The Civil War Diary of Anne S. Frobel Mary H. Lancaster, 1986 *The Civil War Diary of Anne S. Frobel* Anne S. Frobel, Mary Holland Lancaster, Dallas M. Lancaster, 1986 Even as occupying forces moved into her farmhouse in Fairfax Virginia Anne Frobel recorded her experience of war An inspiring account of honor and nobility during even the darkest days

The Civil War Diary of Anne S. Frobel of Wilton Hill in Virginia, with Introduction and Appendixes Anne S. Frobel, Mary Holland Lancaster, Dallas M. Lancaster, 1986 **The Civil War Diary of Anne S. Frobel of Wilton Hill in Virginia** Anne S. Frobel, 1986 **The Collapse of the Confederacy** Mark Grimsley, Brooks D. Simpson, 2002-03-01

Practically all Civil War historians agree that after the fall of Atlanta in September 1864 and Lincoln's triumphant reelection in November the South had no remaining chance to make good its independence Well aware that Appomattox and Durham Station were close at hand historians have treated the war's final months in a fashion that smacks strongly of denouement the great tragic conflict rolls on to its now certain end Certain that is to us but deeply uncertain to the millions of Northerners and Southerners who lived through the anxious days of early 1865 The final months of the Confederacy offer fascinating opportunities as a case study in war termination as a period that shaped the initial circumstances of Reconstruction and as a lens through which to analyze Southern society at its most stressful moment The Collapse of the Confederacy collects six essays that explore how popular expectations national strategy battlefield performance and Confederate nationalism affected Confederate actions during the final months of the conflict **The Civil War in Fairfax County: Civilians and Soldiers** Charles V. Mauro, 2006-11-10 In his latest book The Civil War in Fairfax County Civilians and Soldiers Charles Mauro has given voice to the heretofore silent majority of the participants in the Civil War the civilians This overdue study examines the full spectrum of men women slaves and freedmen who lived in Fairfax County Virginia during this chaotic uncertain period Drawn from the files of the Southern Claims Commission Mauro recounts the stories the civilians told the Commission after the war to document their losses lives and living conditions The citizens of Fairfax County found themselves occupying front row seats at the most horrific show that this country has ever seen Because of its position just across the Potomac River on the doorstep of the city of Washington Fairfax County was heavily targeted by the Confederate army and defended with equal determination by the Union army Fairfax was the first county in the South that the Union army invaded and the last it occupied as soldiers were mustered out of service after the Grand Review The Civil War in Fairfax County contains stories of the devastation that both armies brought upon the civilians and their property as well as the daily strife caused by a war that pitted neighbor against neighbor and family members against themselves It gives an important fascinating and unprecedented look into the everyday lives of the civilians who lived through the most tumultuous four years in American history in a county that was occupied by both the Confederate and Union armies throughout the entire Civil War *A Historic Resources Study: The Civil War Defenses of Washington, Pt. 1* , Tells the

history of Civil War forts and other defenses in the Washington DC area This study provides historical information to improve and enhance interpretation of the parks and historic resources and provides a historical framework for future preservation efforts A great deal of new information pertaining to the relationship of minorities to the Defenses of Washington was discovered The role of U S Colored Troops in construction and defense of the fortifications is better understood In addition much new information is available on the work of Freedmen and women in the Defenses of Washington Finally the association of African Americans with the former fortifications after the Civil War is better known Furthermore much information relating to the day to day construction and maintenance activity within the Defenses of Washington during the Civil War was also uncovered Teachers students historians and others interested in the American Civil War history particularly in the Washington DC area would enjoy this publication Related products American Civil War resources collection can be found here <https://bookstore.gpo.gov/catalog/us/military/history/wars/conflicts/ame>

Lee and His Army in Confederate History Gary W. Gallagher, 2006 Was Robert E Lee a gifted soldier whose only weaknesses lay in the depth of his loyalty to his troops affection for his lieutenants and dedication to the cause of the Confederacy Or was he an ineffective leader and poor tactician whose reputation was **Fredericksburg! Fredericksburg!** George C. Rable, 2009-11-15 During the battle of Gettysburg as Union troops along Cemetery Ridge rebuffed Pickett's Charge they were heard to shout Give them Fredericksburg Their cries reverberated from a clash that although fought some six months earlier clearly loomed large in the minds of Civil War soldiers Fought on December 13 1862 the battle of Fredericksburg ended in a stunning defeat for the Union Confederate general Robert E Lee suffered roughly 5 000 casualties but inflicted more than twice that many losses nearly 13 000 on his opponent General Ambrose Burnside As news of the Union loss traveled north it spread a wave of public despair that extended all the way to President Lincoln In the beleaguered Confederacy the southern victory bolstered flagging hopes as Lee and his men began to take on an aura of invincibility George Rable offers a gripping account of the battle of Fredericksburg and places the campaign within its broader political social and military context Blending battlefield and home front history he not only addresses questions of strategy and tactics but also explores material conditions in camp the rhythms and disruptions of military life and the enduring effects of the carnage on survivors both civilian and military on both sides

A Civil Life in an Uncivil Time Paula Tarnapol Whitacre, 2017-09 In the fall of 1862 Julia Wilbur left her family's farm near Rochester New York and boarded a train to Washington DC As an ardent abolitionist the forty seven year old Wilbur left a sad but stable life headed toward the chaos of the Civil War and spent the next several years in Alexandria Virginia devising ways to aid recently escaped slaves and hospitalized Union soldiers A Civil Life in an Uncivil Time shapes Wilbur's diaries and other primary sources into a historical narrative of a woman who was alternately brave self pitying foresighted and myopic Paula Tarnapol Whitacre describes Wilbur's experiences against the backdrop of Alexandria a southern town held by the Union from 1861 to 1865 of Washington DC where Wilbur became active in the women's suffrage

movement and of Rochester New York where she began a lifelong association with Frederick Douglass and Susan B Anthony Harriet Jacobs author of *Incidents of a Slave Girl* became Wilbur's friend and ally Together the two women black and white fought social convention to improve the lives of African Americans escaping slavery by coming across Union lines In doing so they faced the challenge to achieve racial and gender equality that continues today *A Civil Life in an Uncivil Time* is the captivating story of a woman who remade herself at midlife during a period of massive social upheaval
