklist ,1934 The Gunsmith's Manual J. P. Stelle,William B. Harrison,2013-06-04 Originally published in 1883 The Gunsmith s Manual is generally considered to be the first substantive work dealing with gunsmithing exclusively and in detail A comprehensive introductory chapter one of the manual s best qualities provides the reader with an extensive history of the gun including the invention of gun powder the first rifle and much more Once acquainted with firearms readers can then move on to learn how guns were made and used in the nineteenth century as well as terms used in gunsmithing The real meat of the book however is the authors detailed instruction on gun care and maintenance Specifics are offered on tools workbench materials and setup metalworking working with wooden stocks common repairs and the process of browning among many other topics You can even improve your marksmanship with these expert shooting tips for a variety of firearms Although first published in the nineteenth century The Gunsmith s Manual is highly relevant for today s firearms owners and tinkerers The authors recommended procedure for removing a rusted in screw for example is still widely used over 100 years later You can learn to care for your rifle or shotgun as traditional gunsmiths would have For both the historian and the firearms enthusiast The Gunsmith s Manual is an invaluable learning tool **The Gunsmith** Wil Mara,2013-08-01 Although called gunsmiths they rarely labored on guns during colonial times An important part of the community the gunsmith most likely focused on other types of metal work but occasionally assembled firearms This historical volume chronicles the formative years of the United States through the activities and occupations of its most important community members It explore the everyday life responsibilities social life and the affect the gunsmith had on the colonial American way of life Hands on activities and recipes sidebars detailing the history and evolution of the profession and key social studies words are defined in the glossary The gunsmith's manual J. Parish Stelle,Wm. B. Harrison,2025-03-02 In The Gunsmith s Manual readers are invited into the meticulous craft of gunsmithing exploring themes of precision innovation and tradition This anthology captures the art of firearms craftsmanship across a spectrum of styles and techniques offering a comprehensive understanding of both historical and contemporary practices The diverse range of works included highlights key methods in gunsmithing detailing intricacies from metalwork to design all curated to appeal to enthusiasts and novices alike It stands as a testament to the enduring legacy and evolving nature of this skilled trade promising insight into masterpieces of mechanical engineering without elevating any singular piece above another but rather as a collective marvel of the discipline Contributors J Parish Stelle and Wm B Harrison bring a wealth of expertise and historical awareness to this collection bridging the gap between time honored traditions and modern innovations Their collective experience provides readers with a nuanced exploration of gunsmithing s cultural significance Rooted in rich historical contexts the anthology aligns with

movements of industrial craftsmanship and mechanical artistry offering a broader cultural appreciation of the gunsmith's role. The voices within this volume collectively create a tapestry of insights that illuminate the multifaceted nature of their craft. *Gunsmith's Manual* presents an invaluable opportunity for readers to immerse themselves in the intricate world of firearms craftsmanship. With its array of perspectives and detailed expositions, this volume is not merely a collection of technical insights but a dialogue between the art and science of gunsmithing. It is recommended for those seeking educational enrichment and a deeper understanding of the field, offering insights that transcend the mere technicalities to enrich the reader's appreciation for the sophistication and skill that define this timeless craft.
