The Civil War The American Iliad As Told By Those Who Lived It

Otto Eisenschiml

The Civil War The American Iliad As Told By Those Who Lived It:

The Civil War Otto Eisenschiml, 1956 **The Civil War** Otto Eisenschiml, 1991 The history and story of the American Civil War told by the people who participated in the conflict **The Civil War** Otto Eisenschiml, Ralph Newman, 1997-07 More than any other conflict the Civil War tore at the fabric of American life Out of this shattering ordeal came many strange reporters politicians housewives rub shoulders in the pages of this book Each sees the war in a strongly personal way Here we meet partisans of each side the Blue the Grey see the conflict through the eyes of those who lived breathed it The Civil War: The American Iliad, as told by those who lived it, by O. Eisenschiml and R. Newman , 1956 *The Civil War, Vol. 1: The American Iliad as Told by Those Who Lived It (Classic Reprint)* Otto Eisenschiml, 2019-01-25 Excerpt from The Civil War Vol 1 The American Iliad as Told by Those Who Lived It The American Iliad is not intended to be just another story of the Civil War Instead it aims to present this heroic period as a panorama letting the events pass before the reader's eyes much as they passed before the eyes of the men and women who lived at that time The Civil War beyond most wars went deep into every aspect of life and was much more than a series of battles It affected every living being both north and south of the Mason and Dixon Line and produced many strange human experiences some of which we have woven into this narrative as an integral part of the picture We did not write this book Dozens of people wrote it people who witnessed a stirring contemporary scene and tell about it in their own words They may have been commanding generals or soldiers in the ranks newspaper reporters statesmen or housewives If they observed well wrote honestly entertainingly and this is where we lay our emphasis with dramatic suspense we have drawn on their contributions in the compilation of this volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Civil War Ralph Newman, Otto Eisenschiml, 1956 *The Civil War* , 1956 *The Civil War: The American Iliad, as told by those who lived it, by O. Eisenschiml and R. Newman* Otto Eisenschiml, Ralph Geoffrey Newman, 1956 **The Era of the Civil War--1820-1876** Louise A. Arnold-Friend, US Army Military History Institute, 1982 *Naval Campaigns of the Civil War* Paul Calore, 2015-09-16 This analysis of naval engagements during the War Between the States presents the action from the efforts at Fort Sumter during the secession of South Carolina in 1860 through the battles in the Gulf of Mexico on the Mississippi River and along the eastern seaboard to the final attack at Fort Fisher on the coast of North Carolina in January 1865 This work provides an understanding of the maritime problems facing both sides at the beginning of the war their efforts to overcome these problems and their attempts both triumphant and tragic to control

the waterways of the South The Union blockade Confederate privateers and commerce raiders are discussed as is the famous battle between the Monitor and the Merrimack An overview of the events in the early months preceding the outbreak of the war is presented The chronological arrangement of the campaigns allows for ready reference regarding a single event or an entire series of campaigns Maps and an index are also included
