The Christian Power Plan David A. Ray, 1976 The European Powers' Plans regarding Jerusalem towards the Middle of the 19th Century Yoram Shalit, 2021-10-11 No detailed description available for The European Powers Plans Regarding Jerusalem towards the Middle of the 19th Century *The Christian Magazine*, 1826 **The Damascus Seat of Power** Sami Moubayed, 2023-10-19 While recent scholarship has focused on wartime Syria this book is dedicated to heads of state in the immediate post Ottoman era until the end of the French Mandate in 1946 Here renowned Syrian historian Sami Moubayed examines Syria's first eleven heads of state who led the country between 1918 and 1946 With a chapter dedicated to each leader Moubayed sheds light on the political culture of the time and traces the trajectory of how Syria was governed through colonialism monarchism and federalism and republicanism The study draws on numerous archives political memoirs and first hand interviews with key figures who were active between the 1930s and 1950s providing a rich picture of Syrian political culture during this forgotten period **The Christian Advocate**, 1901 *The Plan for Perpetual Peace, on the Government of Poland, and Other Writings on History and Politics* Jean-Jacques Rousseau, 2011-07-01 These abridgements of The Plan for Perpetual Peace published 1761 On the Government of Poland 1771 1772 and Jean Jacques Rousseau's other writings on history and politics represent his considerations of the practical applications of key principles developed in his best known theoretical writings In this latest volume in the classic series Rousseau reflects on projects for a European union the possibilities for governmental reform for France including the polysynody experiment international relations and the establishment of governments for Poland and Corsica both recently liberated from foreign oppression Taken together these works offer definitive insights into Rousseau's decidedly nonutopian thoughts on cosmopolitanism and nationalism and on the theory and practice of politics The Christian's Guide to Designing a Loving Trust Plan : the Smart Alternative to Wills and Probate Robert A.
