Humanistica Lovaniensia Gilbert Tournoy, 2003 Volume 52 *Pirro Ligorio's Worlds*, 2018-12-24 Pirro Ligorio's Worlds brings renowned Ligorio specialists into conversation with emerging young scholars on various aspects of the artistic antiquarian and intellectual production of one of the most fascinating and learned antiquaries in the prestigious entourage of Cardinal Alessandro Farnese The book takes a more nuanced approach to the complex topic of Ligorio's forgeries investigating them in relation to previously neglected aspects of his life and work *Printing Virgil* Craig Kallendorf, 2019-12-02 In this work Craig Kallendorf argues that the printing press played a crucial and previously unrecognized role in the reception of the Roman poet Virgil in the Renaissance Using a new methodology developed at the Humboldt University in Berlin *Printing Virgil* shows that the press established which commentaries were disseminated provided signals for how the Virgilian translations were to be interpreted shaped the discussion about the authenticity of the minor poems attributed to Virgil and inserted this material into larger censorship concerns The editions that were printed during this period transformed Virgil into a poet who could fit into Renaissance culture but they also determined which aspects of his work could become visible at that time *The Romance between Greece and the East* Tim Whitmarsh, Stuart Thomson, 2013-11-14 The contact zones between the Greco Roman world and the Near East represent one of the most exciting and fast moving areas of ancient world studies This new collection of essays by world renowned experts and some new voices in classical Jewish Egyptian Mesopotamian and Persian literature focuses specifically on prose fiction or the ancient novel Twenty chapters either offer fresh readings from an intercultural perspective of familiar texts such as the biblical Esther and Ecclesiastes Xenophon of Ephesus Ephesian Story and Dictys of Crete's Journal or introduce material that may be new to many readers from demotic Egyptian papyri through old Avestan hymns to a Turkic translation of the Life of Aesop The volume also considers issues of methodology and the history of scholarship on the topic A concluding section deals with the question of how narratives patterns and motifs may have come to be transmitted between cultures Skepticism's

Morgan, Stephen M. Trzaskoma, 2019-03-15 Bryan Reardon 1928-2009 was one of the most important and influential figures in the revival of scholarly interest in the Greek novel and ancient fiction in the last quarter of the twentieth century His organisation of the first International Conference on the Ancient Novel ICAN at Bangor North Wales in 1976 was a landmark in the field and an inspiration to the organisers of subsequent ICANs from which Ancient Narrative itself sprang As editor of *Collected Ancient Greek Novels* University of California Press 1989 second edition 2008 he made the Greek novels accessible to a wider readership and won a place for them in university syllabuses across the English speaking world This volume contains twenty essays by leading scholars of ancient fiction who were all pupils colleagues or close friends of Bryan Reardon in memory of

his scholarship energy guidance and humanity They cover a range of topics including ancient literary theory and the conceptualisation of fiction discussion of individual novels Chariton Longus Iamblichus Achilles Tatius and Apuleius and novelistic texts a papyrus fragment of a lost novel and Philostratus Life of Apollonius the afterlife of the ancient novel in a Renaissance commentary on Roman law in a seventeenth century essay on the origin of the novel and in a seventeenth century series of paintings in a French ch teau and a speculative reconstruction of the morning after the end of Heliodorus novel The title of the volume commemorates two of Bryan Reardon s most important books *Courants litt raires grecs des IIe et IIIe si cles apr s J C* Paris 1971 and *The Form of Greek Romance* Princeton 1991 and the photograph of Aphrodisias on the front cover is a tribute to his critical edition of Chariton 2004 **Humanistica Lovaniensia** ,2003 **The Shock of the Ancient** Larry F. Norman,2011-04-15 The cultural battle known as the Quarrel of the Ancients and Moderns served as a sly cover for more deeply opposed views about the value of literature and the arts One of the most public controversies of early modern Europe the Quarrel has most often been depicted as pitting antiquarian conservatives against the insurgent critics of established authority The Shock of the Ancient turns the canonical vision of those events on its head by demonstrating how the defenders of Greek literature rather than clinging to an outmoded tradition celebrated the radically different practices of the ancient world At a time when the constraints of decorum and the politics of French absolutism quashed the expression of cultural differences the ancient world presented a disturbing face of otherness Larry F Norman explores how the authoritative status of ancient Greek texts allowed them to justify literary depictions of the scandalous The Shock of the Ancient surveys the diverse array of aesthetic models presented in these ancient works and considers how they both helped to undermine the rigid codes of neoclassicism and paved the way for the innovative philosophies of the Enlightenment Broadly appealing to students of European literature art history and philosophy this book is an important contribution to early modern literary and cultural debates
