The Chronicles Of In Time You Will Know The Separation:

In Time You Will Know Mary Jo Evans, 2001-08-01 The intriguing questions that plague all of humanity in their desire and push to gain knowledge are sometimes answered but most often not to satisfaction The search for these answers oftentimes lead us on fantastic journeys and such is the case here The tale of one such journey is a wonderful voyage into the imagination Stories and events from the Bible are delightfully spun here and cleverly intertwined with the actual scriptures In this first book of the series the adventure begins with the fall from Grace The hearts that chose to leave the Kingdom of Eternal were on the King s Counsel they were His dearest and closest friends At the Gate of Peace the King changed their names from the Good and Kind hearts He knew to the Cruel and Evil hearts they had become The brothers chose to follow the one that the King had installed as the Heart Protector and teacher of the young After all he was their big brother But the King no longer saw him as a Protector now He could only see him as the Attacker and betrayer of all When the gates closed behind them the Attacker s niece Smiling was reluctantly taken along with them Young Bold with the help of his friends and in defiance of his father set out to bring his sweetheart back Pure Bold s father dispatches the warrior angels Brave Smart and Comfort to look after and aid the young hearts The young twin Jin Min s brother overhears a conversation that holds a dire consequence for the rebellious Attacker and his followers Jin tells his sister about the conversation and the two go in search of help They are led to the Garden of Promise where the Cherubs dwell The Cherubs not knowing the circumstances agree to help the twins When the Mistress Angel guardian of the Cherubs discovers what has taken place she immediately informs the King Joyful and Jin became instant friends when the two discover they have mutual interests and love to gain knowledge by exploring the unknown The unknown in Jin s world becomes a reality when he finally gets an answer to his question of why their names Min and Jin don t fit Min realizes she too has a wonderful new friend in Charity The friendship the two develop continues to strengthen and grow as they traveled and Hopeful was kept busy trying to keep everything in order It is an adventurous comical and moving story that will share its fears dreams and joys that we find in a unique everyday kind of life setting The adventure takes the travelers to many unusual places where they encounter a variety of characters that ultimately lead our friends to Safe Harbor and some answers Does Jin get the answer of why the twins don t have names that fit Experience the journey and enjoy the suspense and *In Time You Too Will Know* A delightful reading for both young and old and everyone in between **The Chronicles of England, France, Spain, Etc., Etc** Jean
