Two Bullets in Sarajevo D. Lawrence-Young,2016-03-23 In the summer of 1914 Europe was a large bonfire just waiting to be lit Princip a poverty stricken student becomes involved with an extreme Serbian nationalist organisation known as the Black Hand which dreams of achieving independence from Austria Opposing them the Austrian Emperor Franz Josef is determined not to give in to Serbia s demands and sends his nephew the Archduke Franz Ferdinand to show the flag in Sarajevo This is a golden opportunity for Princip et al to act They assassinate the archduke and his wife but have to pay the price for this act of murder Two Bullets in Sarajevo is a different style novel about the First World War Instead of dealing with the national and international politics of the time it concentrates on actual people involved the conspirators and the victims who were behind this assassination in one of the most crucial murders in world history It is also a love story the story of how the outwardly gruff and forbidding Archduke Franz Ferdinand fought against the rigid protocols of the Austrian court in order to marry his beautiful wife to be Sophie Chotek It takes him over five years to overcome the court s opposition but in the end he succeeds and marries his beloved Sophie This well researched novel delves into the personalities involved on both sides of this historical situation the unbending Austrian aristocrats and military leaders as well as the poverty stricken idealistic Serbian nationalists who can dream only of independence for their beloved Serbia It will appeal to those looking for an inspired yet accurate retelling of First World War history *Pinocchio, Puppets, and Modernity* Katia Pizzi,2011-10-25

The concept of this book is to reassess Pinocchio originally alongside puppets and marionnettes within modernity as a figure characterized by a fluid identity informed with transition difference joie de vivre otherness displacement and metamorphosis As such Pinocchio is a truly modern indeed a postmodern and posthuman cultural icon

When the Bullets Stop: A Call for Peace Allen Dekeyser,2025-07-15 When the Bullets Stop A Call for Peace is a raw emotional and unflinching journey into America s gun violence epidemic told through the eyes of a survivor who has lived through it Author Allen DeKeyser was shot in the face by police and has faced multiple violent encounters He turns those scars into strength in this powerful call to action that blends truth telling community insight healing and hope Through fifteen hard hitting chapters readers are guided through the human cost of a bullet the silence that enables violence and the real solutions that can lead to lasting change This extended edition includes survivor stories faith based reflections healing strategies and calls for unity that challenge readers to speak up act boldly and believe that peace is possible Whether you re a victim a leader a teacher a parent or someone who just wants to help this book is for you Because the story isn t over when the bullets stop **Between the Bullets** Michael Bliss,2002 Originally a Hong Kong based director John Woo is now considered one of the ten most

successful directors working in American films receiving world wide attention for his highly stylized violence in films such as The Killer 1989 Hard Boiled 1992 Face Off 1997 and Mission Impossible 2 2000 While Woo is widely regarded as a master action director scant attention has been paid to the manner in which Woo s films reflect the director s religious and ethical concerns Through an examination of representative films from the director s Hong Kong and American periods Michael Bliss demonstrates that Woo should be regarded as a predominantly religious director in whose films action is the vehicle by virtue of which a concern with spirituality is dramatized Contains a chapter on Chinese opera tradition as relates to Woo s films an exclusive interview with John Woo and a complete filmography **Bullets Are My Business** Josh K. Stevens,2012-11-20

Josh K Stevens masterfully draws a hit man s underground world of bullets sex death money and betrayal in his mile a minute debut of dark modern noir Levi Maurice has always had his eye on the money in his career as a hit man A chain smoking alcoholic with a penchant for all the wrong women Levi is never short of improvised plans and smart assed remarks to ensure he makes it to the next paycheck But when the tables are turned and a hit is put out on him he suddenly finds himself fighting for his life Along with his crooked cop neighbor Jacks and his radical protester little sister Chenille Levi has to find out who has it out for him before he finds himself six feet under Not helping are the mysterious mint green envelopes appearing on his doorstep asking for his help just when Levi himself needs it most and Megan his sexy new girlfriend who may not be as honest as she looks **Bullets Are My Business** is a bloody fast paced darkly humorous ride into the life of a hired gun who finds himself on the wrong side of a hit and may not make it out alive Puppets, Gods, and Brands Teri J.

Silvio,2019-09-30 The early twenty first century has seen an explosion of animation Cartoon characters are everywhere in cinema television and video games and as brand logos There are new technological objects that seem to have lives of their own from Facebook algorithms that suggest products for us to buy to robots that respond to human facial expressions The ubiquity of animation is not a trivial side effect of the development of digital technologies and the globalization of media markets Rather it points to a paradigm shift In the last century performance became a key term in academic and popular discourse The idea that we construct identities through our gestures and speech proved extremely useful for thinking about many aspects of social life The present volume proposes an anthropological concept of animation as a contrast and complement to performance The idea that we construct social others by projecting parts of ourselves out into the world might prove useful for thinking about such topics as climate crisis corporate branding and social media Like performance animation can serve as a platform for comparisons of different cultures and historical eras Teri Silvio presents an anthropology of animation through a detailed ethnographic account of how characters objects and abstract concepts are invested with lives personalities and powers and how people interact with them in contemporary Taiwan The practices analyzed include the worship of wooden statues of Buddhist and Daoist deities and the recent craze for cute vinyl versions of these deities as well as a wildly popular video fantasy series performed by puppets She reveals that animation is like

performance a concept that works differently in different contexts and that animation practices are deeply informed by local traditions of thinking about the relationships between body and soul spiritual power and the material world The case of Taiwan where Chinese traditions merge with Japanese and American popular culture uncovers alternatives to seeing animation as either an expression of animism or as playing God Looking at the contemporary world through the lens of animation will help us rethink relationships between global and local identity and otherness human and non human *More Sex, Better Zen, Faster Bullets* Stefan Hammond, Mike Wilkins, 2020-06-11 How and why did films from Hong Kong a former British Crown Colony and map speck become so popular Post WWII creative freedom was scarce in Asia but Hong Kong was a safe space for filmmakers seeking to profit from overseas Chinese markets and Chinatowns worldwide Both Shaw Brothers and Golden Harvest set up massive operations in Hong Kong and let the celluloid slip By the 1980s Hong Kong's Sammo Hung and Jackie Chan were famous throughout Asia Their winning formula of humour and martial arts prowess ripped through kung fu stereotypes while filmmakers like Tsui Hark and Ringo Lam served up fantasy horror and noir crime dramas for rabid cinemagoing hordes in the grindhouses of Kowloon It was a glorious time This book is the nonpareil true story of the Hong Kong film industry one that doesn't skimp on the good bits the hyperkinetic films themselves Included are intrepid firsthand accounts of the culture and international fanbases to have emerged around these movies *More Sex Better Zen Faster Bullets* contains the best bits of *Sex and Zen A Bullet in the Head* 1996 and *Hollywood East* 2000 the two best known tomes on Hong Kong films of the twentieth century revised and with the inclusion of new material The result is the most comprehensive encyclopedia of Hong Kong film available anywhere
