A Love That is the Heart of Our Home ANGELA BRUCE, 2025-11-08 A Love That is the Heart of Our Home is a heartwarming and delightfully eclectic anthology that celebrates the profound beauty found in the everyday tapestry of shared lives Through a series of intimately woven narratives the book introduces various iterations of Elara a woman often characterized by her unique perspectives and passions as she navigates the beautiful chaos of partnership with men like Rhys Orion and Kaelen Each story reveals that the true essence of love isn't always in grand gestures but in the meticulous charting of shared paths the harmonious blend of

contrasting personalities and the joyous embrace of life's unpredictable rhythms. From a cartographer and a sculptor meticulously building their future to an astrophysicist and a baker finding cosmic harmony in their kitchen or a couple whose everyday arguments become playful dances, these tales illustrate how humor, understanding, and unwavering presence transform a mere dwelling into a cherished home. The characters infuse their relationships with their distinct interests, whether it's the structured world of maps, the creative freedom of art, or the universal language of music and diverse cultural traditions. A Love That is the Heart of Our Home is an ode to the quiet strength of enduring commitment, the laughter that fills a shared space, and the comforting knowledge that no matter the challenges or the charming quirks, the heart of a home truly beats with the unique, unwavering rhythm of the love within it. *Home: A Place of Comfort and Spirit* Pasquale De Marco, 2025-08-13

Self-help meets interior design in this holistic, gorgeously photographed guide that thoughtfully and beautifully unpacks the tools and ideas to support mental wellness at home through design and styling. Justina Blakeney, founder of Jungalow, an original approach to domestic bliss. Publishers Weekly. Licensed therapist turned interior designer, Anita Yokota knows that our surroundings are more than just a reflection of our personal style; how our homes are decorated and arranged can have a monumental impact on our quality of life. During her seventeen years as a practicing marriage and family therapist, she noticed that the state of her clients' homes often mirrored their emotional issues, which inspired her to develop the Home Therapy method, her signature system for creating wellness from the inside out by setting up your spaces to nurture your mind, body, and spirit. Instead of basing decorating decisions on trends and fads, Home

Therapy's unique therapy-informed approach focuses equally on mental health and design and presents the psychology behind making your home intentional. From choosing the right lighting, furniture, and paint color to building boundaries and forming long-term organizational goals, Anita guides you through creating spaces that bring happiness and balance to the sanctuary we call home. Anita lays out the four domains that need to be addressed to improve your living experience: The Individual Domain focuses on introspection to discover what you need in each space; The Organizational Domain helps you declutter and build functional rooms so you can be your most efficient self; The Communal Domain inspires you to form more authentic connections with others through good design, layout, and The Renewal Domain centers self-care and rejuvenation to create the right energy for resting and recharging. Feeling calm and confident when you step out the door starts in your home. The perfect gift for anyone looking to create an intentional, thoughtful space, Home Therapy is an invaluable, beautifully photographed resource to decorating from a deeper perspective so you can have a home that supports your authentic self.
