

COMMENTS ON PETER SPIELBERG'S FICTION:

WIDDERSON TW ADDLEDUM, a novel
"A playful, semi-experimental version of the coming-of-age novel
... invites comparison with Kafka's *Amerika*. Spielberg's youth
however, is his own, funny, curious and insightful." *Publishers
Weekly* In "style is as compelling as its action." *Book World*
"The scenes before World War II are most successful, powerfully
evoking post-teenage Jewish life during Anashlun." *New York
Times* "Darkly postmodern and mordant." *Kirkus Reviews*
"Highly innovative and delightful to read." *Library Journal* "In
short *Widderson* makes it hard to resist." *New Republic* "One
without encounters such a powerfully negative statement in fiction."
Carolina Quarterly "A brilliant, a marvelous novel. Moulding
and burning, the book, like all great art, creates a world." *The
Nation*.

REDROCK, fiction

"Spielberg's stories, notable for their spare, stripped style and
poignant understatement, are metaphors that extend real situations
into conditions of searing existential statement. This is raw,
inventive stuff." *Library Journal* "Separately *Redrock's* 'scenes'
are often impressive; together they are disarming, sometimes over-
whelming." *West Coast Review* "Spielberg's strength lies in his
use of an absolutely hard-boiled style — none of the gadgets or
grandiosity of self-indulgent experimentalism have — for bold and
sometimes brilliant flights of imagination. . . . This is short fiction
in the best modern idiom." *Fiction International*.

The Hermetic Whore Fictions:

The Hermetic Whore Peter Spielberg, 1977 *The Hermetic Whore* is a dark compilation of a dozen short stories each providing a unique view into private lives of individuals and the breakdown of public order From the near apocalyptic changes of women giving up skirts and social acceptance of sexual self gratification to absurdity of a pair of cats being the guardians a young girl s virginity each story provides social commentary on the ever changing world Spielberg provides a unique view of some of the most pressing social problems such as children divorcing their parents to an old survivor of the holocaust being ushered into death with his oblivious family standing nearby *The Noctambulists & Other Fictions* Peter Spielberg, 2001 These haunting stories like modern fairytales draw us unconsciously through the mirror until we find ourselves half drowned washed up on the bank of the River Styx our head in the arms of a stranger looking out at the world we knew and laughing BOOK JACKET

Hearsay Peter Spielberg, 1992 Like his namesake Lemuel Gulliver Lem Grosz the central character sees a fair bit of the world and it is a very odd sort of place Leaving home at 15 Lem travels from New York to Los Angeles where he becomes a flagpole sitter and unsuccessfully tries to shed his humanness Returning to New York a decade later Lem finds a home and begins an affair with divorcee Connie White he mistakenly thinks he has found his half sister Lucy in a masseuse named Lucia Lamour and he is astonished to come home one day and find Connie in bed with Lucy Lem hits the road again this time as a courier During a mysterious assignment in Prague where for reasons not fully explained one John Swift tries to kill him off but fails dying in the attempt Lem jets back to New York where no one expresses any surprise when he takes over John Swift s life name wife child and job Spielberg s tale tries to be whimsical in a darkly satirical way but never loses its air of studied eccentricity the author who needs wings of gossamer to pull this one off seems mainly to have feet of clay

The Winnebago Mysteries and Other Stories Moira Crone, 1982 Fresh writings about women love and strength In this collection of seven short stories Moira Crone presents fresh writings about women love and strength Kudzu is a tale of a girl s childhood in the stranglehold of American life The Brooklyn Lie deals with a young woman s sexuality and body The title story explores relationships and women s issues through a series of letters and narratives

Crash-landing Peter Spielberg, 1985 *Crash Landing* is an exploration of modern day fear and failure Its subject is self delusion and self fulfillment sexual entanglements and midlife anxiety marriage and existential loneliness Named after Lindbergh his parents hero Charles Burg has neither the requisite head for heights nor the stomach to go it alone Though destined for a fall he contrives by never looking down to keep his marriage to Anne aloft through years of circling of buffeting crosswinds instrument failure and near collisions When the crackup finally comes the touchdown is not tragic flaming wreck but a nose in the mud return to ground zero Both survive the forced landing Anne comes through better she manages to walk away from the wreckage Chuck crawls off emotionally grounded We last see him fleeing across the Atlantic winging toward an eighty day crash cure at a rehabilitation camp for bereaved ex husbands some twenty kilometers south of Breat Or rather

that is the reader's first glimpse of this comedy's anti-hero for events unfold in reverse order appearance from the crackup back to the passionate beginning that led to the marriage The story's counter chronological movement gives the reader foresight while Chuck its first person narrator remains happily or ironically unaware of the laws of physics that govern the all too short duration of love's flight **Critical Survey of Short Fiction: Current writers.
