**The Clarence Chronicles** G. Ross Purcell, 2001 The Clarence Chronicles explores an episodic saga of a young boy's journey into manhood against the backdrop and home front intrigues of the Korean war How beauty and hormones teach black and white high school buddies some tough lessons growing up Their poignant and bitter friendship develops during the late 40s From those beginnings his journey takes him on a college sojourn as the fading big band era swings into cool jazz and bee bop weaving a complex web of personal relationships Forced military service leads him to the West Coast as he watches musical genius traverse from poverty to fame and become a magnet for the things that destroy **Chronicles of Avonlea** Lucy Maud Montgomery, 1912 The Freemason's Chronicle, 1898 **The Mole Chronicles - Book I: the Journey** David Joutras, 2008-02-10 Recipe for Universal Change Take one small mole with exceptional eyesight add immense curiosity and prompt him to go exploring Herbert the Mole starts out on a simple journey little knowing his true nature or the momentous changes he will eventually unleash With Herbert around one thing is certain things will never be the same and sometimes it's better to not know what's coming **The Chronicles of the White Rose of York** John Allen Giles, 1845

**The Gardeners' Chronicle**, 1842 **The Railway Chronicle**, 1847 *The Nautical Magazine and Naval Chronicle*, 1862 *The Naval Chronicle* James Stanier Clarke, Stephen Jones, John Jones, 1812 Contains a general and biographical history of the Royal Navy of the United Kingdom with a variety of original papers on nautical subjects under the guidance of several literary and professional men *The Mole Chronicles - Book III: the Choice* David Joutras, 2008-12-30 In Book III Herbert finds out that it's one thing to be given a choice and another to be told that your choice will determine the destiny of worlds As the words of the prophesy roll across the plains and Herbert struggles to make the right choice his true nature and name is revealed at last But will he and his companions survive to make the choice One way or another nations will be changed by the decisions of the mole The Chronicles of the White Rose of York. **A Soldiers' Chronicle of the Hundred Years War** Anne Curry, Rémy Ambühl, 2022 A remarkable and very important unpublished chronicle written by two soldiers covering in detail the English campaigns in France from 1415 to 1429 It lists many individuals who served in the war and was written specifically for Sir John Fastolf the English commander This previously unpublished chronicle from the mid fifteenth century covers the English wars in France from 1415 to 1429 It is highly unusual in that it was written by two soldiers Peter Basset and Christopher Hanson William Worcester secretary to the English commander Sir John Fastolf also had a hand in it and it was specifically written for Sir John The content is unusual as it includes many lists of individuals serving in the war and records their presence at battles naming more than 700 in all Over half these individuals are French or Scottish so it would seem that the authors had a particularly detailed knowledge of French military participation The narrative is important for the English campaigns in Maine in the 1420s in which Fastolf was heavily involved and which otherwise receive little attention in chronicles written on either side of the Channel The progress of the war is well mapped with around 230 place names mentioned The chronicle was extensively used in the sixteenth century by several heralds and by Edward Hall As a result it had an influence on Shakespeare The death of the earl of Salisbury at Orleans in Henry VI Part I Follows the chronicle closely The Mirror for Magistrates Salisbury narrative is also derived from the chronicle Another point of interest is that the chronicle is by a scribe who can be identified and proves to be the only known fifteenth century account of the war written in England in French which adds an important linguistic dimension to its study

*The Nautical Magazine and Naval Chronicle... a Journal of Papers on Subjects Connected with Maritime Affairs*, **The Trafalgar Chronicle** Judy Pearson, John Rodgaard, 2025-08-05 The Trafalgar Chronicle is the publication of choice for new scholarly research about the Georgian Navy sometimes called Nelson's Navy the journal's scope however includes all the sailing navies of the period 1714 to 1837 This year's volume includes three articles on highly original topics First an analysis of the various swords the Duke of Clarence gave as gifts to Royal Navy officers Second is a deeply researched piece into early nineteenth century court records to document the many incarnations of a Royal Navy schooner Whiting which after capture by a French privateer in the War of 1812 became herself a privateer and a pirate ship The last of three articles in this section gives an analysis of what Nelson thought of privateers especially after the French xebec L'Esperance took his cutter Swift as a prize To recognize the 500th anniversary of the founding of the Swedish Navy there are included three articles from a new compilation The Baltic Cauldron a collection of papers on the Swedish Navy from 1522 to the present It includes a piece by Christer Hgg former captain in the Royal Swedish Navy and an accomplished maritime artist whose painting graces the cover of this edition Readers will also find outstanding biographical portraits First there is a recounting of Charles Cunningham's daring decisions and steely resolve when he extricated his ship HMS Clyde from the heated Nore Mutiny Another article describes the parallel and contemporary naval service exploits of Admirals Rodney and Kempenfelt who were actually distant cousins of

one another The final biographical paper takes readers to Bermuda where a twenty first century archeological dig found the remains of Captain Sir Jacob Wheate who commanded the ill fated Fifth Rate frigate HMS Cerberus Authors in this volume reside in six countries UK US India Australia Canada and Sweden Through extensive research they tell dramatic stories of mutiny piracy privateering battles at sea diplomacy international alliances victory and advancement loss and defeat all in the quest for sea power Handsomely illustrated throughout this issue will make a fascinating and admired addition to any naval library Well written well researched well illustrated this is a publication that will both delight and inform A most enjoyable read D J Paul in Naval Review
