The Christian Witness To The State:

The Christian Witness to the State John Howard Yoder, 1977 Christian Witness To The State John Howard Yoder, 2007-05-16 Our purpose is to analyze whether it is truly the case that a Christian pacifist position rooted not in pragmatic or psychological but in Christological considerations is thereby irrelevant to the social order John Howard Yoder These words by John Howard Yoder set the course of his pathbreaking treatise *The Christian Witness to the State* Yoder's novel contribution to the debate concerning the church's and the Christian's calling is his starting point He insists that Christ through his death and resurrection is now exercising dominion over the world God has reclaimed his intention for creation Thus the structures of the social order has as much potential for good as for evil The church belongs in this world it has a mission to and even with society *The Christian Witness to the State*, 1977 **The Christian Witness and Congregational Magazine**, 1867 *Theses on the Christian Witness to the State* Mennonite Church. Peace Problems Committee, Guy Franklin Hershberger, Edgar Metzler, Albert J. Meyer, 1960 **The Christian Witness and Advocate of Bible Holiness**, 1909 *The State of the University* Stanley Hauerwas, 2008-04-15 In this book controversial and world renowned theologian Stanley Hauerwas tackles the issue of theology being sidelined as a necessary discipline in the modern university It is an attempt to reclaim the knowledge of God as just that knowledge Questions why theology is no longer considered a necessary subject in the modern university and explores the role it should play in the development of our knowledge Considers how theology is often excluded from the knowledges of the modern university because these are constituted by an understanding of time necessary to make economic and state realities seem inevitable Argues that it is precisely this difference that makes Christian theology an essential resource for the university to achieve its task that is to form people who are able to imagine a different world through critical and disciplined reflection Challenges the domesticated character of much recent theology by suggesting how prayer and the love of the poor are essential practices that should shape the theological task Converses with figures as diverse as Luigi Giussani David Burrell Stanley Fish Wendell Berry Jeff Stout Rowan Williams and Sheldon Wolin Published in the new and prestigious Illuminations series **The Theological Basis of the Christian Witness to the State** John Howard Yoder, 1957 **Words and Witnesses** Naaman K. Wood, 2022-05-03 How should Christians address specific problems controversies and crises in communication today By looking at influential Christian thinkers throughout history we can identify wisdom that enriches us today in practical ways Words and Witnesses explores various influential Christian thinkers and theologians from across church history in order to expand our contemporary conversations in communication studies and media theory Individual chapters written by contributing scholars focus on major Christian thinkers starting with Athanasius St Augustine and John Chrysostom moving through the Middle Ages to address figures such as Anselm Nicholas of Cusa Teresa of Lisieux and arriving in the present with reflections on the work of John Howard Yoder C S Lewis Martin Luther King Jr Abraham Kuyper and Desmond Tutu

among others Each chapter delves into how the contemporary church and scholars of media can turn to these influential Christian thinkers as resources for addressing specific problems in communication today By analyzing church practices doctrine and biblical texts this book provides the church with resources and inspiration to communicate in distinctly Christian ways

Power and Practices Jeremy Bergen, Anthony G. Siegrist, 2009-08-18 A new generation engages the theology of John Howard Yoder These essays wrestle with questions of power and its implications for social practices including policing nonviolence sexism governmentality dialogue political critique theological construction and the work of inheriting a theological tradition The authors and their approaches to Yoder s work are diverse They bring a wide array of backgrounds to the task from activism and church leadership to advanced studies and the professorate What each has in common is an instinct to place Yoder s work into new conversations and to examine it through new lenses Authors include Chris K Huebner Nekeisha Alexis Baker Paul Martens John C Nugent and Paul C Heidebrecht
