The Christmas Foundation Beginning Of A New Cosmic Age:

The Christmas Foundation Rudolf Grosse,1984 This is an introduction to the spiritual and historical conditions prevailing during the reestablishment of the General Anthroposophical Society at the Christmas Conference of 1923 just one year after its first center the Goetheanum was burned to its foundation The author's purpose was to see Rudolf Steiner within the overall process of world history and so to recognize his spiritual mission while experiencing the nature of that important event

The Foundation Stone Rudolf Steiner,2013-05-14 This volume which brings together two classic booklets for the first time features Steiner's valuable thoughts and guidelines regarding the Foundation Stone Meditation and the new character of the Anthroposophical Society given during and after the Christmas Conference of 1923 24 The Foundation Stone Meditation Rudolf Steiner,2013-05-19 The Foundation Stone Meditation holds a central place in the inner life of many students of Rudolf Steiner's work First presented during the refounding of the Anthroposophical Society at the Christmas Conference of 1923 24 it is a powerful and penetrating meditative text which many consider to be a key to the spiritual

mysteries of our time This version features three alternative translations by George Adams Pauline Wehrle and Richard Seddon together with the original German verses and an introduction by Michael Wilson *The Imagination of Pentecost* Richard Leviton,1994 Carlo Pietzner speaks out of his own ego directed inner experiences about several motifs inherent to inner striving the problem of self in relationship to the world the disintegration of the three soul forces the transition from sense perception to spiritual perception the reality of evil the condition of loneliness and more

Rudolf Steiner's Foundation Stone Meditation Peter Selg,2012 People who practice esoteric exercises grow spiritually into the future they experience in themselves what will one day come about and what they experience in this way is what we know as the higher worlds These represent future conditions of humankind Rudolf Steiner Munich 1907 Rudolf Steiner spoke the Foundation Stone meditation at the Christmas Conference of the General Anthroposophical Society in 1923 giving it to the Society members for strengthening their forces The meditation's words contain as Sergei O Prokofieff states the quintessence of the whole of Anthroposophy Thus Rudolf Steiner was bestowing on the members the possibility of dealing resolutely with the specific tasks that awaited them In this short potent volume the author suggests further that The Foundation Stone Meditation represents the concerns of every individual of our time allowing each of us to maintain our humanity in the face of the challenges and catastrophes of both the present and the future Steiner said that one could hear the words of the meditation sounding in one's heart This process of hearing will acquire even more significance and reality in future and can be of enormous help to anyone who opens themselves to it It is against this background that Selg has written this introductory book to promote awareness of the meditation understanding of its historic place in the catastrophic twentieth century and its critical but latent contribution to the future The Twelve Holy Nights and the Spiritual Hierarchies Sergei O. Prokofieff,2004-11-05 Prokofieff draws on the whole extent of Rudolf Steiner's work and combines it with his own original

spiritual research to form an intricate picture of the cosmic forces at play between Christmas and Epiphany We are led on a tour through the circle of the zodiac and spiritual hierarchies and shown how they form a path from Jesus to Christ The author further explains that the Starry Script is a key to anthroposophical Christology and shows how it relates to the conception of the First Goetheanum Prokofieff guides us imaginatively through the interior of Steiner's architectural masterpiece destroyed by fire at the end of 1922 whose structure and decorations are seen to constitute a coherent esoteric map Our task now he suggests is to rebuild the First Goetheanum within ourselves and through a new form of self development work toward a truly modern path of initiation Supplementary essays focus on the cosmic aspects of Sophia as well as the being of Michael Prokofieff's seminal study offers a rich source of inspiration for those wishing to penetrate the mysteries of the Twelve Holy Nights and their relation to spiritual beings
