Rehumanize Your Business Ethan Beute, Stephen Pacinelli, 2019-04-08 Accelerate sales and improve customer experience Every day most working professionals entrust their most important messages to a form of communication that doesn't build trust provide differentiation or communicate clearly enough It's easy to point to the sheer volume of emails text messages voicemails and even social messaging as the problem that reduces our reply rates and diminishes our effectiveness But the faceless nature of that communication is also to blame *Rehumanize Your Business* explains how to dramatically improve relationships and results with your customers prospects employees and recruits by adding personal videos to emails text messages and social messages It explains the what why and how behind this new movement toward simple authentic videos and when to replace some of your plain typed out communication with webcam and smartphone recordings Restore face to face communication for clarity and connection Add a personal human touch to your emails and other messages Meet people who've sent thousands of videos Learn to implement your own video habit in an easy time saving way Boost your replies appointments conversion referrals and results dramatically If you're ready to influence teach sell or serve in a more personal way *Rehumanize Your Business* is your guide

Synchrotron Radiation Helmut Wiedemann, 2003 In this book the characteristics of synchrotron radiation including insertion device radiation are described and derived from first principles The reader is first introduced to the subject in an intuitive way in order to gain familiarity with the underlying physical processes A rigorous mathematical derivation of the theory then follows Since the characteristics of synchrotron radiation are intimately connected with the parameters of the electron beam and its accelerator a basic introduction to electron beam dynamics and accelerator design is included The book is aimed at graduate students and scientists working with synchrotron radiation and is designed to serve both as a textbook and as a reference work It includes numerous exercises some with solutions

The Aesthetics of Image and Cultural Form Yi Chen, 2024-04-24 Offering an alternative mode of visual cultural analysis to the prevalent discursive model this book proposes to situate analysis of Image within formal analyses of culture experience Specifically the discussion draws on theories of affective aesthetics with the view of addressing the sensual form of culture i.e. cultural form Therefore the volume puts forward a mode of formalist analysis in visual cultural research which takes purchase on the idea of cultural form A continuum of formalist attention between Image analysis visual media industrial design and probing of cultural forms establishes the theoretical underpinning of the book These concepts are expounded through a case study which looks at formal experimentations and debates arising from 1960s avant garde artistic practices in London
