Putting Health into Place Robin A. Kearns, Wilbert M. Gesler, 1998-06-01 *Putting Health into Place* draws together original works that collectively argue for a reinvention of medical geography There is a growing interest worldwide in relationships between human health and the experience of place an interest driven both by developments in sociocultural theory and observed health concerns This book is a resource for those wishing to explore or to teach beyond the frontiers of conventional medical geography As the first word of the book's title suggests this is an active volume one that contributes to situating health in the simultaneously tangible negotiated and experienced realities of place Robin A. Kearns and Wilbert M. Gesler argue that medical issues are a necessary but insufficient focus in developing geographies of health and healing This contention is supported by the authors of the thirteen substantive

chapters who convey research findings from the Americas Britain and the Pacific This book represents a collective commitment to exploring links between social and cultural theory ideas about place and discourses on health that will be of interest to readers across the social and health sciences **Better Together** Jim Tomberlin, Warren Bird, 2020-08-04

Thousands of Protestant churches are perplexed by plateaued or declining attendance while other congregations nearby thrive Is there a way for them to combine forces drawing on both their strengths in ways that also increase their missional impact In **Better Together Expanded and Updated Making Church Mergers Work** church merger consultant Jim Tomberlin and award winning writer Warren Bird make the case that mergers today work best not with two struggling churches but with a vital momentum filled lead church partnering with a joining church This much needed resource describes the range of mergers for strong stable stuck and struggling churches No matter what type of merger a church may be considering the authors address key questions about the process How can a merger help a church go forward How will a merger process unfold Where can a declining church find another congregation to join What are the pitfalls that both pastor and congregation should avoid How can better together lead to more rather than fewer life giving high impact reproducing churches They provide a complete practical hands on guide for church leaders of both struggling and vibrant churches so they can understand the issues develop strategies and execute mergers for church expansion and renewal ultimately so they can reinvigorate declining churches and give them a second life No matter what your motivation for merging your church with another to begin a new church life cycle cross racial lines reach more people for Christ multiply your church s impact or better serve your local community **Better Together** will give you the tools you need to create a thriving new entity

Culture/Place/Health Wilbert M. Gesler, Robin A. Kearns, 2005-07-05 **Culture Place Health** is the first exploration of cultural geographical health research for a decade drawing on contemporary research undertaken by geographers and other social scientists to explore the links between culture place and health It uses a wealth of examples from societies around the world to assert the place of culture in shaping relations between health and place It contributes to an expanding of horizons at the intersection of the discipline of geography and the multidisciplinary domain of health concerns Health and
