The Clintonian Political Terms:

The Clintonian The Clintonian Institute,2005-02 The Clintonian was created to help people laugh at the Liberal Democrats Just as the Liberals have been redefining political civility It s now time to redefine the Liberal Democrats political vocabulary *Martin van Buren and the American Political System* Donald B. Cole,2014-07-14 Donald Cole analyzes the political skills that brought Van Buren the nickname Little Magician describing how he built the Albany Regency which became a model for political party machines and how he created the Democratic party of Andrew Jackson Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Contemporary Masculinities in Fiction, Film and Television* Brian Baker,2016-07-28 While masculinity has been an increasingly visible field of study within several disciplines sociology literary studies cultural studies film and tv over the last two decades it is surprising that analysis of contemporary representations of the first part of the century has yet to emerge Professor Brian Baker evolving from his previous work *Masculinities in Fiction and Film Representing Men in Popular Genres 1945-2000* intervenes to rectify the scholarship in the field to produce a wide ranging readable text that deals with films and other texts produced since the year 2000 Focusing on representations of masculinity in cinema popular fiction and television from the period 2000-2010 he argues that dominant forms of masculinity in Britain and the United States have become increasingly informed by anxiety trauma and loss and this has resulted in both narratives that reflect that trauma and others which attempt to return to a more complete and heroic form of masculinity While focusing on a range of popular genres such as Bond films war movies science fiction and the Gothic the work places close analyses of individual films and texts in their cultural and historical contexts arguing for the importance of these popular fictions in diagnosing how contemporary Britain and the United States understand themselves and their changing role in the world through the representation of men fully recognising the issues of race ethnicity class sexuality and age Baker draws upon current work in mobility studies and in the study of masculinities to produce the first book length comparative study of masculinity in popular culture of the first decade of the twenty first century **Barack Obama, Post-Racialism, and the New Politics of Triangulation** Terry Smith,2012-05-31 Examines black voters relationship to the political process and to the first black president in a prematurely post racial America using interviews with members of the Congressional Black Caucus empirical data news accounts academic literature and case law **The Political History of the United States, Or, Popular Sovereignty and Citizenship** James Penny Boyd,1888 This is a bound reprint of selected portions of Boyd s *The Political History of the United States* 1888 and was apparently published

and distributed as advertising for the complete volume It contains the complete contents and original paging with selections and illustrations from various chapters as well as four pages of advertising at the end of the volume **A Full Exposition of the Clintonian Faction, and the Society of the Columbian Illuminati. With an Account of the Writer of the Narrative, and the Characters of His Certificate Men, as Also Remarks on Warren's Pamphlet** John Wood (Classical Teacher at New York.),1802 **The Encyclopedia of New York State** Peter Eisenstadt,2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York s varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State **Cyclopædia of Political Science, Political Economy, and of the Political History of the United States** John Joseph Lalor,1883 **The Foreign Policies of Bill Clinton and George W. Bush** Martin A. Smith,2017-09-18 This book offers a comparative analysis of the approaches policies and records of the administrations of Bill Clinton and George W Bush through an examination of key foreign policy issues that caused controversy and debate both during the 1990s and in the years since 9 11 In the post 9 11 security environment three issues were identified by the Bush administration as being at the heart of a threat nexus issues that had also preoccupied the Clinton administration These were the threats and challenges posed by international terrorism particularly of the militant Islamist type the so called rogue states and the US response to the actual and potential proliferation of weapons of mass destruction Smith explores the responses to these issues and the debates surrounding the nature of US engagement with key regions and states teasing out areas of similarity and difference in the policies and approaches of the Clinton and Bush administrations Attention is also given to the contrast frequently drawn between Clinton s alleged predilection for multilateral approaches to international relations and Bush s supposed hard edged unilateralism This book will prove useful to scholars and students in the fields of US foreign policy politics international relations security studies and public policy **The Democratic Republicans of New York** Alfred F. Young,2012-12-01 Through an intensive

study of party origins in the state of New York this volume reexamines and reevaluates the whole of the Democratic Republican movement It will compel changes in present concepts of anti Federalist and Republican connections with banking mercantile land speculation and manufacturing interests Originally published in 1967 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value
