The Christmas Pudding That Shook The World:

The Christmas Pudding that Shook the World Alex Hamilton, 1988-01-01 *Prep School Children* Vyvyan

Brendon, 2009-10-13 Since the days when nine year old Tom Brown set off by stage coach to be prepared for entry to Rugby middle class British boys have been sent away to prep school Here children aged seven to thirteen have been systematically groomed for public school for gentlemanly life for military service for colonial rule and for worldly or in the case of Harry Potter wizardly success In a compelling and sometimes shocking account Vyvyan Brendon dwells not on the adult purposes behind a peculiarly British institution but on the lives of the children More than two hundred youngsters appear in these pages describing their schooldays through memoirs letters diaries poetry fiction and interviews The impressions left happy or miserable comic or tragic were indelible The pupils responses were seldom expressed at the time for according to the ancient maxim children should be seen but not heard This book gives them a voice In doing so it reveals a neglected area in the

history of childhood and casts a sharp beam of light on the national character **A Christmas Pudding**, 2007 Edited and adapted by David Birney 3m 3f plus chorus 8 to 12 singers Holiday Play with music Simple Unit Set A Christmas celebration told in songs stories poems and tales by Dickens Mark Twain Shakespeare Emily Dickinson Shaw Longfellow St Luke and many others collected with a host of traditional carols and holiday songs This piece provides a perfect evening to warm hearts stir memories and give laughter during the holiday season **Writing Talk** Alex Hamilton, 2012 In his long career in

literary journalism Alex Hamilton has probably met and talked in depth to more of our great writers than anyone else from the most critically acclaimed to the most hard nosed bestsellers from novelists to cartoonists and in every genre from Thrillers and Whodunnits to Short Stories from Poetry to Science Fiction This selection from a life s work gives us a stimulating and rare insight into the minds and lives of some of the most fascinating creators of our modern culture It s a book that contains many surprises in the revelations given by some of the authors about their struggles and victories the serious or humorous commitments made by them and their addiction to the kind of fiction they like to write The reader will soon realise that no two of these eighty five featured authors such as Kurt Vonnegut Angela Carter Stephen King Daphne du Maurier Ian McEwan Jorge Luis Borges Graham Greene or Margaret Atwood are alike Splendidly informative and serious Writing Talk is also often very funny a book to dip into as the mood takes or to dive into hungrily It will appeal to those with a passion for books and for the people who have written them I ve been fortunate to talk to so many marvellous writers Gathering some of these conversations into a book rather than their brief life in a daily newspaper offers a chance for readers to share my pleasure and to introduce a new generation to some past greats says Alex Hamilton behind his reason to create Writing Talk **Invasion of the Christmas Puddings** Jeremy Strong, 2008-10-30 Tis the season to be jolly tra la la la la BUT WAIT Father Christmas s EVIL brother Bad Christmas is plotting to take over the world His poisonous Christmas puddings that turn humans into zombies are pouring through from The Other Side in their millions Millions of Christmas
