The Church As Evangelist:

Evangelism John F. MacArthur, Grace Community Church Staff, 2011-03-21 A clear biblical theology of evangelism presented with a historical foundation and practical instruction Expand your MacArthur Pastor s Library to include this much needed topic Evangelism begins by comparing the current state of outreach in American Christianity with evangelism throughout church history and also in the Bible Presenting a theology on the subject that addresses the theological principles that govern evangelism showing how they are played out in the church as well as the family and personal interaction It includes preaching one on one witnessing missions parenting evangelism and commissioning and supporting missionaries This book s substantive and doctrinally insightful guide to biblical outreach complements the previous volumes Preaching Biblical Counseling and Pastoral Ministry The Church As Evangelist George E. Sweazey, 1984-03 *Evangelism Today* Scott Dawson, Scott Lenning, 2009-08-01 Although the message of the Gospel never changes our methods for communicating it need to adjust to an ever changing audience Evangelism Today helps believers whether individually or in groups share their faith in a culturally relevant way This book draws on insights from dozens of evangelists church leaders and educators to reveal present and future trends of evangelism in America It explores whether evangelism is still needed and in what form what the local church s role should be and where the biggest evangelistic opportunities are emerging Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and straightforward book *The Study of Evangelism* Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church s mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism *Evangelism: the Church on Fire* Robert Leslie Sumner, 1960 Our Witness to the World Tony Evans, 2020-02-04 Concise Wisdom from a Pastoral Veteran The Kingdom Pastor s Library is a new series that brings you a succinct complete pastoral philosophy and training from Tony Evans Our Witness to the World teaches you how to equip every member of your church to go out into their neighborhoods for effective outreach It also demonstrates how important social impact is for spreading the gospel Faithful Powerful Practical Become a Kingdom Pastor Today *How to Revive Evangelism* Craig Springer, 2021-02-23 Christians need a compelling way to share their faith that combines the timeless practices of Jesus with timely perspectives about our post everything era In a post Christian post modern post truth society where Jesus followers aren t often well regarded modern evangelism methods and efforts are eroding and increasingly ineffective Christians often talk more than we listen confront when we should converse and demand that people believe before they belong Author and

Executive Director of Alpha US Craig Springer believes that reaching non Christians is possible but only if we are willing to shift our perspectives abandon ineffective methodologies and consider the unique cultural moment in which we live In *How to Revive Evangelism* he shares the often overlooked evangelistic approaches of Jesus himself and demonstrates how returning to these fundamentals are the key to reviving evangelism in the 21st century Incorporating groundbreaking and often startling data Springer offers Christians seven shifts in how to share their faith with friends and family members neighbors and coworkers that create greater potential for life change and interest in Jesus
