Hands of Time Brenda Bonds,2012-05-04 My name is Brenda Bonds Back in the day I was out there I should have been dead a long time ago but by the grace of God I was given a second chance This book will make you laugh make you cry and make you think So dont judge because you always have the chance to turn it around **Hands of Time** Pat Bordner,2000-08-17 A special gift of clock triggered the idea for my book the Hands of Time Listening to the old clock steadily ticking on measuring the minutes and hours I soon began to see how much of life s moments are guided and directed by the hands of time So as I live my life and the clock ticks on I share in my book some of my childhood memories places in time people I encountered and reflective times **Turning Back the Hands of Time** Lohi Poola,2020-05-19 Based on an incident that happened in high school Debo Williams made a vow He couldn t tempt fate the second time If he did it might end in death Despite the vow Debo Williams made and his actions over several years to avoid love and all its baggage at all cost fate had a way of proving to Debo Williams that it couldn t be manipulated by a mere mortal and propelled him into his love destiny This book is about finding love after certain setbacks and unsavory incidents The impossibility of turning back the hands of time to correct past mistakes but the possibility of forging a part at correcting those mistakes for the future to get a second chance at love and life The fact that mistakes can be forgiven if we make a conscious and deliberate act at restitution to make right our wrongs Your mistakes don t define you as a person it s the actions you take after the mistakes that really define you The Engineering and Boiler House Review ,1901
