## **The Church The Body Of Christ:**

**The Body of Christ** Reinder Bruinsma, 2009 With a clear straightforward definition such as this the subject of the church isn't one that most people would consider a doctrine For this reason there aren't many books that deal with this crucial fundamental belief This very readable and informative treatment of such a vital topic fills an important gap in Adventist literature Reinder Bruinsma's far ranging look at the doctrine of the church moves from Old and New Testament foundations for this doctrine up through church government and on to controversial issues such as ordination and church discipline Fittingly he concludes with the mission and future of the church His fourfold approach biblical and theological historical practical and with an Adventist perspective ensures that every facet of the doctrine is explored in detail This thought provoking discussion challenges those who call themselves God's people to examine their current understanding of the church and to prayerfully consider their roles as part of the body of Christ Book jacket *The Church as the Body of Christ* Witness Lee, 2005-09 *The Church; the Body of Christ, Etc. [By Doris H. Dent and Others.].* CHURCH., Doris Hemsley DENT, 1940 **The Church as the Body of Christ in the Pauline Corpus** Gosnell L. O. R. Yorke, 1991 In discussions of the church as the body of Christ some Christou within the Pauline corpus numerous New Testament scholars have tried to come to grips with a fundamental but yet unresolved issue the nature of the relationships between Christ via his own body and the church as body The implicit assumption is that some Christou as ecclesiological language does point to Christ's once crucified but now risen body in some direct way either mystically or metaphorically This book examines exegetically that basic assumption in the light of the 18 ecclesiological references to soma and demonstrates that the expression is not a reference to Christ's personal body as numerous scholars assert but that it simply has the human body any human body as its referent The book maintains that Christ's personal body crucified and risen becomes relevant only in a larger Christological and soteriological sense *The Vision, Practice, and Building up of the Church as the Body of Christ* Witness Lee, 2016-03-01 In this book Witness Lee considers the church in six main aspects in eternity past in God's plan and purpose in the Old Testament types in its progress in its recovery in its present testimony and in eternity future He examines God's eternal purpose concerning the church and how this purpose is realized in practical the building up of the church today through the believers function and their experience of the indwelling Christ **Mystery: The Body of Christ, THE CHURCH** OLEG MB, 2015-12-22 COMING FROM DIFFERENT PERSPECTIVE TO ENGAGE THE CULTURE SOCIETY AS WELL AS THE SHEEP THAT WILL ADHERE TO WHAT THUS SAYING THE LORD *The Body of Christ* Watchman Nee, 1997-11 **The one foundation ... The Church the body of Christ, 2 sermons** John Lindsay (F.R.Hist.S.), 1883 The Church Sr. Alvin A. Cleveland, 2015-12-19 The book *The Church The Body of Christ* Preaching Through Ephesians is looking at the Church in all of its many dimensions and understanding that as a body of Christ the Church must tear down the barriers of classism sexism and racism Upon reading through the book of Ephesians the author saw that the body of

Christ must be large enough to include all people and the issues that Paul saw in the body of Christ are still alive today The sermons in this book were preached at the Corinthian Missionary Baptist Church where the author serves as Pastor I pray that they inspire others as they inspired that congregation **God's Glorious Church** Tony Evans,2008-09-01 Tony Evans defines the church in vibrant terms it is a continuation of Christ s incarnation As such it is the most important spiritual institution in human history He helps the church discover its identity and purpose for existence and provides believers a biblically healthy context in which to grow and live out their lives This book will inspire you to help make your place of worship all that God intends it to be
